

2026 EMPLOYEE BENEFITS

January 2026

Chalk Mountain Family Members,

We are excited to continue to offer our enhanced benefit programs in 2026 with a focus on your health and wellness. Highlights continue to include your Personal Health Assistant at MyPHA, Jessie Garcia, who can handle all of your healthcare needs for you and your family. In addition, we have several free programs focused on assisting you with your health and welfare needs.

Details for the 2026 plan include:

- **Jessie Garcia at MyPHA:** Chalk Mountain partners with MyPHA and our Personal Health Assistant at no cost to you. Jessie is available to employees and family members, regardless of enrollment, as a dedicated Personal Health Assistant to help you make the best healthcare decisions. Jessie will provide confidential, one-on-one assistance to find the best possible care. Jessie is the first, and most important number you need to call when you speak with someone about your benefits.
- **Pathways Concierge Services:** In addition to Jessie at MyPHA, members enrolled in medical coverage will have access to Pathways Concierge Services. Your concierge will assist with locating participating providers, verifying networks, making appointments and helping you understand your costs and responsibilities under the plan. In addition, Pathways can assist members' medical providers to confirm coverage, especially under the EHN/PHCS network option.
- **Multiple network/coverage options to fit your needs:** Health Plans Inc. (HPI) will continue to administer our medical plans, and we will continue offering two Preferred Provider options (PPO) and two High-Deductible Plan (HDHP) options. We are utilizing the United Healthcare network in 2026 and continuing to offer coverage through the Employer Health Network (EHN) with PHCS. Details on what distinguishes these plan designs and networks are outlined in this guide.
- **Valenz Surgical Care:** Health plan participants will have access to a Surgical & Imaging program that provides access to FREE healthcare if you are eligible for the program. Anytime you have surgical or imaging needs, make sure you call Jessie with MyPHA, and he can assist you through the process and possibly save you money!
- **Cancer Care:** If you, or a covered dependent, are facing a cancer diagnosis you are not alone. Chalk offers additional free resources giving you access to a team of cancer experts to help guide you through your care, including assistance in finding financial and community support.
- **Teladoc Diabetes/Hypertension Support:** Chalk will continue to provide to our employees, and adult dependents, enrolled in the medical plan free support with hypertension, weight management, pre-diabetes and diabetes management. More details are included in this guide.
- **Lyric:** Not feeling well, but not sure if you should see a doctor? Lyric gives employees enrolled in the Chalk medical plan access to board certified doctors available 24/7/365 and it's free! Don't wait for something to occur, download the Lyric App today at www.getlyric.com.
- **Voya:** Chalk will continue to provide free Accident, Hospital and Critical Illness coverage through Voya to all employees enrolled in the health insurance plan. All employees have the ability to purchase additional coverage for your dependents or elect a higher level of benefit at a reduced cost as well!

The Chalk Mountain Benefits Call Center will be utilized for our benefit communication and enrollment this plan year. Benefit Counselors will be available to provide you with a detailed explanation of your entire benefits program.

Stay safe and be well!

Sincerely,

Aaron Yeager
CEO

ABOUT THIS BENEFIT GUIDE

The Chalk Mountain Benefits Call Center will be utilized for our benefit communication and enrollment this plan year. Benefit Counselors will be available to provide you with a detailed explanation of your entire benefits program. They will review your benefits with you on an individual, confidential basis.

Each year, we strive to offer comprehensive and competitive benefits plans to our employees. In the following pages, you will find a summary of our benefits plans beginning January 1, 2026. Please read this guidebook carefully as you prepare to make your elections for the upcoming 2026 plan year.

When you call the Chalk Mountain Benefits Call Center, if you and your dependents are not currently enrolled in any of Chalk's plans, you will need the following information and supporting documentation for your dependents: legal name, date of birth, social security number, mailing address and phone number(s).

