This document is an outline of the coverage provided under your employer's benefit plans based on information provided by your company. It does not include all the terms, coverage, exclusions, limitations, and conditions contained in the official Plan Document, applicable insurance policies and contracts (collectively, the "plan documents"). The plan documents themselves must be read for those details. The intent of this document is to provide you with general information about your employer's benefit plans. It does not necessarily address all the specific issues which may be applicable to you. It should not be construed as, nor is it intended to provide, legal advice. To the extent that any of the information contained in this document is inconsistent with the plan documents, the provisions set forth in the plan documents will govern in all cases. If you wish to review the plan documents or you have questions regarding specific issues or plan provisions, you should contact your Human Resources/Benefits Department.

ELIGIBILITY

Who Is Eligible?

All active, full-time employees are eligible for benefits through Fort Bend ISD. Benefits will be effective on the first of the month following their start date. For life and disability coverage, if you are not actively at work on the effective date, your coverage will be delayed until you return to active employment.

When to Enroll Online*

Online enrollment must be completed in My Self-Serve within 30 days of your start date, a qualifying life event, or during open enrollment.

Who Are Eligible Dependents?

You may enroll your eligible dependents in the Medical, Dental, Vision, and Voluntary Life and Accidental Death & Dismemberment (AD&D) Plans. Your eligible dependents include your legal spouse, natural or step-child, adopted child, or a child placed with you for adoption. Your eligible dependents may be enrolled in benefits up to age 26.

How to Continue Coverage if Employment Terminates

All of your plans end at the end of the month in which your employment ends. You may continue your life plans by applying within 31 days of your last day of employment. You may continue your Medical, Dental, Vision, and Medical FSA plan for a limited period of time after termination through Federal COBRA continuation.

When to Change Your Benefits*

The benefit choices you make upon initial enrollment and during our annual enrollment period will remain in place until the next open enrollment, or when you experience a qualifying life event. Your benefit change must be consistent with your change in family status.

These changes include:

- * Marriage, divorce, or legal separation
- * Gain or loss of an eligible dependent for reasons such as birth, adoption, court order, disability, death, reaching the dependent age limit
- * Termination of your or your Dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage as a result of loss of eligibility (you must contact the FBISD Benefits Department within 60 days of termination)
- * You or your Dependent become eligible for Medicare, a premium assistance subsidy under Medicaid or CHIP (you must contact the FBISD Benefits Department within 60 days of determination of eligibility for Medicare and subsidy eligibility)
- * Significant changes in employment or employer sponsored benefit coverage that affect you or your spouse's benefit eligibility
- Loss of other insurance coverage (Note: An employee who begins COBRA benefits and then voluntarily drops the COBRA coverage cannot come on to the FBISD benefit plans mid-year. You must wait until the FBISD open enrollment period to add benefits.)

It is your responsibility to contact the FBISD Benefits Department within 30 days of the qualifying event to request a change to your benefits. You must provide the Benefits Department with documentation that states the qualifying event and the date this event has or will occur.

^{*}Please see page 13 for step-by-step instructions on how to enroll online.

To enroll your dependents in the benefit plans, you must submit proof of eligibility documents within 14 days of your benefits effective date. Please visit https://verify.mydependents.com/FortBendISD and register using a valid email address. You should NOT submit original documents or certified copies (which would have a raised seal). Make sure the official seal is visible on all copies. Original documents cannot be returned.

DEPENDENT VERIFICATION

Verifying Your Newly Enrolled Dependents

You are required to verify dependents if you are:

- A New Hire You are a new hire, and you are adding a new dependent to your Benefits Plans.
- <u>Experiencing a Qualifying Life Event</u> You are updating your plan due to a
 Qualifying Life Event (e.g. birth, death, marriage, loss or gain of coverage). Do
 not enter information for anyone currently covered under your plan. This is
 for newly added dependents only.
- Sign In and Enter Your Information

Using either your smartphone or a computer, go to https://verify.mydependents.com/FortBendISD and register using a valid email address and begin the online dependent verification.

Add Dependents and Answer Questions

Enter basic information about each dependent you are adding to your coverage.

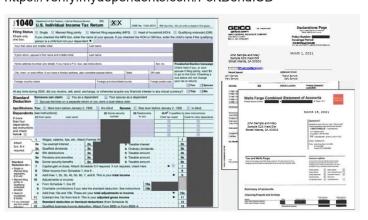

Submit Your Documents

After you enter your dependent information, the verification website will tell you what specific documents you must send for each dependent. You will then upload these documents directly to the site. (You can also complete the dependent verification using your smartphone, take a picture of your documents and upload them from your photos.) Please see below for typical required documents. Be sure to redact/black out any financial information, account numbers and Social Security Numbers before submitting your documents.

Each submitted document will be reviewed by the Dependent Eligibility Center for approval before processing coverage.

