*Special Enrollment Provision (Medical/Dental/Vision)	
A federal law called Health Insurance Portability and Accountability Act (HIPAA) requires that we notify you about very important provisions in t	the
plan. You have the right to enroll in the plan under its "special enrollment provision" without being considered a late enrollee if you acquire a n	
dependent or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that o	
coverage for certain qualifying reasons. Section I of this notice may not apply to certain self-insured, non-federal governmental plans. Contact y	
employer or plan administrator for more information.

service area, or the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollmen	t
within 31 days after your or your dependents' other coverage ends (or move out of the prior plan's HMO service area, or after the employed	
stops contributing toward the other coverage).	
Loss of Coverage for Medicaid or a State Children's Health Insurance Program	
If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a sta	ate
children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents	
lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage end
