We understand the important role that benefits play in the lives of you and your family. As a new hire and then annually during open enrollment, you have an opportunity to make changes to your benefits package to ensure you and your family have the right coverage.

This benefits guide can help to familiarize you with Aldine ISD benefit options. It also provides useful tips, tools and resources to help you think through your options and make wise decisions.

As you prepare to enroll:

- Consider your benefit coverage needs for the upcoming year. For example, is your family financially protected if you can't work due to an accident or illness?
- Consider other available coverage.
- Gather information you'll need. If you are covering dependents, you will need their dates of birth and Social Security numbers. In addition, you may need to provide documentation verifying their eligibility – such as a marriage license or birth certificate.

Getting the most value from your benefits depends on how well you understand your plans and how you choose to use them. Be sure to read this entire guide for important information about your benefit options.

Eligibility

Who's eligible?

Employees

Employees who work 30 or more hours per week, have a full-time appointment, and are eligible for and actively contributing to the Teacher Retirement System of Texas (TRS), can access group health insurance coverage.

Dependents

In addition to yourself, eligible dependents include:

- Your legal spouse, and
- Your children under age 26, including stepchildren, adopted children, and children for whom you are the legal guardian or who are the subject of medical support order, and
- Your children who are certified as disabled over age 26.

When can you change your benefit elections?

Generally, you may only make or change your benefit elections as a new hire or during the annual open enrollment period. However, you may change your benefit elections during the year if you experience an event such as:

- Marriage, divorce or legal separation
- Birth or adoption of a child
- Loss or gain of other coverage by you or your dependent
- Eligibility for Medicare or Medicaid

You have 31 days from the qualified life event to make changes to your coverage.

- Depending on the type of event, you may need to provide proof of the event, such as a marriage license.

If you do not make the changes within 31 days of the qualified event, you will have to wait until the next open enrollment period to make changes (unless you experience another qualified life event).

Enrolling dependents? Items to have ready

When you add dependents to your coverage, you must provide the following information:

- Legal name
- Date of birth
- Social Security number
- Supporting documentation, such as marriage certificate, birth certificate, adoption papers

If you do not provide the required information, your dependents may be dropped from coverage. See Dependent Verification Process below.

Terms to Know

Here are some important terms to know as you review this guide:

Preventive Care

All Aldine ISD medical plans cover certain preventive care at 100% when you stay in network. This includes Annual Physicals, Well Woman Exams, vaccinations, and approved maintenance medications (blood pressure, cholesterol, etc.).

Deductible

Amount you must pay before the plan begins to cover a portion of your healthcare costs.

Coinsurance

Once you have met your deductible, the plan begins to pay coinsurance (a percentage of covered expenses). Once you have met your deductible, the plan begins to pay coinsurance (a percentage of covered expenses), up to your out-of-pocket maximum.

Copay

Fixed cost that you pay at the time of an appointment or to fill a prescription.

In-Network/Out-of-Network

All four medical plans offer coverage for in-network providers only. You will not be covered if you receive services outside of the provider network available. In-network provider availability is dependent on the medical plan elected.

Out-of-Pocket Maximum

This is the maximum amount you will pay in a calendar year. Once you have reached the out-of-pocket maximum, the plan will pay 100% for all eligible expenses for the rest of the plan year.

Medical Coverage – Aetna

You have the choice to enroll in one of four medical plans offered by Aldine ISD, all administered by Aetna:

Health Savings Account – Gulf Coast Educators Federal Credit Union

An HSA is a personal savings account you can use to pay for qualified out-of-pocket medical expenses with pretax dollars — now or in the future. The HSA is administered by Gulf Coast Educators Federal Credit Union.

How a Health Savings Account (HSA) works

	<p>Eligibility You must be enrolled in the Texas Medical Neighborhood HDHP.</p>
	<p>Your Contributions You contribute on a pretax basis and can change how much you contribute from each paycheck up to the IRS maximum of \$4,300 for an individual or \$8,550 for family coverage. You can make an additional \$1,000 catch-up contribution if you are age 55+.</p>
	<p>Eligible Expenses Medical, dental, vision and prescription drug expenses incurred by you and your eligible family members.</p>
	<p>Using Your Account Use the debit card linked to your HSA to cover eligible expenses or pay for expenses out of your own pocket and save your HSA money for future healthcare expenses.</p>
	<p>Remaining Funds Money left in your HSA at the end of the year will roll over to the next year — you’ll never lose your HSA dollars. This means your HSA can be used as another retirement savings tool. If you leave Aldine ISD or retire, you can take your HSA with you and continue to pay and save for future eligible healthcare expenses.</p>

Your HSA is always yours — No matter what!

One of the best features of an HSA is that any money left in your HSA account at the end of the year rolls over so you can use it next year or sometime in the future. And if you leave Aldine ISD or retire, your HSA goes with you.

The triple tax advantage

- 1** You can use your HSA funds to cover qualified medical expenses, plus dental and vision expenses too — or retire — tax free.
- 2** Unused funds grow and can earn interest over time — tax free.
- 3** You can save your HSA funds to use for your healthcare when you leave Aldine ISD or retire — tax free.

Flexible Spending Account (FSA) – HSA Bank

Health Care FSA

You are eligible to contribute to a Health Care FSA if you are enrolled in either KelseyCare Plans, or the Memorial Hermann Plan. You can contribute pretax dollars from your paycheck, up to the IRS limit of \$3,300. Your full contribution is available at the start of the plan year to help pay for the following expenses:

- Medical and pharmacy expenses such as copays, coinsurance and deductibles
- Dental and Vision expenses

Dependent Care FSA

- You can contribute pretax dollars from your paycheck, up to \$5,000. Funds are for your dependent(s) age 12 or younger or a spouse or dependent incapable of self-care.
- This FSA pays for eligible child and adult care expenses, such as day care, preschool and nursery school, in-home aid, and more.
- IRS “use it or lose it” rule applies, and you cannot be reimbursed for any expense that is also covered by a tax credit on your federal tax return.
- You are eligible to contribute to a Dependent Care FSA if you are enrolled in either KelseyCare Plans, or the Memorial Hermann Plan.

