Selecting the RIGHT Benefit Plan for You and Your Family:

Fort Bend ISD offers eligible employees 3 different medical plan options to choose from. These plans are administered by the insurance carrier, UnitedHealthcare. All of these plans provide in-network coverage ONLY. Therefore, you must select a provider that is in the UnitedHealthcare network. Otherwise, you will be responsible for ALL charges associated with that out of network claim. For more detailed information of the differences in the plans and premiums, please review the [2026 Medical Plan and Premium Comparison](#). All medical plans include a prescription drug benefit administered by CVS Caremark. All specialty medications require dispensing through Caremark. Please review the [2026 Prescription Drug Plan and Summary](#) for more information about this program. All other benefit information (dental, vision, life/ad&d, disability, etc.) can be found by accessing the [2026 Employee Benefits Guide](#).

As a notice for the voluntary life/ad&d, **employees electing more than the guaranteed issue amount of \$500,000 for themselves and more than \$50,000 for spouse must submit complete the evidence of the insurability process.** This process is easy and typically takes less than 10 minutes. You must complete this application process within 60 calendar days from this notice to be considered for the additional coverage. To get started, simply visit this link:

www.myhartfordbenefits.com/onlineeoi/fortbendisid. **Your login ID** is the first letter of your first name, and the first letter of your last name followed by the last 4 digits of your Social Security Number (SSN). **Your Password** is the first letter of your first name and the first letter of your last name followed by your date of birth (YYYYMMDD). After entering your credentials, you will be prompted to verify your identity using a one-time passcode sent to your email or mobile device. **You will also be required to reset your password during your initial login.**

Note: All premiums' amounts are assessed on a per paycheck basis. If your EOI is denied or you fail to submit an EOI for review, benefits will be terminated, and premiums will be adjusted appropriately.

Dependent Documentation Requirement

To enroll your dependents in the benefit plans, you must submit proof of eligibility documents within 14 days of your benefits effective date. Please visit <https://verify.mydependents.com/FortBendISD> and register using a valid email address. A list of acceptable documents can be found on page 10 of the [2026 Employee Benefits Guide](#). You should NOT submit original documents or certified copies (which would have a raised seal). Make sure the official seal is visible on all copies. Original documents cannot be returned.
