Save with 90-day supplies

Maintenance Choice helps keep your medication as affordable as possible. Make the change to 90-day supplies to enjoy these savings.

Help keep your copay low

Start filling the medication you take regularly (like medication for asthma or high blood pressure) in 90-day supplies at select participating pharmacies. Choose the option that works best for you — and change it whenever you like.

Here's what you need to do:

1. On or after your new plan's effective date, use the Pharmacy Locator Tool to find a participating pharmacy.

2. Ask your prescriber to send a new 90-day prescription to that pharmacy for pickup or delivery.

To find a participating pharmacy, visit [Caremark.com/PharmacyLocator](https://www.caremark.com/pharmacylocator) or scan the code.
