

Legal assistance for your parents

Help protect those who have protected you with Plus Parents

We know what it is like to worry about parents and grandparents out of love. That's why our Plus Parents option gives up to eight parents, parents-in-law, and grandparents access to select legal services.

We offer a nationwide network of 18,000+ attorneys. Your loved ones can consult with an attorney on the phone, in person, or use an out-of-network attorney and get reimbursed for covered services according to a set fee schedule.¹ There are no copays, deductibles, or waiting periods when participants use a network attorney for a covered matter.

Whitney comes from a line of confident women who are always on the go. Both her mother and grandmother have assets, live in their own homes, and conduct their own personal business. That's why Whitney decided to give them added protection through Plus Parents. Mom and Grandma can enlist experienced and trusted attorneys to help with everyday legal matters—while Whitney can rest assured that the women in her life remain strong and independent.