Note: This Benefits Guidebook describes the highlights of Chalk Mountain Services of Texas, LLC's benefits program in non-technical language. Your specific rights to benefits under the plan are governed solely, and in every respect, by the official plan documents and not the information in this guidebook. If there is any discrepancy between the descriptions of the program elements as contained in this benefits guidebook and the official plan documents, the language in the official plan documents shall prevail as accurate. Please refer to the plan-specific documents published by each of the respective carriers for detailed plan information. Any and all elements of Chalk Mountain Services of Texas, LLC's benefits program may be modified in the future, at any time, to meet Internal Revenue Service rules or otherwise as decided by Chalk Mountain Services of Texas, LLC.

ELIGIBILITY

Chalk Mountain encourages the health and financial well-being of its employees by providing access to quality and affordable healthcare. Eligible full-time employees have access to Chalk Mountain's comprehensive Benefits Program. Chalk Mountain may conduct an audit requesting supporting documentation on all eligible dependents at any time during the plan year. Please thoroughly review this Benefits Guide to learn more about these options.

ELIGIBILITY

Employee Eligibility

Full-time employees who work a minimum of 30+ hours per week and are at least age 18 are eligible to participate in the benefits program, with an effective date of the first of the month following a 60-day waiting period. If an Employee has a change in employment status (ex. Part-time to Full-Time) the waiting period will apply to the date of the status change.

Please note: Once your enrollment is completed, you may not make any changes to your elections unless you have a Qualifying Life Event (QLE) or your hours worked per week drop below the minimum.

Spouse Eligibility

Employees' legal spouse or domestic partner are eligible to be added to your benefits if they meet one of the below qualifications:

- Spouse or domestic partner is not employed or
- Spouse or domestic partner is self-employed or employed but does not have access to medical coverage through their own employer

Please note: Spousal affidavit for coverage must be completed at time of enrollment.

Dependent Eligibility

Employees' legal dependent children/step-children are eligible to be added to your benefits up to age 26.

QUALIFYING LIFE EVENTS (QLE)

Other than Open Enrollment, you are able to make changes to your benefits if you experience a Qualifying Life Event (QLE). In the event of a QLE, please contact Human Resources (HR); proof of the QLE must be submitted to HR within 30 days of the QLE, in order to change current benefit elections.

Examples of QLEs include:

- A change in the number of dependents (birth, adoption, death, guardianship);
- A change in marital status (marriage, divorce, death, legal separation);
- A dependent's loss of eligibility (attainment of limiting age or change in student status);
- A change in employee's, spouse/domestic partner's, or dependents' work hours;
- A termination or commencement of employment of employee's spouse/domestic partner or eligible dependent with coverage;
- An entitlement to Medicare or Medicaid (proof must be submitted within 60 days);
- Other events as the administrator determines to be permitted or any other applicable guidelines issued by the Internal Revenue Service.

YOUR BENEFITS JOURNEY STARTS WITH MyPHA

Chalk Mountain will continue partnering with **MyPHA** in 2026, at no cost to you! All employees and family members have a dedicated Personal Health Assistant (PHA), a healthcare concierge, to help you make the best healthcare decisions for you and your family.

WHAT DOES MYPHA DO?

When you have an issue or question related to any benefits you or your family members may be enrolled in at Chalk, including medical/prescription, dental, vision, life, disability, etc., MyPHA is here to help you. All information you share with MyPHA will be confidential, and Chalk's PHA will be able to assist you with questions such as:

- Finding the highest quality, most cost effective medical providers. When you call MyPHA for a provider recommendation, you'll get a list of highly ranked doctors matched to your health needs who have experience treating patients like you.
- What are biometrics and what do they mean?
- How can I spend less for my medications?
- What are my copays and deductibles?
- Understanding medical bills
- How do I complete my wellness program requirements?
- How do I access Mobile Health?
- What is an HSA?
- And more!

HOW DO I CONTACT MYPHA?

Chalk's dedicated PHA is Jessie Garcia, and you can contact Jessie at jessie.garcia@mypha.com or **972-591-2660** from M-F 7:00 am - 7:00 pm (CST). Jessie can be reached via phone, email or text, and is bilingual (Spanish).

DO I HAVE TO CONTACT MYPHA?

It is highly recommended that all employees and spouses enrolled in one of our medical plans with HPI contact Jessie, but it is not required to do so.

Just Call Jessie!

