# IMPORTANT: This is a fixed indemnity policy, NOT health insurance

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care.

- The payment you get isn't based on the size of your medical bill.
- There might be a limit on how much this policy will pay each year.
- This policy isn't a substitute for comprehensive health insurance.
- Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

### Looking for comprehensive health insurance?

- Visit HealthCare.gov or call 1-800-318-2596 (TTY: 1-855-889-4325) to find health coverage options.
- To find out if you can get health insurance through your job, or a family member's job, contact the employer.

### Questions about this policy?

- For questions or complaints about this policy, contact your State
   Department of Insurance. Find their number on the National Association of
   Insurance Commissioners' website (naic.org) under "Insurance
   Departments."
- If you have this policy through your job, or a family member's job, contact the employer.
