Welcome to your Employee Benefits!

The City of Rock Island is pleased to offer a wide range of benefits to its employees and their families. These company-sponsored benefits are an important part of a total compensation package. They represent both a valuable asset to our employees and to their families and demonstrate an investment by the City of Rock Island in our employees. We are proud of our compensation benefits program and are committed to continuously improving the plans that make up our benefits offerings.

This guide was created to answer some of the questions you may have about your benefits. Please read it carefully along with any supplemental materials you receive.

If you have any benefits related questions or concerns, please do not hesitate to call your City of Rock Island Benefits Team.

PLEASE NOTE: This booklet provides a summary of the benefits available, but is not your Summary Plan Description (SPD). The City of Rock Island reserves the right to modify, amend, suspend, or terminate any plan at any time, and for any reason without prior notification. The plans described in this book are governed by insurance contracts and plan documents, which are available for examination upon request. We have attempted to make the explanations of the plans in this booklet as accurate as possible. However, should there be a discrepancy between this booklet and the provisions of the insurance contracts or plan documents, the provisions of the insurance contracts or plan documents will govern. In addition, you should not rely on any oral descriptions of these plans, since the written descriptions in the insurance contracts or plan documents will always govern.

How to Enroll

Open Enrollment Period

The City of Rock Island's annual enrollment period will be held **November 11 through November 20, 2024**.

Open Enrollment is your opportunity to review your current benefits, make any plan changes, or update dependent and/or beneficiary information.

Have social security numbers and birth dates for all dependents available prior to completing enrollment.

Newly Hired/Eligible Employees

New hires and newly eligible employees **MUST** complete enrollment even if choosing to waive coverage. Coverage, if elected, will begin on the first of the month following 30 days of employment.

Enrolling In Your Benefits

Please review this guide to gain a full understanding of the plans being offered. Be sure to make any changes between November 11 through November 22, 2024, or within 30 days of becoming eligible, and review your current benefits and make any changes for the upcoming plan year.

Preparing to Enroll

As a committed partner in your health, the City of Rock Island will be absorbing a significant amount of the costs. Your share of the cost on some benefits will be deducted on a pre-tax basis, which will lessen your tax liability. Please note that employee premiums for available benefits will vary depending on the level of coverage you select. In general, the more coverage you have, the higher your employee premium will be. You may select any combination of health & pharmacy, dental, vision etc. coverage categories. For example, you could select health & pharmacy coverage for you and your entire family but select dental and vision coverage only for yourself. The only requirement is that you, as an eligible employee of the City of Rock Island, must elect coverage for yourself in order to elect coverage for your dependent(s). Be sure to have the Social Security numbers and birthdates for any eligible dependent(s) that you plan to enroll. This information is required for claims to be filed and processed correctly, by Federal legislation for reporting on group health plans, and in a case where a dependent utilizes Medicare, Medicaid and/or SCHIP programs.

Eligibility

Full-time employees with a schedule of **30 hours per week** are eligible for the benefits described in this guide, unless otherwise stated.

When Benefits Become Effective

Benefits for all benefit plans are effective the first of the month following 30 days of employment. Part-time, seasonal, temporary, internship, and contracted employees are not eligible to participate.

Eligible Dependents

Your dependents are eligible to participate in the City of Rock Island's benefit plans. Your eligible dependents include*:

- A spouse to whom you are legally married.
- A dependent child under age 26. Coverage will terminate on the dependent's 26th birthday. Coverage may be extended past the age of 26 for disabled dependents. Dependent children can include natural, adopted children, and stepchildren.

Coverage for eligible dependents generally begins on the same day your coverage is effective. Completed enrollment serves as a request for coverage and authorizes any payroll deductions necessary to pay for that coverage.

**Additional carrier conditions may apply and may vary by state.*

Newly Hired/Eligible Employees

New hires and newly eligible employees **MUST** complete enrollment even if choosing to waive coverage.

For all benefits, you must enroll within 30 days from your date of hire.

Pre-Tax Benefits: Section 125

The City of Rock Island's benefit plans utilize Section 125. This enables you to elect to pay premiums for health, dental, vision and flexible spending account coverage on a pre-tax basis. When you use pretax dollars, you will reduce your taxable income and have fewer taxes taken out of your paycheck. Under Section 125, you can actually have more spendable income than if the same deductions were taken on an after tax basis.