MEDICAL INSURANCE

Nobody plans on getting sick or hurt, but most people will need medical care at some point in their lives.

COPAY

If you enroll in the PPO plan, your copay is a set amount that you will pay each time you visit your Primary Care Physician (PCP) or a Specialist. Your copays do not count towards your deductible, but they do accumulate towards your OOPM.

DEDUCTIBLE

The amount of money you must pay each calendar year to cover eligible medical and prescription expenses before the Chalk plan begins sharing in your costs.

COINSURANCE

Once your deductible is met, coinsurance refers to the percentage of your medical and prescription expenses that you pay vs. the percentage that Chalk pays on your behalf. Coinsurance only applies until the individual and/or family OOPM is met.

OUT OF POCKET MAX (OOPM)

The maximum amount of money that any individual or family covered on the Chalk plan will pay during each calendar year. Your OOPM includes your deductible, copays and coinsurance.

MEDICAL PLAN COMPARISON

YOUR HEALTH PLAN OPTIONS

Chalk Mountain will continue to partner with **Health Plans Inc. (HPI)** as our health plan administrator in 2026. Chalk offers four different medical plans that include both PPO Copay Plans and High-Deductible Health Plans (HDHP). All plans will provide coverage for expenses, such as doctor's office visits, preventive care, and hospitalization. There are important differences in the plan networks. Please evaluate each option and choose the plan that makes the most sense for you and your family based on your needs and what you want to pay for coverage.

Medical plan choices include:

- **PPO Plan:** UHC Choice Plus Network
- **HDHP Plan:** UHC Choice Plus Network

- **PPO Plan:** Employers Health Network (EHN) & PHCS VDHP
- **HDHP Plan:** Employers Health Network (EHN) & PHCS VDHP

PREFERRED PROVIDER ORGANIZATION (PPO)

If you choose to enroll in the Preferred Provider Organization (PPO) plan, you will have copays when you see your PCP/Specialists, pick up prescriptions, visit an Urgent Care facility or visit the Emergency Room. All copays will accumulate towards your Out-of-Pocket Maximum (OOPM), but your deductible will need to be met through receiving other medical services, if applicable.

HIGH DEDUCTIBLE HEALTH PLAN (HDHP)

The High Deductible Health Plan (HDHP) is different than the PPO plan in that there are no copays until your deductible is met. If you enroll in the HDHP, you are subject to meet your full deductible, then you and the plan begin sharing expenses. Your portion of the expense is the coinsurance. This also applies to prescription drugs, which are subject to the plan's deductibles with exception to a list of certain maintenance drugs that are considered preventive. Once the deductible is met, you pay a fixed fee (see table on page 12 for amounts).

The HDHP also offers a tax-savings feature called the Health Savings Account (HSA). With this account, partially funded by Chalk Mountain, you can pay for certain out-of-pocket medical expenses throughout the year.

NOTE: There is no out-of-network plan coverage with Chalk's UHC medical plans. If you choose to see an out-of-network provider, you will be subject to **100% of the cost(s)**.

When you visit your provider, be sure to have them call the number on the back of your ID card to verify benefits and eligibility!

PREVENTIVE CARE

Routine preventive care is covered by Chalk at 100% under all medical plans. Preventive care can identify potential health risks before they become real health problems. Services include, but are not limited to, annual physicals, well-child visits, immunizations and health screenings. There are maintenance medications considered as preventive that are covered at no cost on the HDHP plan. Preventive care is required under Chalk's wellness program.

NOTE: During your preventive exams, if you and your doctor discuss any diagnostic services, the visit will no longer be coded as preventive and your visit will be subject to applicable copays and/or deductibles and coinsurance.

MEDICAL PLAN COMPARISON

The PPO and HDHP plans below will be administered by Health Plans Inc. (HPI) and utilize the national **United Healthcare (UHC) Choice Plus PPO** network for Physicians and Facilities.

