

Critical Illness Insurance

Help minimize the financial stress that may follow the diagnosis of a serious illness

What is it?

Critical Illness Insurance pays a lump-sum benefit if you are diagnosed with a covered illness or condition. Critical Illness Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

What conditions does it cover?

Unless noted, your payment will be at 100% of your benefit amount. A pre-existing condition limitation may apply.