Again, the website to verify your dependents is:

2026 CHANGES AND UPDATES

A MESSAGE FROM THE EMPLOYEE BENEFITS & WELLNESS DEPARTMENT

We recognize that the strength of Fort Bend ISD lies in the commitment, dedication, and well-being of our greatest asset—our employees. To support them, we are committed to providing high-quality benefits while keeping costs as affordable as possible for employees and their families.

One way Fort Bend ISD supports affordable, high-quality benefits is by managing a **self-funded medical plan**. This approach gives the District greater control over healthcare costs, more flexibility in designing benefit options, and the ability to realize savings when claims are lower than expected.

In simple terms, Fort Bend ISD acts as its own "insurance company." Contributions from both the District and employees are pooled together and used to pay medical claims directly. By managing our plan this way, we can better control overall healthcare spending.

NEWS FLASH!

Fort Bend ISD will continue to manage an "active" open enrollment for 2026. This means you must re-enroll in ALL benefit plans for 2026. The only benefit plans that will not require re-enrollment will be Basic Life and AD&D and your TCG supplemental retirement plans (457/403b). However, we do ask that you still update your beneficiary information. If you would like to continue enrollment in your medical, flexible spending accounts (FSA), health spending account (HSA), dental, vision, supplemental life and disability, medical supplemental, and LegalShield plans, you must complete open enrollment this year. Failure to complete open enrollment will result in discontinued benefits for the 2026 benefit plan year.

Changes and Updates

To continue delivering comprehensive, affordable care for you and your family, we have provided updates to the 2026 benefit plan offerings.

- * No changes to medical plans or premiums!!
- * New vision provider is VSP
 - » You can purchase contact lenses and frames in the same year.
 - Frame and contact lenses allowance increased to \$200 per benefit plan year
 - » Decreased premiums!
- * New dental provider is MetLife
 - » Over 400 additional in-network providers
 - » No increase in PPO premiums
 - » Slight increase in DHMO premiums
- * New Basic Life/AD&D and Voluntary Life/AD&D vendor is The Hartford
 - » Initial enrollment this year will allow employees and spouses to purchase up to Guaranteed Issued (GI) amount without Evidence of Insurability (EOI)
 - » Guaranteed Issued amount increased to \$500,000 for employees
- Disability benefit remains with Guardian
 - » Slight increase in short-term disability rates
 - » No increase in long-term disability rates

2026 CHANGES AND UPDATES

FREQUENTLY ASKED QUESTIONS

Q. Will there be any changes to the benefit plan options available to employees?

A. No. The Kelsey Charter Plan, Surest Plan, and Choice HSA plan will continue to be offered in 2026.

Q. Are there any premium changes for the 2026 benefit plan year?

A. There are **no changes** in premiums for the medical plans and **decreased premiums** for the vision, life, and dental PPO plans. However, there is a **slight increase** in premiums for the dental HMO and short-term disability.

Q. If I do not complete enrollment, will my benefits roll over for 2026?

A. No. All employees must complete open enrollment if they want benefits for the 2026 benefit year. There will not be any benefit roll over for 2026. Failure to complete open enrollment will result in terminated benefits for 2026.

Q. If I contribute to the Choice HSA, do I have to use the funds before the end of the year?

A. No. Any contributions made to your HSA account are your funds to retain. Balances carry over from year-to-year to new jobs, and into retirement. This HSA bank account is owned by you and the contributions are yours to use towards qualified medical, dental, & vision expenses.

Q. Can I still enroll in the Healthcare Flexible Spending Account (FSA) if I elect the Choice HSA Plan?

A. No. We are not offering a limited medical FSA if you enroll in the Choice HSA Plan. However, you can enroll in the Dependent Flexible Spending Account.

OPTUM BANK HSA

A health savings account (HSA) allows you to save money for qualified medical expenses that you're expecting, such as contact lenses or monthly prescriptions, as well as unexpected ones — this year and for any future needs. It's a win-win for saving on health costs today, tomorrow and through retirement.

Check out these highlights:

It's your money, forever

It's all yours until you spend it — even deposits made by others, like an employer or family member. Your HSA funds are yours for life, even if you change jobs, switch health plans or retire.

Save, earn and spend income tax-free

You generally won't pay income taxes on your HSA funds.* HSAs put more money in your pocket with income tax-free:

- Contributions to your account (up to the annual limit – see page 3)
- Interest and potential investment earnings
- Withdrawals used for qualified medical expenses

Why choose an HDHP with HSA?

When choosing between a traditional copay plan and a qualifying high-deductible health plan (HDHP) paired with an HSA, the HDHP with HSA is often the financial winner. That's because you get tax-advantaged savings to cover a variety of qualified medical expenses now and into the future.

This approach typically offers lower premiums and more control of your health care dollars. And if you don't have immediate medical needs, you can save your HSA funds until you do — unused funds are yours to keep for life.