	PPO Plan	HDHP Plan

UHC NETWORK

You will have access to a national network PPO network through United Healthcare. To find an in-network provider or to verify that your current provider is in network, please visit www.hpiTPA.com and visit the **Your Resources** menu. Then under **Members**, click **Find a Provider**. Choose **Harvard Pilgrim Healthcare (HPHC) and UnitedHealthcare Choice Plus** network from the **Harvard Pilgrim and UnitedHealthcare** drop down menu list. Search by doctor type, name or location. If you are looking for care in a *State outside of MA, ME or NH*, scroll to the **Explore and Learn More** tiles below the search bar. In the first tile, click the link to the **Medical provider directory** or the **Behavioral health provider directory**, depending on the type of provider you are searching for. From there you can search by typing in the search bar or search by category type.

You can also have our Personal Health Assistant, Jessie, verify this information by contacting him at jessie.garcia@mypha.com or 972-591-2660.

Family	\$317.50	\$217.50

EHN & PHCS NETWORKS

You will have access to facilities, hospitals and providers through the **EHN network**, which is a regional network. To find a provider please visit <https://members.ehnconnects.com> (or scan the QR Code). Select the type of care you need from the options at the bottom of the screen. Enter your location and Group ID number. If you don't have a Group ID number yet, enter "all" in the field. Then view your results.

Plan participants also have access to the **PHCS VDHP** network for physicians. To locate an in-network provider, please visit hstconnect.com, select "PHCS" then "Value Drive Health Plan" (or scan the QR Code).

It is important to review the network and facilities in your area BEFORE enrolling in coverage. Learn more about the EHN plan on the following page.

**Please refer to your Summary Plan Description to review full benefits and deductions.*

EMPLOYER HEALTH NETWORK

EHN is a regional network anchored with the Baylor Scott & White Quality Alliance

- EHN network, which includes the Baylor Scott & White Quality Alliance
- EHN's network provides in-network access to over 4,000 doctors
- The PHCS VDHP network provides access to additional doctors

What if a non-participating provider is used for care?

The primary network is EHN for both doctors and facilities and the PHCS VDHP network for doctors only (no facilities).

The EHN plan includes a reference-based pricing (RBP) feature for covered medical services received at any provider or hospital outside of the EHN / PHCS network.

If you must use a non-participating provider for care, you should call the Pathways Concierge Team to schedule your appointment and arrange a pre-negotiated payment prior to seeking services. Given that these providers are not in network the possibility of balance billing exists if the pre-negotiated payment does not take place.

Pathways Concierge Team: (888) 682-4269

When you receive services in a hospital, surgery center or emergency room present your ID card. During the admission process the provider should not collect an amount that exceeds the plan's deductible / annual out-of-pocket maximum. If you are requested to pay an amount that exceeds these amounts, please contact your Pathways Concierge for assistance. If you receive a bill for an amount that differs from your Explanation of Benefits, please contact your Pathways Concierge at your earliest convenience (888) 682-4269.

PRESCRIPTION DRUG COVERAGE

If you enroll in one of the Chalk Mountain medical plans, you will automatically receive prescription drug coverage through our pharmacy benefit administrator, **TrueRx** for any non-high cost medications (see below for high cost medication coverage). When you need prescriptions, you can purchase them through a local retail pharmacy, or for medications you take on an ongoing basis, through the mail order program. If you enroll in a PPO plan, you will have copays for your prescriptions. If you enroll in a HDHP plan, your prescriptions will be subject to coinsurance and your deductible. You can use your HSA funds for prescriptions. Once your deductible is met, you may have prescription copays until your out-of-pocket maximum is met.

RETAIL PRESCRIPTION PROGRAM

The retail prescription program uses a network of participating pharmacies. To receive the highest level of benefits, you must use a participating pharmacy. Prescriptions you fill at non-participating pharmacies are not covered. If you would like assistance finding an in-network pharmacy, please call our Personal Health Assistant, Jessie, at **972-591-2660**.

MAIL ORDER PROGRAM

The mail order program offers a convenient and cost-effective way to fill prescriptions for medications you take on a regular basis (maintenance medications). **Certain maintenance medications may require mail order through TrueRx.** When you use mail order, you receive a 90-day supply of your maintenance medication, delivered directly to your home through **WB Rx Express**.

For questions on this program, you can reach Web Express Customer Service at **833-391-0126** or visit www.wbrxexpress.com.

