PRESCRIPTION PRICE VARIATION

Did you know not all prescriptions cost the same?

Prices for both generic and brand drugs can vary drastically pharmacy to pharmacy. The MedOne Rx Price Finder tool allows you to search for the most cost-efficient pharmacies in your area.

- Visit www.medone-rx.com.
- Click on Member Portal.
- Register or log-in.
- Select the Rx Price Finder tool in the top menu.
- Type in the name of the drug, your zip code, and search radius.
- Click Search.
- Define the strength and quantity as needed.
- Click Update and compare prescription prices in your area.

The results display the pharmacies within your search area and the corresponding prices for the drug, lowest to highest. This showcases how the cost of your medication varies pharmacy to pharmacy to help you make more informed decisions. Outlined below is an example comparison for some commonly prescribed dugs.