^{*}Some states may charge income tax on HSA contributions. Check with your tax advisor or state department or revenue to find out.

Save on out-of-pocket costs head to toe

Your HSA covers you and your family for a wide variety of qualified products and services like:

Dental care, including extractions and braces

Foot treatments

Eye exams, glasses and contacts

Chiropractic services

LASIK surgery

Ultrasounds

Prescription medications

Doctor's office visits and procedures

Go to optum.com/qualified expenses to see a full list of qualified expenses.

Save on everything from X-rays to catching rays

Your HSA rolls over from year to year, so you can continue to grow your savings and use it in the future – even into retirement on a beach.

There are contribution limits, set by the IRS and adjusted annually. These limits are:

Year	Individual coverage	Family coverage
2026	\$4,400	\$8,750
2025	\$4,300	\$8,550

- This means that you contribute at least \$100 more than last year
- **\$1,000** extra if you're 55 or older, also known as a catch-up contribution

See how Jake is supersizing his nest egg

Meet Jake. He's 30 and considers himself fairly healthy. When he started his new job, he decided to open an HSA and contribute \$200 per month. He uses \$500 each year to cover his health costs. Here's how much he saves with his HSA:

Balance at end of first year: \$1,900

Balance at age 65: \$66,500

Annual income tax savings:**
\$712

Use the <u>HSA contribution calculator</u> to help determine your contributions and see how much you can save on taxes.

Ready to enroll?

Enrolling in an HSA is quick and easy because it's built into your employer's benefit options. Review your materials today so you don't miss your chance to sign up.

Maintenance Choice®

Save with 90-day supplies

Maintenance Choice helps keep your medication as affordable as possible. Make the change to 90-day supplies to enjoy these savings.

Help keep your copay low

Start filling the medication you take regularly (like medication for asthma or high blood pressure) in 90-day supplies at select participating pharmacies. Choose the option that works best for you — and change it whenever you like.

Here's what you need to do:

 On or after your new plan's effective date, use the Pharmacy Locator Tool to find a participating pharmacy.

Ask your prescriber to send a new 90-day prescription to that pharmacy for pickup or delivery. To find a participating pharmacy, visit **Caremark.com/PharmacyLocator** or scan the code.

To scan the QR code: Open your camera. Scan the code. Tap the link.

Oklahoma: Some Oklahoma residents may not be eligible to participate in the Maintenance Choice program. If you have questions about your eligibility, please contact Customer Care at the number on the back of your member ID card.

PRESCRIPTION DRUG

STEP THERAPY

Step Therapy is a program designed especially for people who take prescription drugs regularly to treat ongoing medical conditions. Step Therapy simply means making sure you get safe and proven-effective medicine for your condition – at the lowest possible cost to you. In other words, it's how you can avoid paying more for the medicine you need.

How Step Therapy Works

A panel of independent licensed physicians, pharmacists and other medical experts work with CVS Caremark to recommend medicines for the step therapy program. Together, they review the most current research on thousands of prescription medicines tested and approved by the Food and Drug Administration (FDA). Then they determine the most appropriate medicines to include in the program. Medicines are then grouped in categories, or "steps."

Front-line Drugs – Step 1 – These are the first step and are typically generic and lower-cost brand-name medicines. They are proven to be safe and effective, as well as affordable. In most cases, they provide the same health benefit as more expensive medicines, but at a lower cost.

Backup Drugs – Step 2 and Step 3 drugs – are typically brand-name medicines. They are best suited for the few patients who don't respond to first-line medicines. They're also the most expensive options.

How do you find out if a first-line medicine is right for you?

Only your doctor can make that decision. Log in to your account at www.caremark.com or call the number on your member ID card to find out if step therapy applies to the medicine your doctor prescribed. If it does, you can see a list of first-line alternatives. You can give that list to your doctor to choose the medicine your plan covers that best treats your condition.

What happens if your doctor gives you a prescription that's not on the first-line list for your plan?

The first time you try to fill the prescription, your pharmacist should explain that step therapy requires you to try a first-line medicine before a second-line medicine is covered. Since only your doctor can change your current prescription, either you or your pharmacist need to speak with your doctor to request a first-line medicine that's covered by your plan. If you need your prescription right away, you may ask your pharmacist to fill a small supply until you can consult your doctor.

How to Start Step Therapy

The next time your doctor writes you a prescription, or if your current medicine qualifies, ask if a first-line generic medicine is right for you. Often, generic medicines have the same chemical makeup as their brand-name counterparts, and the same effect on the body, so the only real difference is cost.

Plans often cover second-line (more expensive) medicines if:

- * You've tried the first-line medicine covered by your step therapy program, and you and your doctor feel that the medicine doesn't treat your condition effectively, OR
- * You can't take a first-line medicine (for example, because of an allergy), OR
- * Your doctor decides that you need a second-line medicine for medical reasons

If you have questions about step therapy, or anything else regarding your prescription plan, just call the Member Services phone number on the back of your member ID card. You can also log in to www.caremark.com or download the CVS Caremark mobile app to learn more about your pharmacy plan. With the CVS Caremark mobile app, managing your medication is a snap! You can view orders, access your ID card, check drug interactions or even find the closest retail pharmacy in seconds.