SHARx HIGH-COST MEDICATION PROGRAM

In addition to TrueRx, Chalk Mountain partners with a high cost pharmacy solution, SHARx. Medications can be very expensive, and if you are prescribed certain high cost medications, you must fill your prescription through a designated pharmacy that provides the best available pricing for you (can even be FREE!) and additional personalized support. To fill these prescriptions, TrueRx partners with SHARx, a pharmacy advocacy program. If you are on the medical plan, and currently taking an eligible medication, you will receive a welcome email from SHARx and must complete the online SHARx enrollment. For additional information, you or your physician may also call **314-451-3555**.

	Prescriptions	
	PPO Plans	HDHP Plans
Retail (up to 31-day)^{1,2}		
Generic	\$10 copay	\$10 copay after deductible
Preferred	\$35 copay	\$35 copay after deductible
Non-Preferred	\$60 copay	\$60 copay after deductible
Specialty	Covered under copay	Covered under ded. + coins.
Mail Order (up to 90-day)^{1,2,3}		
Generic	\$25 copay	\$25 copay after deductible
Preferred	\$87.50 copay	\$87.50 copay after deductible
Non-Preferred	\$150 copay	\$150 copay after deductible
Specialty	2.5x retail copay	Covered under ded. + coins.

1. If your prescription drug costs less than the designated copay, you will pay the lower of the two amounts.
2. Copays only apply if medication not sourced through SHARx; see above for details on SHARx.
3. Certain maintenance medications may require 90-day mail order through TrueRx

CARE NAVIGATION

WHAT IS CARE NAVIGATION?

- **Valenz Surgery & Imaging:** Chalk Mountain medical plan participants have access to a Care Navigation program that provides **best-in-class healthcare at no out of pocket cost to you!***

SCAN THE QR CODE FOR A FULL LISTING

- **What services are included?**

The more common services include:

- Orthopedic
- General Surgery
- Colonoscopies
- MRIs, CT & PET Scans

- **How does it work?** The first step is to engage with a Nurse when a need first arises to determine the options available to you. The Nurse will provide you with participating facilities and physicians in your area, assist with scheduling testing, appointments, coordinate surgery schedule and facilitate post operative care (ex. PT).

- **Who is eligible?** Employees, Spouses and older dependent children (18+) enrolled in the Chalk Mountain medical plan are eligible for this program. Please note Pediatric services are NOT covered through this program.

- **Is the program available in all areas?** The program has facilities and providers across the country. However, dependent on the procedure and location travel may be required.

- **What will my cost be?** If you use one of these programs, you will receive your services at **no cost to you!***

**members enrolled in a HDHP plan must meet the minimum IRS deductible (\$1650 for 2025) before services are free.*

Example Scenario:

John Smith needs a total knee replacement. He has the option of going to any surgeon and facility in his area. However, if John contacts Valenz Health to coordinate his surgery he will receive best in-class care and no out of pocket costs. John is enrolled in the "PPO Plan" with Chalk Mountain. The chart to the right explains the difference in benefits if John uses the Care Navigation program, or if he selects a different provider.

Speak to a Valenz Health nurse...

Please contact Valenz Health directly and speak to a nurse about your healthcare needs and whether they can assist!

The nurse will assist you with:

- Locating a facility and provider in your area for care
- Transferring medical records, if needed
- Coordinate appointment(s) both pre and post procedure
- Coordinate your care and payment for the service!

CHALK LIFE HEALTH AND WELLNESS PROGRAM

Chalk Mountain offers a comprehensive health and wellness program at no cost to you!
We are empowering you to lead a healthier lifestyle!

WELLNESS PROGRAM DETAILS

Employees and spouses enrolled in either of Chalk's medical plans will have from **January 1, 2026 to December 31, 2026 to reach 100% completion of our health and wellness program.** There are only 2 requirements: complete your biometric screening and receive an annual physical or age/gender appropriate screening! Please contact Jessie at MyPHA at **972-591-2660** with questions.

WELLNESS PROGRAM REWARD

Employees and spouses achieving 100% of your wellness program requirements between January 1, 2026 and December 31, 2026, will not experience wellness surcharge beginning January 1, 2027.

