## TAXSAVER PLAN

New for 2024, the administration of Powell's Health Reimbursement Arrangement(HRA) and Healthcare & Dependent Care Flexible Spending Accounts(FSA) is changing from Wex to TaxSaver Plan.

If you are enrolled in an FSA and/or a CDHP medical plan, you received two (2) debit cards in the mail in December. The cards came in separate envelopes and have different card numbers, but both cards are tied to your benefit account.

**You can register for an online account by going to [www.taxsaverplan.com](http://www.taxsaverplan.com).**

- Click Login/ Register>Reimbursement Account Participant> then complete the fields to sign up. Information on the mobile app is included on the registration page.
- If you need additional cards for your dependents, please contact the TaxSaver Plan call center at 800-328-4337.
- If you enrolled in a flexible spending account or Basic/Premier CDHP plan in 2023, any applicable carryover funds will be added to your account, up to the plan maximum, after 3/31/2024 if you enrolled for 2024. The FSA amount eligible for carryover is \$570. Click [here](#) for the HRA maximum limits.
- Your Wex debit card will not be active after 12/31/2023.
- All 2023 claims must be filed with Wex by 3/31/2024. Wex customer service can be reached at 866-451-3399.
