Make the most of your retirement planning with the Cash Balance Plan Modeler

Use the Cash Balance Plan Modeler website for fast, easy, and secure access to information about your Cash Balance Plan benefit and a full range of retirement tools and educational resources.

Visit via the Online Benefits Center or at <http://ELCAMINO.bdigitalsuite.com>.

When you access the site for the first time, you must register. Click “Register” and follow the on-screen instructions. As part of the registration process, you will be asked to create and confirm a new password, and to provide a valid email address. Both the email address and the new password created during registration will be used for future access to the Modeler website.

From the site’s home page, you can:

- 1 Understand your Cash Balance Plan benefit.** From the **Plan Information** access a retirement plan guide, beneficiary designation form, frequently asked questions, and helpful retirement links.
- 2 Plan for your retirement.**
 - From the **Personal Information** section, review basic employee data, pay and hours, vesting percentage, year-by-year Cash Balance account information, and current 403(b) information.
 - From the **Estimate Your Pension** and **Retirement Planning** sections, get real-time cash balance estimates and model retirement readiness (including key milestones, retirement readiness score and total retirement income).
- 3 Add or Change your Beneficiary** for your vested Cash Balance Plan benefit. Any changes you make through the **Designate Beneficiaries** section are reflected immediately. You can also download a Beneficiary Designation Form and return it to the El Camino Hospital Retirement Service Center.