- If you or your covered spouse do not complete both requirements listed above by 12/31/26, your insurance premiums will increase \$50 per month effective 1/1/27.
- If you and your covered spouse do not complete both requirements listed above by 12/31/26, your insurance premiums will increase \$100 per month effective 1/1/27.

TELADOC HEALTH

Diabetes Prevention & Management, Hypertension Management and more!

In 2026, Chalk will continue to partner with **Teladoc Health**, to offer support for employees and dependents age 18 and older enrolled in Chalk's medical plan(s), who may be diagnosed as pre-diabetic, diabetic, high cholesterol and/or high blood pressure. Teladoc Health is a support program that provides dedicated coaches to you who will assist you with managing your diagnosis, and is offered at no additional cost.

Through this program participants will have access to smart devices and app to help you feel more confident in managing your diagnosis and improve your health. If you have one of the aforementioned diagnoses, you are not required to participate in the program, but participation is highly encouraged.

Each participant will have access to:

- A dedicated health coach to connect with, and to receive advice and encouragement
- Advice on nutrition, meal planning and more via phone or the app
- Teladoc Health app and web portal provides access to tools and educational materials to encourage, educate and empower you
- Free devices to read your blood pressure, glucose, etc., and the results will connect to your app where you can track your numbers and watch trends
- Customizable reminders to log health data, medications, food, activity, and more
- Integration with other apps to sync and track all of your health data in one place

What is CancerCARE?

The CancerCARE Program is a free, fully integrated cancer solution included in YOUR health plan that supports you from the first day of your diagnosis well into the stages of aftercare. CancerCARE coordinates care and benefits for patients with new or existing cancers. Our expert medical team advocates for the best possible care in your community or at a leading national Centers of Excellence location.

Day One Help

The day you receive a cancer diagnosis is overwhelming. Our CancerCARE professionals will answer questions about your diagnosis and help you evaluate your treatment options. They will also help maximize your health benefits and minimize your out-of-pocket expenses.

Register online or by phone promptly (within 72 hours) of diagnosis for the highest care impact.

Personalized Care

Today's cancer treatments vary by cancer type, stage of spread, and the patient's genetic makeup. The most effective care occurs when it is genetically personalized for you. Genetic testing is often not a covered benefit; however, it is fully covered when used for treatment planning with CancerCARE's recommendation.

National Resources

New treatments are developed and tested at leading cancer centers called Centers of Excellence. Treatment received from your local oncologist is often the best possible, but in some instances, we may suggest new treatments that are only offered at a Center of Excellence when those treatments could be more beneficial to you. Two examples would be Clinical Trials or proven new treatments that have not yet been written and given to community oncologists.

Expert Medical Team

During your Initial registration call, our highly trained Intake Coordinators will quickly gather your medical and health plan information. When a diagnosis permits, you will be assigned your own personal Oncology Nurse Expert who will answer any questions you have regarding your diagnosis as well as your care options. CancerCARE's entire team of Doctors, Nurses, and Medical Experts is dedicated to being with you throughout your treatment journey.

HEALTH SAVINGS ACCOUNT

PAYING FOR HDHP EXPENSES WITH A HEALTH SAVINGS ACCOUNT (HSA)

If you enroll in the High Deductible Health Plan (HDHP), you can pay for certain medical costs through a Health Savings Account (HSA). If you enroll in the HDHP, you will automatically be enrolled in an HSA through **Optum Bank**, our HSA vendor, and will be able to make pre-tax contributions to your account from your paychecks throughout the year. Then, you can use the HSA to pay for eligible health care expenses, such as deductibles, coinsurance, and other out-of-pocket dental, vision, and prescription drug expenses. The program provides investment options including interest bearing money markets. Funds are not automatically interest bearing and participants must take action to invest the funds in your account. Your HSA account balance will carry over from year to year, and you can take it with you if you leave the company. If you have any questions call our Personal Health Assistant, Jessie at **972-591-2660**.