Value Plan

You have the flexibility to choose any licensed dentist, in or out of the network and still receive benefits. With MetLife Dental insurance, you can choose from thousands of general dentists and specialists nationwide. You can find the names, addresses, languages spoken and phone numbers of participating dentists by searching our online Find a Dentist directory. All participating dentists have agreed to accept negotiated fees as payment in full for covered services. These fees typically range from 35%–50% less than the average charges in the same community. Plus, you have access to one of the largest networks of dentists in the U.S. You have the flexibility to visit any dentist in or out of the network.

Network Access Plan

With the Network Access Plan (NAP) DPPO, you may see any dentist that you choose. However, In-Network dentists have agreed to accept reduced fees for the services they provide. They have also agreed not to charge you any amount that exceeds the allowable amount, aside from deductibles, coinsurance and services that are limited or not covered under the plan. This will reduce your out-of-pocket expenses. If your dentist is an out-of-network provider, dental benefits will be based on reasonable and customary charges.

FLEXIBLE SPENDING ACCOUNT (FSA)

WHAT IS AN FSA?

Healthcare FSA:

- * The full amount you elect is available the first day your benefits are effective.
- * You can set aside up to \$3,350, pre-tax, to pay for eligible health care expenses, including dental and vision.
- You can elect an HSA or FSA but are not allowed to utilize both HSA and FSA together.
- You can use your FSA for all eligible health care costs for you and your dependents, even if your dependents are not covered under the Fort Bend ISD medical plans.
- * If you have unused contributions in your Health FSA at the end of the current plan year you can continue to incur expenses through March 15, 2027 immediately following the end of the plan year, and receive reimbursement for these expenses until such unused funds are depleted. All requests for reimbursement will be accepted and processed through March 31, 2027. After March 31, 2027 funds remaining in your account for 2026 plan year will be forfeited.
- The full amount of your election is available to you on January 1, 2026, even though your contributions are spread over the calendar year.

Dependent Care FSA:

- * Only the amount which has been taken from your paycheck is available for use.
- * You and your spouse can set up a combined annual contribution up to \$7,500, pre-tax, to pay for day care expenses for qualified dependents while you work or look for work.
- * Unlike the health care FSA, you can only be reimbursed funds that have already been withheld from your paycheck.
- * Eligible expenses include day care, nursery school, after-school care and summer day camp.
- * IRS "use it or lose it" rule applies, and you cannot be reimbursed for any expense that is also covered by a tax credit on your federal tax return.

FSA SAVINGS EXAMPLE

Bob and Jane's combined gross income is \$30,000. They have two children and file their income taxes jointly. Since Bob and Jane expect to spend \$2,000 in adult orthodontia and \$3,300 for day care next plan year, they decide to elect a total of \$5,300 into their FSAs.

	Without FSA	With FSA
Gross Income	\$30,000	\$30,000
FSA Contributions	\$0	-\$5,300
Gross Income	\$30,000	\$24,700

After-Tax Earnings	\$25,065	\$20,637
Medical and Dependent Care Expenses	-\$5,300	\$0
Remaining Spendable Income	\$19,765	\$20,637
Spendable Income Increase		-\$872

^{*}Assumes 15% Federal Income Tax and 1.45% FICA. The above example is for illustrative purposes only. Every situation varies and we recommend that you consult a tax advisor for all tax advice.

FLEXIBLE SPENDING ACCOUNT (FSA)

HEALTHCARE FSA

Submit receipts at www.myuhc.com.

Fort Bend ISD's Flexible Spending Account is administered by UHC. Your FSA contributions, deducted on a pre-tax basis, may be used to pay for qualified Healthcare expenses.

For the 2026 plan year, you may elect up to \$3,350 for your Health FSA. There is a \$120 minimum contribution for Employees.

For more information, please visit the IRS website at https://www.irs.gov/pub/irs-pdf/p503.pdf.

A Health FSA allows you to set aside tax-free dollars into an account that will reimburse you for out-of-pocket qualified medical expenses "incurred" during the plan year (1/1/2026 – 12/31/2026). The term "incurred" means that the service must be performed during the plan year. Eligible expenses may be incurred by you, your spouse, or your eligible dependent child(ren). Reimbursements received from your Health FSA are tax-free. In addition, you can use your debit card to pay for qualified expenses directly from your reimbursement account.

Examples of eligible expenses include deductibles, copays, LASIK eye surgery, prescription drugs, and orthodontia. Over-the-counter medications, with the exception of insulin, will require a prescription to be considered a qualified medical expense for reimbursement from your FSA. See IRS Code Section 213(d) or 502 for a list of eligible expenses. The expenses must be for "medical care" and be for the diagnosis, care, mitigation, treatment or prevention of a disease, or for the purpose of affecting any structure or function of the body.

