# UHC Experience

The screenshot shows the myuhc.com website. At the top, there's a browser address bar with the URL <https://www.myuhc.com/member/prewelcome.do?currentLanguageFromPreCheck=en>. Below the browser, the United Healthcare logo is on the left, and a language toggle for "En Español" is on the right. A central banner features a blue background with a heart shape made of blueberries and a laptop keyboard. Overlaid on the banner is a "Sign In" modal with a "Sign In" button and a "Register Now" button. Below the banner, the text "Sign in for a personalized view of your benefits." is displayed, followed by a paragraph: "Find information and tools designed to make it easier to use your benefits. It takes just minutes to [register](#) - and you'll instantly get 24/7 access to manage your plan." At the bottom, there are four buttons: "Find a Doctor", "Find a Pharmacy", "Find a Dentist", and "Find a Vision Provider", each with a corresponding icon. A small "How is your visit?" survey icon is in the bottom right corner.

# Health Survey Prompt

The screenshot shows the Rally Health Survey Prompt interface. At the top, there is a dark header with the Rally logo on the left, a 'Not Now' button in the center, and a user profile section on the right showing a radiation icon, the name 'JEREMY', and '20 coins'. Below the header, there is a central area with a clipboard icon containing question marks. The main heading is 'Ready to Start the Health Survey?'. Below this, a paragraph states: 'We'd like to ask you some simple questions about your medical history and health to help us personalize your Rally experience.' A box titled 'How do I get started?' contains two paragraphs: 'We'll first get to know you with a quick and easy health survey. We'll ask for simple information about your personal medical history and health – for example, your blood pressure and cholesterol levels, how much you exercise and sleep, and whether you have asthma or other conditions.' and 'Our focus is on you, so we won't ask about your family medical history or for genetic information.' Below this box, another paragraph says: 'If you agree, select "Continue" to get started. Users under 18 may only consent with permission from their parent or guardian. You can [skip the medical portion](#) of the survey if you prefer.' At the bottom of the main content area is a green 'Continue' button. At the very bottom of the page is a footer with links for 'Terms', 'Privacy', 'HIPAA', 'Rally Rewards Rules', and 'Accessibility', followed by the copyright notice '© 2021 Rally Health, Inc. All Rights Reserved'. Two orange arrows point from external text boxes to the 'Not Now' button and the 'Continue' button.
