Term Life and Accidental Death & Dismemberment (AD&D) Insurance

How does it work?

You choose the amount of coverage that's right for you, and you keep coverage for a set period of time, or "term." If you die during that term, the money can help your family pay for basic living expenses, final arrangements, tuition and more.

AD&D Insurance pays a benefit if you survive an accident but have certain serious injuries. It pays an additional amount if you die from a covered accident.

Why is this coverage so valuable?

If you previously purchased coverage, you can increase it up to one level with no medical underwriting.

New employees who elect coverage within 31 days of their eligibility period may apply for coverage up to 6 times salary or \$200,000, whichever is less, with no medical underwriting.

What else is included?

A 'Living' Benefit — If you are diagnosed with a terminal illness with less than 12 months to live, you can request 50% of your life insurance benefit (up to \$600,000) while you are still living. This amount will be taken out of the death benefit, and may be taxable. **These benefit payments may adversely affect the recipient's eligibility for Medicaid or other government benefits or entitlements, and may be taxable.** Recipients should consult their tax attorney or advisor before utilizing living benefit payments.

Waiver of premium — Your cost may be waived if you are totally disabled for a period of time.

Portability — You may be able to keep coverage if you leave the company, retire or change the number of hours you work.

Employees or dependents who have a sickness or injury having a material effect on life expectancy at the time their group coverage ends are not eligible for portability.

Who can get Term Life and AD&D coverage?

If you are actively at work at least 20 hours per week, you may apply for coverage for:

You:	Choose 1, 2, 3, 4, 5, or 6 times salary in increments of \$1,000 from a minimum of \$5,000 to a maximum of \$600,000. You may increase your coverage by one level without health questions to a maximum of the lesser of 6 times salary or \$200,000. Any amount over the guarantee issue will be subject to health questions.
Your spouse:	Get up to \$100,000 of coverage in \$1,000 increments. Spouse coverage cannot exceed 50% of the employee coverage amount, rounded down to the nearest \$25,000. If you previously purchased coverage for your spouse, then can increase their coverage up to \$25,000 with no medical underwriting, if eligible (see delayed effective date). If you previously declined spouse coverage, some health questions may be required.
Your children:	Get \$10,000 of coverage if eligible (See delayed effective date). One policy covers all of your children until their 26th birthday. The maximum benefit for children live birth to 6 months is \$5,000.