Use-it-or-lose-it and Filing Deadline

If you have unused contributions in your Health FSA at the end of the current plan year you can continue to incur expenses through March 15, 2027 immediately following the end of the plan year, and receive reimbursement for these expenses until such unused funds are depleted. All requests for reimbursement will be accepted and processed through March 31, 2027. After March 31, 2027 funds remaining in your account for the 2026 plan year will be forfeited.

Health FSA

Health FSA claims must be received by UHC's FSA department on or before March 31 of the following benefit plan year. If your employment terminates during the year, your claims must be incurred prior to the end of the month in which your benefits termination occurs.

Debit Card

Your FSA debit card allows you to quickly and conveniently access funds in your FSA for Healthcare expenses. You may use it to pay for eligible expenses at the time of service and at locations that accept it. If your employment terminates during the year, you are only able to use your FSA card for charges incurred prior to the end of the month in which your benefit termination occurs.

IMPORTANT NOTE

You are NOT eligible for the Health FSA if you or your spouse currently contribute to an HSA.

KEEP COPIES of ALL of your receipts and explanation of benefits worksheets for eligible transactions. UHC will most likely ask you for this documentation. The only reason UHC will not ask for documentation is if the amount swiped on your debit card is equal to a copay or deductible in Fort Bend ISD's medical plans. You are required to provide receipts during an IRS audit.

FLEXIBLE SPENDING ACCOUNT (FSA)

DEPENDENT CARE FSA

Fort Bend ISD's Flexible Spending Account is administered by UHC. Your FSA contributions, deducted on a pre-tax basis, may be used to pay for qualified dependent care expenses.

For the 2026 plan year, you may elect up to \$7,500 for your Dependent FSA.

The Dependent Care FSA allows you to save taxes on up to \$7,500 in "qualified" day care expenses every year. Dependent Care FSAs reimburse only up to the account balance on the date your claim is received. Claims exceeding the balance are reimbursed when there is enough in the account to cover them.

Under Code Section 21(b)(1) "qualifying individual" means a dependent of the taxpayer as defined in Code Section 152(a)(1) (i.e., a qualifying child) who has not attained age 13; a dependent of the taxpayer who is physically or mentally incapable of caring for himself or herself and has the same principal abode as the taxpayer for more than half of the year.

Qualified day care expenses include:

- * Care provided while both parents are working or looking for work
- Care that has been provided during the plan year (1/1/2026 12/31/2026)
- * Actual day care expenses (separate fees for services such as transportation, meals, classes, lessons, trips or supplies are not reimbursable unless the charges are included as part of your base fee not itemized)
- * Day camps, including those that focus on specific activities, such as sports and arts (overnight camps are excluded even if the camp apportions the day camp and overnight charges)
- Day care providers tax ID or individual's social security number must be provided

Sample of ineligible expenses include:

- * Child care provided by your tax dependent or your child under age 19
- Overnight camps and tuition for kindergarten
- * Childcare when one parent is not working or looking for work

Use-it-or-lose-it and Filing Deadline

If you have unused contributions in your Dependent Care FSA at the end of the current plan year you can continue to incur expenses through March 15, 2027 immediately following the end of the plan year, and receive reimbursement for these expenses until such unused funds are depleted. All requests for reimbursement will be accepted and processed through March 31, 2027. After March 31, 2027 funds remaining in your account for 2026 plan year will be forfeited.

Dependent Care FSA - Claims must be received by UHC's FSA department within 90 days of the end of the plan year.

Debit Card – Your FSA debit card allows you to quickly and conveniently access funds in your FSA for dependent care expenses. You may use it to pay for eligible dependent care expenses at the time of service and at locations that accept it.

- * Keep copies of ALL of your receipts and explanation of benefits worksheets for eligible transactions. UHC may ask you for this documentation. You are required to provide receipts during an IRS audit.
- * If your childcare provider does not accept payment by debit card, you can pay the provider directly and then request reimbursement from UHC directly to your checking or savings account.

BASIC LIFE AND AD&D – VOLUNTARY LIFE AND AD&D

Fort Bend ISD provides each eligible employee with Basic Life and Accidental Death & Dismemberment (AD&D) insurance through The Hartford. Preventive care for children and adults

Focusing on regular preventive care can help you-and your family-stay healthier

Preventive care can help you avoid potentially serious health conditions and/or obtain early diagnosis and treatment. Generally, the sooner your doctor can identify and treat a medical condition, the better the outcome.

Under the Affordable Care Act (ACA),* most health plans provide coverage for certain preventive health care services at 100%, without any cost to you. Just obtain your preventive care from a health plan network provider. Diagnostic (non-preventive) services are also covered, but you may have to pay a copayment, coinsurance or deductible.

