Limited Purpose Flexible Spending Account

An LPFSA lets you use tax-free money to pay for eligible dental and vision expenses.[1] So you spend less on what you need. It also makes a great companion to a Health Savings Account (HSA). Use your LPFSA for dental and vision expenses and keep your HSA growing tax-free for other future healthcare needs.

- Access annual contribution amount on day one.
- Pay for your spouse and dependents too.
- Plan ahead because LPFSA funds eventually expire.

Less tax. More paycheck.

Get $20 tax savings for every $100 you contribute.[2]

[1]LPFSAs are never taxed at a federal income tax level when used appropriately for eligible dental and vision expenses. Also, most states recognize LPFSA funds as tax deductible with very few exceptions. Please consult a tax advisor regarding your state's specific rules. | [2]The example is for illustrative purposes only. Estimated savings are based on a maximum annual contribution and an assumed combined federal and state income tax bracket of 20%. Actual savings will depend on your contribution amount and taxable income and tax status. | [3]Contribution limit is accurate as of 10/22/2024. Each fall the IRS updates the LPFSA contribution limits. For the latest information, please visit: HealthEquity.com/Learn | HealthEquity does not provide legal, tax or financial advice.