CHALK MOUNTAIN'S CONTRIBUTIONS

Chalk Mountain will continue to assist with out of pocket healthcare expenses for HDHP enrollees by contributing **up to \$650 per plan year** to your Optum Bank HSA account. The employer HSA contribution will be made to your HSA on a prorated, per payroll basis, meaning that **\$25 will be contributed to your HSA each payroll cycle**. If you enroll in the Buy-Up PPO Plan, you are not eligible to enroll in the HSA.

	2026 Calendar Year Contribution Amounts	
	Individual	Family
Company Contribution	Up to \$650 / year	Up to \$650 / year
Maximum Employee Contribution	\$3,750 / year	\$8,100 / year
Total IRS Maximum Allowable Contribution	\$4,400 / year	\$8,750 / year

Important HSA Rules

You can participate in the HSA only if you enroll in the HDHP. You are not eligible to contribute if:

- You are enrolled in Medicare.
- You are covered by another medical plan (such as your spouse's plan) that does not qualify as a high deductible health plan.
- Your spouse participates in a Health Care Flexible Spending Account (FSA) through their employer.

NOTE:

If you will be age 55+ in 2026, you may contribute an additional \$1,000.

HOW TO OPEN YOUR HSA

After you enroll in the HDHP plan, you should receive your Optum Bank HSA debit card in the mail. If Optum needs more information from you before they can open your account, you will receive a letter in the mail. Once your account is open and your HSA debit card is activated, you can use your funds to pay for qualified medical, prescription, dental and vision expenses.

HOW TO USE YOUR HSA TO PAY FOR CARE

Once you receive your debit card, you have several choices for paying health-related medical expenses:

- Pay with your HSA debit card, if you have funds available in your account.
- Write a check from your HSA. You must order checks when you enroll in the HSA to have this option. And, as with any other type of check, you must have funds available or the check will be returned — and you will be charged an insufficient funds fee.

DENTAL

Chalk Mountain's Dental Plan is administered through **Cigna** and utilizes the **DPPO Total Network**. The Dental Plan provides you and your family with coverage for typical dental expenses, such as cleanings, X-rays, fillings, and orthodontia. The plan allows you the freedom to visit any dentist, without referrals, for all of your dental care. If you receive care from one of Cigna's in-network dentists, you'll pay less for your care. If you choose an out-of-network dentist, your share of costs will generally be higher and you may need to file your own claims.

To find an in-network provider, visit www.cigna.com click Find a Doctor, select Employer, enter your zip code and select Dentist as type of Doctor. When prompted to select a network choose the "DPPO Total" network. If you have specific questions about your dental plan, please contact our Personal Health Assistant, Jessie at **972-591-2660**.

VISION

Chalk Mountain’s Vision Plan promotes preventive care through regular eye exams and provides coverage for corrective materials, such as glasses and contact lenses. The Vision Plan is administered through **Cigna/EyeMed** combined network. If you enroll in vision coverage, you can go to any eye care provider you choose for care. However, if you choose providers who are part of the Cigna/EyeMed network, you will receive a discount on services. **To find an in-network provider: eyedocator.eyemedvisioncare.com**

The Vision Plan is designed to cover eye care needs that are visually necessary. You will pay extra if you choose certain cosmetic or elective eyewear, so be sure to ask your eye doctor what items are covered by the plan before you purchase materials.

If you have specific questions about your vision plan, please contact our Personal Health Assistant, Jessie at **972-591-2660**.

LIFE / AD&D

You do everything you can for your loved ones—not because you have to but because you want to. Whether you’re looking for coverage for a specific period or a lifetime, with the right Life / AD&D Insurance coverage, you can rest knowing your loved ones will be able to live out their dreams—no matter what the future holds.

BASIC TERM PAID 100% BY CHALK MOUNTAIN

Chalk Mountain offers Life and Accidental Death and Dismemberment (AD&D) insurance coverage to provide financial protection in the event you die while you are still working or become injured as a result of an accident. This coverage is administered through **Lincoln Financial**. This coverage is offered at no charge to you and is active for the duration of your employment.

NOTE: Basic Life/AD&D reduction schedule is to 65% at age 65 and to 50% at age 70.