Limited Purpose FSA

If you’re enrolled in the Texas Medical Neighborhood HDHP, you may choose to elect the Limited Purpose FSA in addition to the Health Savings Account. This allows you to use pretax dollars to help pay for dental and vision expenses:

- Consider electing this savings plan if you have elected to participate in an HSA but wish to utilize other funds for dental and vision expenses.
- You can contribute pretax dollars from your paycheck, up to the IRS limit of \$3,300.
- Your full contribution is available at the start of the plan year.
- Works with the HSA as you may use the HSA for medical and pharmacy expenses, while using the Limited Purpose FSA for dental and vision expenses.

How can I access my FSA funds?

- Online account access and claim submissions: hsabank.com
- Automatic direct deposit into your checking or savings account
- Help center at **877.851.5275** 24 hours a day, 7 days a week
- HSA Bank mobile app available to help manage you account, view alerts, and snap a photo of your receipts for claim submission

For more information, visit HSA Bank at hsabank.com for a full list of eligible expenses.

Please visit aldinebenefits.org, or call **855.474.9494** for more detailed information about the FSA resources available to you and your family.

Dental PPO Plans – Aetna

Your dental health is an important part of your overall wellness. Dental insurance gives you a reason to smile – it’s affordable and covers preventive care (including regular checkups) as well as fillings, bridges, crowns and other dental services.

Prior to enrolling in either DPPO plan with Aetna, it is important to verify if your preferred dentist is within the in-network benefits. If you enroll in either DPPO plan, administered by Aetna, you may visit any dentist you choose, but in-network providers offer large discounts and can file your claims for you. If you prefer to see an out-of-network provider, keep in mind, since they are not under contract, they may charge you for any amount billed in excess of the negotiated discounted rate.

Dental Maintenance Organization Plan (DMO) – Aetna

We also offer a DMO plan through Aetna. Please note that the DMO Plan does not have any deductibles or maximums. Instead, when you receive a dental service, you pay a fixed dollar amount for the treatment (copay).

- Enrollees must select a Primary Care Dentist (PCD) prior to seeking services.
- Family members can choose their own primary care dentist.
- You can change your PCD once a month on your member website or by calling **877.238.6200**. Switch by the 15th day of the month for the change to take effect the first day of the following month.
- Pay a fixed dollar amount (copay) when you receive service at your assigned PCD.
- See your PCD for regular exams and to get referrals if you need specialty care.
- When you visit an orthodontist, who participates in the DMO network, you won't need a referral.
- Reference the DMO Plan summary at aldinebenefits.org, for more detailed Plan Descriptions, Limitations and Exclusions.

What to consider for this plan

Dental pre-authorizations are required before receiving services from a participating specialist (oral surgeon, endodontist, or periodontist). The member must first obtain a referral from their Primary Care Dentist before making an appointment with a specialist. This applies to all specialties except for Orthodontics, members will have direct access for participating orthodontists.

Use your benefits when you need them the most

Universal life insurance offers help that goes beyond traditional life insurance to meet challenging situations. If you need to borrow against the cash value, you can pay it back when times get better. If you're diagnosed with a terminal illness, you can use a portion of the policy's death benefit to make a difficult time easier.³ If you're laid off, monthly deductions are waived for up to six months so you maintain your policy.⁴

Please visit aldinebenefits.org, or call 855.474.9494 for more detailed information about the Permanent Life options available to you and your family.

Take the portable, flexible policy with you

You have the option to keep your insurance when changing jobs and can adjust premiums, death benefit, and cash value amounts to meet changing personal financial situations like getting married, having a child, buying a house, or seeing your child through graduation.

Eligibility

You can insure your eligible spouse, children, and grandchildren with their own policies or purchase protection for your children through a child level term life insurance rider. The chart below gives the ages at which you and family members may apply, but all universal life policies can be maintained up to age 100.

	Age Limits	Benefit
Employee	Ages 16 through 80	\$20,000 - \$150,000 benefit, not to exceed 5x base salary
Spouse	Ages 16 through 65	\$25,000 benefit
Child Term Rider	Ages 15 days through 25 years	\$20,000 benefit

¹Upon written request, employees may borrow up to the available loan value of their certificate. The interest rate on cash value securing loans is 8.0% (7.4% in advance) with a minimum loan amount of \$250. The loan value of the certificate is the cash value less the amounts of any existing loans, loan interest payable in advance to the next certificate anniversary, and three monthly deductions.

²Acceptance based on answers to questions on the application for insurance.

³Accelerated Death Benefit for Terminal Condition Rider. This rider is not available in Louisiana, Massachusetts, Ohio, or Washington.

⁴This benefit is provided by the Waiver of Monthly Deductions for Layoff or Strike Rider. This rider is not available in Connecticut, Massachusetts, Puerto Rico, Tennessee, Vermont, or Washington.

Cancer Insurance - AFLAC

Cancer Insurance

Aflac Group Cancer pays cash benefits directly to you, unless assigned, when you need them most. If you're ever diagnosed with a covered cancer, these benefits are more important than ever. Why? Because cancer is one of the most expensive chronic illnesses to treat.

Cancer insurance helps fill in the gaps that medical insurance doesn't cover. Benefits are paid directly to the employee and may be used for any purpose—such as travel to treatment centers, medical copays, deductibles and experimental treatment, as well as everyday expenses like groceries, rent and ongoing household bills.