Preventive care guidelines for children**

Recommended preventive care services for children will vary based on age and may include some of the following:

- Age-appropriate well-child examination.
- · Anemia screening.
- Autism and developmental screening for children under age 3.
- Behavioral counseling during well-child examination to prevent sexually transmitted infections.
- Behavioral counseling to prevent skin cancer at each well-child examination.
- Cholesterol screening for children 24 months and older.
- Fluoride application by primary care physician for children under age 6.
- Hearing screening by primary care physician.
- Newborn screenings, including metabolic screening panel, phenylketonuria (PKU), hypothyroid and sickle cell.
- Psychosocial/behavioral assessments during well-child examination.
- Assessments for tobacco, alcohol or drug use.
- Screening for obesity and counseling for children on promoting improvements in weight.
- Screening for sexually transmitted diseases, lead, depression and tuberculosis for certain children at high risk.
- Vaccines and immunizations. For more information, visit cdc.gov/vaccines.
- Vision screening by a primary care physician.

Not all children require all of the services identified above.*** Your doctor should give you information about your child's growth, development and general health, and answer any questions you may have.

Help protect and maintain your child's health with regular preventive care visits with a network doctor

Preventive care screening guidelines and counseling services for adults**

A preventive health visit can help you see how healthy you are now and help identify any health issues before they become more serious. You and your doctor can then work together to choose the care that may be right for you. Recommended preventive care services may include the following:

- Abdominal aortic aneurysm screening for adults who are 65–75 years old and have ever smoked.
- Alcohol screening during wellness examinations, with brief counseling interventions for certain people.
- · Bacteriuria screening during pregnancy.
- Blood pressure screening at each wellness examination.
 Certain people may also require ambulatory blood pressure measurements outside of a clinical setting. Check with your doctor.
- Breastfeeding counseling, support and supplies during pregnancy and after birth. Includes a personal-use electric breast pump.
- Breast cancer medications for risk reduction (counseling) for women at high risk of breast cancer, but low risk for adverse effects.
- Cervical cancer screening (Pap smear) for women who are 21–65 years old.
- Chlamydia and gonorrhea infection screening for sexually active women who are 24 and younger, and older women at increased risk.
- Cholesterol screening for adults who are 40-75 years old.
- Colorectal cancer screening for adults who are 45–75 years old. Ask your physician about screening methods and intervals for screening.
- Contraceptive methods that are FDA-approved for women, including education and counseling.
- · Depression screening for all adults, in a primary care setting.
- Diabetes screening for adults who are 40–70 years old and overweight or obese, or for those of any age who have a history of gestational diabetes.
- Falls prevention counseling for community-dwelling older adults, during wellness examination.
- Genetic counseling and evaluation for BRCA testing and BRCA lab testing. Lab testing requires prior authorization.
- · Gestational diabetes mellitus screening during pregnancy.
- Healthy diet behavioral counseling for people with cardiovascular disease risk factors, in a primary care setting.
- Healthy weight and weight gain during pregnancy behavioral counseling interventions, which adds coverage for nutrition counseling for pregnant women.

- Hepatitis B virus infection screening during pregnancy and for people at high risk.
- Hepatitis C virus infection screening for adults who are 18–79 years old.
- Human immunodeficiency virus (HIV) screening for all adults.
- Human papillomavirus DNA testing for women who are 30 and older.
- Latent tuberculosis infection screening for people at increased risk.
- Lung cancer screening with low-dose CT scan for people who are 50–80 years old with at least a 20 pack year history (with prior authorization).
- Mammography screening.
- Obesity screening and counseling at each wellness examination.
- Osteoporosis screening for women who are 65 and older and younger women at an increased risk.
- Perinatal depression counseling for pregnant or postpartum women at risk.
- Prevention of HIV and pre-exposure prophylaxis (PrEP), with antiretroviral therapy, monitoring and testing.
- Rh incapability screening during pregnancy.
- Screening for anxiety for women, during wellness examination.
- Screening for urinary incontinence for women, during wellness examination.
- Screening for intimate partner violence for women, during wellness examination.
- Sexually transmitted infections behavioral counseling for prevention for adults who are sexually active or otherwise at increased risk, in a primary care setting.
- Skin cancer behavioral counseling for prevention for young adults up to age 24 at each wellness examination.
- Syphilis screening for adults at an increased risk.
- Tobacco cessation, screening and behavioral counseling for adults who smoke, in a primary care setting (refer to pharmacy vendor for pharmacotherapy for tobacco cessation).
- Vaccines and immunizations that are FDA-approved and have explicit ACIP recommendations for routine use. For more information, visit cdc.gov/vaccines.
- Wellness examinations.
- · Well-woman visits, including routine prenatal visits.

MATERNITY SUPPORT - KELSEY AND CHOICE HSA

Maternity Support Incentive! After completion of the Maternity Support, employees or eligible spouses will receive a \$150 UHC Rewards eGift card if the mother signs up by the second trimester.