Basic Life and AD&D Amount	Basic Life/AD&D Coverage
	\$50,000

VOLUNTARY LIFE

In addition to Basic Life and AD&D insurance, you may also purchase Voluntary Life and AD&D insurance for yourself, your spouse, and your dependent children through **Lincoln Financial**. You may only elect coverage for your dependents if you enroll in Voluntary Life coverage for yourself. You pay for the cost of Voluntary Life Insurance on an after-tax basis through payroll deductions. New Hires are eligible for up to the applicable Guarantee Issue (GI) amount, without being subject to Evidence of Insurability (EOI). If you waived coverage previously, you are considered a late entrant and must complete an EOI. Contact Chalk Mountain Benefits Center for EOI instructions.

NOTE: Coverage amounts for Life and AD&D insurance must be the same. Voluntary Life/AD&D reduction schedule is to 65% at age 65 and to 50% at age 70.

SUMMARY & RATES

* A sudden cardiac arrest is not in itself considered a heart attack.

** Major organ transplant means the irreversible failure of your heart, lung, pancreas, entire kidney or liver, or any combination thereof, determined by a physician specialized in care of the involved organ.

*** Diagnosis of a severe infectious disease by a Doctor, when a diagnosis occurs on or after the group's coverage effective date; AND Confinement to a Hospital or a transitional facility for [5 or more consecutive days].

Reoccurrence Critical Illness Benefit

You may receive a benefit payment for each different diagnosis of a covered condition shown on your Schedule of Benefits. (A definition of "different diagnosis" is provided in the certificate of coverage). There is no total maximum benefit amount or limit to the number of payments you may receive for each covered condition under your plan, except for skin cancer. For skin cancer, the benefit is payable up to 1 times per calendar year with a total benefit amount of 10 times the benefit amount you're enrolled in. Once the maximum for skin cancer has been reached, no further benefits are payable.

HOSPITAL INDEMNITY

Voya's Hospital Indemnity Insurance is designed to help provide financial protection for covered individuals by paying a fixed daily benefit if you have a covered stay in a hospital, critical care unit or rehabilitation facility. Employees can use the benefit to meet the out-of-pocket expenses and extra bills that can occur. Hospital Indemnity lump-sum benefits are paid directly to the employee, based on the amount of coverage listed (regardless of the actual cost of treatment). Hospital Indemnity Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

WHO CAN BE COVERED

Chalk Mountain provides Hospital Indemnity Insurance for you at no cost to you, only if you are enrolled in the medical plans. You also have the option to enroll in additional coverage for your spouse and children.

The Hospital Indemnity plan also provides a **wellness benefit** payout to all covered members who receive their applicable preventive care. That means you will get paid to get your preventive care! The **wellness benefit is a \$50 payout**. The payout amount is per insured person, per calendar year.

Visit your Employee Benefits Resource Center to learn more about this benefit and review instructions on how to file a claim after your effective date.

When will I pay taxes on any investment earnings?	Taxes are paid on the FULL amount of any distribution, including earnings, at ordinary income tax rates in effect upon withdrawal.	Taxes are NOT paid on earnings from your contributions if you take a qualified distribution: At least five years must elapse from year of initial contributions and you must be age 59 ½ or older (or become disabled or deceased).
Impact of Contributions on take-home Pay	Pretax contributions reduce your current taxable income, so each dollar contributed reduces your take-home pay by less than a dollar.	Current taxes are paid on your contributions, so your take-home pay is reduced dollar for dollar by your contributions.
When will I pay taxes on employer contributions?	Employer contributions are made on a pre-tax basis; therefore, contributions and earnings are taxable upon withdrawal.	Employer contributions are made on a post-tax basis; therefore, contributions and earnings are not taxable upon withdrawal.

HOLIDAY SCHEDULE

Employees who have completed 90 days of service are eligible for holiday pay if: the employee works their last scheduled day before as well as their first scheduled day after the holiday; the employee is on approved PTO covering the last and first scheduled work days of the holiday period; the employee worked on the holiday and first scheduled day following.

Chalk Mountain recognizes the following holidays.

- New Year's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

NOTICES & DISCLOSURES

The Company's policies, plans, practices and procedures may be amended, terminated or changed at any time at the sole discretion of the Company.
