Log in to vsp.com to check your benefits for eligibility and to confirm in-network locations based on your plan type. All VSP network doctors who accept Medicaid also accept Medicare. Please contact providers directly to determine if they are accepting new patients.

*Participation in Premier Edge is limited to independent private practice doctors, hospital center locations, and Visionworks. The Premier Edge indicator is not meant as a designation of care quality as all of our doctors already meet VSP's high quality standards for professional services. Discounts and services guaranteed through Premier Edge may still be available if you choose to visit a provider that does not participate in Premier Edge. Call your eye doctor to verify services and discounts.

**Check your frame benefits to see if this offer applies. Promotions, brands and rebates are subject to change.

For personalized information about your plan, coverage, and exclusive member-only offers, create an account or log in. For the most accurate doctor list, enter the required fields, above, and select your Doctor Network. If you're not sure which network your plan offers, contact your Plan Administrator. Searching for a VSP network doctor doesn't guarantee your eligibility or coverage.

VSP continually assesses the doctor network to ensure adequate access for members. VSP's access standard is one doctor in a 10 mile radius urban/suburban and one doctor in a 25 mile radius for rural. VSP utilizes reports to analyze and determine the percentage of members that will have access to a doctor within a specified distance. VSP runs specific reports to determine if standards are being met and whether or not to apply appropriate interventions when gaps are identified. To report a directory inaccuracy, contact VSP at [1.800.877.7195](tel:1.800.877.7195) or email directory@vsp.com to submit a report. To view VSP's Colorado Network Access Plan, [click here](#). To view West Virginia's Network Access Plan, [click here](#).

Not all provider locations offer all services. Eye exams may be performed by Independent Doctors of Optometry at a location adjacent to retail locations, as required by law. Please check with your VSP network doctor to find out if he or she provides the services you need. VSP contracted providers cannot discriminate against the hearing impaired, developmentally challenged and/or physically challenged. They must also allow full and equal access to covered services, including insureds with disabilities as required under the federal Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973.

The information provided is supplied by the individual providers, subject to regular audits, and based on our records as of the date of the search and/or printing of the directory.

If there's a conflict between this information and your organization's contract with VSP, the terms of the contract prevail. This information is owned by VSP, and may only be used in connection with the provision of eye care services under a VSP eye care plan. Any other use is not allowed. Improper use of this information may subject the user to liability.

You have the right to contact VSP at [1.800.877.7195](tel:1.800.877.7195) to request a printed directory. The online directory is updated more frequently than printed directory.

As a VSP member you can access language interpreter services at no cost. Call Member Services at [1.800.877.7195](tel:1.800.877.7195).

VSP Network Providers are offered ongoing Cultural Competency education and training.

At VSP, we choose our network doctors carefully based on their professional licensing, work history, education, malpractice history, professional liability and ethics.

VSP network doctors have the following certifications: Optometrists (Doctors of Optometry) are Therapeutic Pharmaceutical Agent (TPA) certified and Ophthalmologists are American Board of Ophthalmology (ABO) certified.