Whether you're thinking about having a baby or have one on the way, maternity support is here to provide information and resources—from planning for a pregnancy to postpartum.

Offering care throughout your journey

Maternity support is designed for all mothers, no matter what the pregnancy journey looks like.

Start by taking a maternity support assessment, which only takes minutes to complete. Based on your responses, a maternity nurse may reach out to you and connect you with the care you need, answer your questions and support you every step of the way. A maternity nurse is trained to:

- Share information designed to help you care for your and your baby's health
- Help you choose a doctor or nurse midwife
- Support your physical, mental and emotional health before and after birth
- Help you find a pediatrician or other specialist

You'll also get 24/7 access to 7 online maternity courses:

- 1 Preconception: Preparing for a healthy pregnancy
- 2 Pregnancy in the first trimester
- 3 Pregnancy in the second trimester
- Pregnancy in the third trimester
- 5 The fourth trimester after pregnancy: Postpartum
- 6 Pregnancy nutrition and exercise
- Exploring breastfeeding

The information provided under Maternity Support is for general informational purposes only and is not intended to be nor should be construed as medical and/or nutritional advice. Participants should consult an appropriate health care professional to determine what may be right for them. If you believe you may have an emergency medical condition you should seek immediate care at an emergency department or call 9-1-1. Employers are responsible for ensuring that any wellness programs they offer to their employees comply with applicable state and/or federal law, including, but not limited to, GINA, ADA and HIPAA wellness regulations, which in many circumstances contain maximum incentive threshold limits for all wellness programs combined that are generally limited to 30 percent of the cost of self-only coverage of the lowest-cost plan, as well as obligations for employers to provide certain notices to their employees. Employers should discuss these issues with their own legal counsel.

MATERNITY SUPPORT - SUREST

As part of your health plan benefits, you may be eligible to receive breastfeeding supplies and support – such as a breast pump and lactation support services – from network providers at no additional cost.

How to get a breast pump

- Check the list of participating breast pump suppliers by calling the toll-free phone number on your health plan ID card. TTY users can dial 711 or sign in at myuhc.com[®].
- 2. Contact one of the participating doctors or approved suppliers to request an electric breast pump up to 30 days before your delivery date.
- 3. Once your request is approved, a breast pump will be sent to you.
- 4. The provider or breast pump supplier will bill UnitedHealthcare for reimbursement

United Healthcare

More good-to-know info

- One breast pump is covered per birth, whether it's a single- or multiple-baby birth
- Breast pumps purchased at retail stores are not eligible for reimbursement
- Breast pumps rented or purchased out-of-network may not be covered

Lactation support services at \$0 added cost

Many plans cover lactation support services at no additional cost to you when you see network doctors or providers, including various clinics, health care professionals, OB/GYNs and pediatricians.

MATERNITY SUPPORT – BREAST PUMP COVERAGE AND LACTATION SUPPORT

Breast pump coverage and lactation support.

3 ways to find information about lactation or breastfeeding support:

How to get a breast pump at no additional cost to you.

Surest offers coverage for one breast pump per pregnancy at \$0 \mathbf{cost} to you.

To obtain a breast pump:

- 1. Ask your doctor for a breast pump prescription.
- 2. Find an in-network, licensed durable medical equipment (DME) supplier, including the following (this is not an exhaustive list):

Aeroflow Breastpumps 844-867-9890
Pumping Essentials 866-688-4203
The Breastfeeding Shop 866-255-6779

Give your Surest member ID and prescription to the DME supplier, then select a breast pump. If you choose an upgraded option, additional costs may apply.

A heads-up about claims

Surest typically doesn't contract directly with lactation consultants. They may bill under a provider group, which then submits the claim to Surest. If the consultant does *not* bill insurance, you must submit the claim yourself via the Surest app or website: Go to plan resources >> medical online claim form.

TRS

www.trs.state.tx.us | 800.223.8778

The TRS retirement plan serves a vital role to nearly 1.2 million active and retired state educators and their families by providing service and disability retirement benefits, and death benefits. TRS is one of the largest retirement systems in the nation. The system's core mission is to deliver retirement and related member benefits authorized by the Texas Legislature and to manage the trust fund that finances those benefits. As an employee of FBISD you are automatically enrolled into this Retirement Plan. As a member you will contribute 8.25% of eligible wages to your account each pay period and the State will contribute 7.75% for retirement benefits. The member's contribution is made on a pre-tax basis.

HUB INVESTMENT PARTNERS (HUB) (FORMALLY TCG ADMINISTRATORS)

403(b) Tax-Deferred Annuities (TDA)

Is a deferred tax arrangement, which is specifically allowed by Section 403(b) of the Internal Revenue Code. Contribution amounts are not taxable income to the employees until the amounts are withdrawn by or distributed to them.