Pre-tax Note: When you pay for your dependent's benefits on a pre-tax basis you are certifying that the dependent meets the IRS' definition of a dependent. [IRC §§ 152, 21 (b)(1) and 105(b)]. Children/spouses that do not satisfy the IRS' definition will result in a tax liability to you, such as changing that dependent's election to a post-tax election, or receiving imputed income on your W-2 for the dependent's coverage that should not have been taken on a pre-tax basis.

You must notify Human Resources within 30 days from the life event status change in order to make a change in your benefit selections.

Benefit Changes

The benefit elections you make during open enrollment or as a new hire will remain in effect for the entire plan year. You will not be able to change or revoke your elections once they have been made unless a life event status change occurs.

For purposes of health, dental, vision and flexible spending accounts, you will be deemed to have a life event status change if:

- your marital status changes through marriage, the death of your spouse, divorce, legal separation, or annulment;
- your number of dependents changes through birth, adoption, placement for adoption, or death of a dependent;
- you, your spouse or dependents terminate or begin employment;
- your dependent is no longer eligible due to attainment of age;
- you, your spouse or dependents experience an increase or reduction in hours of employment (including a switch between part-time and full-time employment; strike or lock-out; commencement of or return from an unpaid leave of absence);
- gain or loss of eligibility under a plan offered by your employer or your spouse's employer;
- a change in residence for you, your spouse or your dependent resulting in a gain or loss of eligibility.

In order to be permitted to make a change of election relating to your health, dental or vision coverage due to a life event status change, the change must result in you, your spouse or dependent gaining or losing eligibility for health, dental or vision coverage under this Plan or a plan sponsored by another employer by whom you, your spouse or dependent are employed. The election change must correspond with that gain or loss of eligibility.

You may also be permitted to change your elections for health coverage under the following circumstances:

- a court order requires that your child receive accident or health coverage under this plan or a former spouse's plan;
- you, your spouse or dependent become entitled to Medicare or Medicaid;
- you have a Special Enrollment Right;
- there is a significant change in the cost or coverage for you or your spouse attributable to your spouse's employment.

For purposes of all other benefits under the plan, you will be deemed to have a life event status change if the change is on account of and consistent with a change in status, as determined by the plan administrator, in its discretion, under applicable law and the plan provisions.

Benefit Changes continued...

Event	Action Required	Results If Action Not Taken
New Hire:	Make elections within 30 days of hire date. Documentation is required.	You and your dependents are not eligible until the next annual Open Enrollment.
Marriage:	Your new spouse must be added to your elections within 30 days of the marriage date. A copy of the marriage certificate must be presented.	Your spouse is not eligible until the next annual Open Enrollment period.
Divorce:	The former spouse must be removed within 30 days of the divorce. Proof of the divorce will be required. A copy of the divorce decree must be presented.	Benefits are not available for the divorced spouse and will be recouped if paid erroneously.
Birth or adoption of a child:	The new dependent must be enrolled in your elections within 30 days of the birth and adoption, even if you already have family coverage. A copy of the birth certificate, footprints, or hospital discharge papers must be presented. Once you receive the child's Social Security Number, be sure to contact AssuredPartners to update your child's insurance information record.	The new dependent will not be covered on your health insurance until the next annual Open Enrollment period.
Death of a spouse or dependent:	Remove the dependent from your elections within 30 days from the date of death. Death certificate must be presented.	You could pay a higher premium than required and you may be overpaying for coverage.
Your spouse gains or loses employment that provides health benefits:	Add or drop health benefits from your elections within 30 days of the event date. A letter from the employer or insurance company must be presented.	You need to wait until the next annual Open Enrollment period to make any change.
Loss of coverage with a spouse:	Change your elections within 30 days from the loss of coverage. A letter from the employer must be provided.	You will be unable to enroll in the benefits until the next annual Open Enrollment period.
Changing from full-time to part-time employment (without benefits) or from part-time to full-time (with benefits):	Change your elections within 30 days from the employment status change in order to receive COBRA information or to enroll in benefits as a full-time employee. Documentation from the employer must be provided.	Benefits may not be available to you or your dependents if you wait to enroll in COBRA. Full-time employees will have to wait until the annual Open Enrollment period.

If you Experience a Life Event Status Change

Please direct questions regarding specific life events and your ability to make changes to your benefit elections as a result of a life event to Angie Rasmussen in the HR department, 309-732-2058.

You must update your elections within 30 days of your life event status change or you will not be able to make changes until the next annual open enrollment. If adding or removing dependents, you are required to submit specific documents to Human Resources. The change will be inactive until proper documentation is received and approved.

