* When you receive services from a Nonparticipating Dentist, the percentages in this column indicate the portion of Delta Dental's Nonparticipating Dentist Fee that will be paid for those services. The Nonparticipating Dentist Fee may be less than what the dentist charges and you are responsible for that difference.

- Oral exams (including evaluations by a specialist) are payable twice per calendar year. Limited oral evaluations for a specific problem or complaint are also payable twice in the same calendar year.
- Prophylaxes (cleanings) are payable twice per calendar year. Four additional periodontal maintenance procedures are payable per calendar year for individuals with a documented history of periodontal disease. Full mouth debridement is payable once in a lifetime.
- People with specific at-risk health conditions may be eligible for additional prophylaxes (cleanings) or fluoride treatment. The patient should talk with his or her Dentist about treatment.
- Fluoride treatments are payable once per calendar year for people age 18 and under.

- Space maintainers are payable once per area per lifetime for people age 11 and under.
- Bitewing X-rays are payable once per calendar year and full mouth X-rays (which include bitewing X-rays) or a panorex are payable once in any three-year period.
- Sealants are payable once per tooth in any three-year period for first and second permanent molars for people age 15 and under. The surface must be free from decay and restorations.
- Payment for crowns, inlays, and onlays are payable once per tooth in any five-year period. Stainless steel crowns are payable once per tooth in any two-year period on primary teeth only.
- Composite resin (white) restorations are payable on posterior teeth.
- Root canal treatment is inclusive of periapical X-rays, cultures, follow-up care, treatments, pulpotomy or pulpectomy, and routine post-operative procedures. Separate charges are not Covered Services for these procedures. Retreatment is payable two years after the initial treatment.
- Denture and/or bridge replacement is payable five-years post initial place. Replacement is not a Covered Service for lost or stolen dentures and/or bridges. Interim dentures are payable only for people under age 17 to replace extracted anterior permanent teeth.
- Fixed bridges or removable cast partials are payable only for Eligible Dependents over age 16. Services and appliances that replace missing natural teeth (such as bridges, endosteal implants, implant crowns, partial dentures, and complete dentures) may be subject to an Alternate Benefit.
- Porcelain and resin facings on bridges are payable on posterior teeth.
- Implants are payable once per tooth in any five-year period. Implant related services are Covered Services.
- Crowns over implants are payable once per tooth in any five-year period. Services related to crowns over implants are Covered Services.

Deductible – \$25 Deductible per person total per Benefit Year limited to a maximum Deductible of \$75 per family per Benefit Year. The Deductible does not apply to diagnostic and preventive services, emergency palliative treatment, brush biopsy, X-rays, and sealants.

Maximum Payment – \$2,000 per person total per Benefit Year on all services.

Maximum Carryover – If at least one Covered Service is paid in a Benefit Year and the total Benefit paid does not exceed \$2,001 in that Benefit Year \$500 will carry over to the next Benefit Year's Maximum Payment. This amount will accumulate from one Benefit Year to the next, but will not exceed \$2,000.

Dependent Age Limit – Dependents are covered up to age 26.

Eligible People – The subscriber (you) is eligible for dental benefits when your employer or organization notifies Delta Dental.

Also eligible at your option are your legal spouse and your children who meet the age requirements noted above. Enrollees and dependents choosing this plan are required to remain enrolled for a minimum of 12 months. Should an Enrollee or Dependent choose to drop coverage after that time, he or she may not re-enroll prior to the date on which 12 months have elapsed. Dependents may only enroll if the Enrollee is enrolled (except under COBRA) and must be enrolled in the same plan as the Enrollee. An election may be revoked or changed at any time if the change is the result of a qualifying event as defined under Internal Revenue Code Section 125.

If you and your spouse are both eligible under this Contract, you may be enrolled as both a Subscriber on your own application and as a dependent on your spouse's application. Your dependent children may be enrolled on both applications as well. Delta Dental will coordinate benefits.

Benefits will cease on the exact date employment is terminated.

The laboratory for brush biopsy is not a covered service.

The term "spouse" refers to any individuals who are lawfully married under any state law, including same-sex couples who were legally married in a state that recognizes same-sex marriages, but who are living in a state that does not recognize same-sex marriages.

This Summary of Dental Plan Benefits should be read along with your Certificate. Your Certificate provides additional information about your Delta Dental plan, including information about plan exclusions and limitations. If a statement in this Summary conflict with a statement in the Certificate, the statement in this Summary applies to you and you should ignore the conflicting statement in the Certificate. The percentages above are applied to Delta Dental's allowance for each service and it may vary due to the dentist's network participation.*