EMPLOYEE SAVINGS PLAN 457

As an employee of Fort Bend ISD you are immediately eligible to participate in this plan. The Fort Bend ISD Employee Savings Plan is an effective and flexible method of saving, and is available to help you meet your personal retirement planning objectives.

To set up or make changes to these accounts, you can contact HUB Investment Partners (HUB) directly.

403(b) AND 457 PLAN ADVANTAGES

- Contributions through salary reduction agreements are made on a tax-deferred basis These amounts are not subject to federal income taxation until distributed.
- Any interest earnings and/or gains are also tax-deferred.
- * Saving for future needs is easier when your contribution is made directly from your paycheck.
- * This is income in addition to your HUB Investment Partners (HUB) retirement plan income.

Retirement Plan Options

EMPLOYEE RETIREMENT BENEFIT

Research shows that Americans are living longer and their number of years in retirement is increasing. While your TRS pension may be enough to cover expenses during your initial retirement years, the reduced monthly income may not be sufficient for costly factors such as medical bills, taxes, and your desired standard of living. Contributing to a retirement savings plan can help supplement your pension during retirement.

Choosing to save with a 457(b) and/or a 403(b) allows you to save money in a pre-tax (Traditional) or after-tax (Roth) account. Contributions to the plan are salary-deducted from your paycheck and automatically deposited into your account. You may start and stop contributions at any time.

457(b) Savings Plan

- Employer-sponsored plan with fiduciary oversight by HUB Investment Partners (formerly TCG Advisors) and a committee of Superintendents/CFO's.
- O High-quality, low fee investment options
- O No commissions.
- No federal penalties to withdraw funds from account. Income tax still applies.
- Choose between target date funds, riskbased portfolios, or self-directed mutual funds.

403(b) Savings Plan

- Multi-vendor plan. You must research from a list of 50+ vendors and decide the best fit for you.
- o Fees and investments vary per vendor.
- O Commissions vary per vendor.
- o 10% early withdrawal penalty (goes away at age 59 1/2 or age 55 if retired).
- Investment options vary by vendor, including fixed/variable annuities and mutual funds.

GLOSSARY

GLOSSARY

Coinsurance

The money that an individual is required to pay for services, after a deductible has been paid. It is often a specified percentage of the charges. For example, the employee pays 20% of the contracted rate while the health plan pays 80%.

Copayments

An arrangement where an individual pays a specified amount for various Healthcare services and the health plan pays the remainder. The individual must usually pay his or her share when services are rendered. The concept is similar to coinsurance, except that copayments are usually a set dollar amount (such as \$20 per office visit), rather than a percentage of the charges.

Deductible

The annual amount of medical expenses that an individual is responsible to pay for certain services. Deductibles are reset on an annual basis.

Out-of-Pocket Maximum

The maximum amount a member can pay each year for the deductible and coinsurance, and medical copays. After reaching the out-of-pocket maximum, the plan pays 100% of the allowable charges for covered services during the remainder of the calendar year.

Elimination Period

The period of time you must be disabled, due to a covered disability, before this plan's benefits are payable.

Flexible Spending Account

This is an account in an employee's name that can reimburse the employee for qualified Healthcare or dependent care expenses. It essentially allows an employee to pre-fund those qualified expenses with pre-tax dollars deducted from the employee's paychecks. The employee can receive cash reimbursement for covered expenses, up to the total value of the account, but majority of funds are only usable during the benefit plan year.

Health Savings Account

A type of savings account that lets you set aside money on a pre-tax basis to pay for qualified medical expenses. By using untaxed dollars in an HSA to pay for deductibles, copayments, coinsurance, and some other expenses, you may be able to lower your out-of-pocket health care costs. HSA funds generally may not be used to pay premiums.

While you can use the funds in an HSA at any time to pay for qualified medical expenses, you may contribute to an HSA only if you have an HSA-eligible plan.

In-Network

Refers to physicians, hospitals, or other Healthcare providers who contract with the insurance plan to provide services to its members. Except in the case of an emergency, your medical plans provide for In-Network coverage only, no out-of-network coverage, including labs and x-ray facilities

Out-of-Network

Refers to physicians, hospitals, or other Healthcare providers who do not contract with the insurance plan to provide services to its members. Services provided by out-of-network providers through the medical plan may not be covered.

1095-C Form

As a reporting requirement of the Affordable Care Act, Fort Bend ISD provides this form to any member who was offered and/or enrolled in medical coverage through FBISD during the previous year. Keep the form for your records. As allowed by the IRS rules, the distribution of this form may occur after the filing of your personal federal income tax return. Since the information may impact tax filings for you, your spouse and your dependents, you should retain a copy of the Form. For information about how your medical coverage may impact your personal taxes, we recommend that you speak with your personal tax advisor.

Late Entrant

Employees who did not elect during their new hire period in which he or she is eligible to enroll.

NOTES