MDLIVE®

The City of Rock Island has partnered with MDLIVE to provide you with 24/7/365 on-demand access to a national network of U.S. board-certified doctors through the convenience of phone, video or mobile app visits. MDLIVE physicians and therapists can diagnose, treat and prescribe medication, when necessary, for a variety of issues, including **Behavioral Health**. It's more convenient access to quality healthcare, when and where you need it.

Prescription Coverage- PPO Plan

Your prescription drug benefit is based on a four-tier drug system. Copayment and/or coinsurance is determined by the tier to which the Prescription Drug List (PDL) Management Committee has assigned the Prescription Drug Product. All Prescription Drug Products on the **CVS Standard Drug List** are assigned as one of the four tiers. Find individualized information on your benefit coverage, determine tier status, check the status of claims and search for network pharmacies by logging on to www.caremark.com.

Medicare Part D

The prescription drug benefit is creditable coverage. Medicare-eligible participants need not enroll in a separate Medicare D drug plan.

Rx Mail Order Program

Save time and money by filling maintenance drugs through the mail order program. The Mail Order Program benefits members who are on long-term medications for chronic conditions such as diabetes, high cholesterol, high blood pressure, depression or asthma. By utilizing the Mail Order Program, you can receive a 90-day supply of medication for the equivalent of two retail copayments. That's a savings of one copayment for every 90-day supply.

Flexible Spending Accounts

Eligibility Based on Medical Plan Election

Flexible Spending Accounts (FSA’s) offer another way to save money on health care and dependent care expenses. You may submit expenses incurred by any of your dependents, whether or not they are covered by the insurance plans you have through your employer. Employees need not be enrolled in either medical plan to participate in FSAs.

If you enroll, you fund the accounts via a payroll deduction each pay period. Money that you contribute to your FSAs is not subject to social security taxes, federal, and in most cases, state income taxes.

Account	HSA Participants	Non-HSA Participants	How it works
Healthcare FSA	X	✓	Employee-funded. Can use funds for all healthcare related expenses. Federal regulations do not allow participation in an HSA and this type of account.
Dependent Care FSA	✓	✓	Employee-funded. Can use funds for all dependent care related expenses such as day care, nursery school, or elder care.

HCFSA Annual Contribution Limit:
\$3,300

Health Care Flexible Spending Account (HCFSA)
Federal regulations do not allow participation in an HSA and this type of account. Eligible health care expenses include many of the out-of-pocket expenses you pay to maintain your health and well-being. These include deductibles and coinsurance expenses not covered by your medical plan, expenses for glasses or contact lenses, and more.

DCFSA Annual Contribution Limit:
\$5,000
Or \$2,500 if you are married and file a separate tax return.

Dependent Care Flexible Spending Account (DCFSA)
You may use pre-tax dollars from your DCFSA to pay expenses for care when the services enable you and your spouse to work outside of the home. These include expenses for the care of a dependent child, spouse or elderly parent inside your home. Also included are baby-sitters, nursery schools, and day care centers.

Only the portion of expenses that enable you to remain employed are eligible. Educational expenses are not eligible.

The FSA Plan Year is January 1 until December 31.

“Use it or lose it” Grace Period Provision - HCFSAs only

The City of Rock Island has elected to participate in the Grace Period provision, allowing employees to incur eligible expenses 2 ½ months following the end of the plan year. You are still encouraged to consider your expenses carefully before you decide how much to contribute to each Flexible Spending Account. As a reminder, your election will cover the period from January 1 through December 31. You should not contribute more than you are reasonably certain to use.

Flexible Spending Accounts cont.

Eligible Dependents

Regarding your Dependent Care FSA, the IRS defines an eligible dependent as:

- A child under the age of 13 and may be claimed as a deduction for personal exemption under Code Section 151(c).
- A spouse who is physically or mentally incapable of selfcare.
- A disabled person who is physically or mentally incapable of self-care who you provide more than 50% support, and who qualifies as your dependent under Code Section 152.

FSA Debit Card

An FSA debit card is provided to all HCFA participants. The debit card is similar to a bank account debit card that allows you to remove funds from your FSA at a merchant payment terminal. By using the debit card to purchase eligible expenses, you avoid paying for a purchase with money out of your pocket. Remember, you still must keep your receipts even when you use the debit card.

Periodically, the IRS requires proof of purchase.

Changing Your Contribution Amount

Federal regulations prohibit you from changing your enrollment or the amount of your election during the plan year. You are only eligible to change your elections during the year if you have a life event status change. Only benefit changes consistent with the change in status are permitted. Life event status changes that may warrant a change in benefit elections are described on page 3 and 4 of this guide.
