

Group Critical Illness Insurance

How does it work?

If you're diagnosed with an illness that is covered by this insurance, you can receive a lump sum benefit payment. You can use the money however you want.

Why should I buy coverage now?

- It's more accessible when you buy it through your employer and the premiums are conveniently deducted from your paycheck.
- Coverage is portable. You may take the coverage with you if you leave the company or retire. You'll be billed at home.

Be Well Benefit

Every year, each family member who has Critical Illness coverage can also receive \$50 for getting a covered Be Well Benefit screening test, such as:

- Annual exams by a physician include sports physicals, well-child visits, dental and vision exams
- Screenings for cancer, including pap smear, colonoscopy
- Cardiovascular function screenings
- Screenings for cholesterol and diabetes
- Imaging studies, including chest X-ray, mammography
- Immunizations including HPV, MMR, tetanus, influenza

Who can get coverage?

You:	Choose \$7,500, \$15,000 or \$30,000 of coverage with no medical underwriting to qualify if you apply during this enrollment.
Your spouse:	Spouses can only get 50% of the employee coverage amount as long as you have purchased coverage for yourself.
Your children:	Children from live birth to age 26 are automatically covered at no extra cost. Their coverage amount is 50% of yours. They are covered for all the same illnesses plus these specific childhood conditions: cerebral palsy, cleft lip or palate, cystic fibrosis, Down syndrome, spina bifida, type 1 diabetes, sickle cell anemia and congenital heart disease. The diagnosis must occur after the child's coverage effective date.

Please refer to the certificate for complete definitions of these covered conditions. Coverage may vary by state. See exclusions and limitations.

Why is this coverage so valuable?

- The money can help you pay out-of-pocket medical expenses, like deductibles.
- You can use this coverage more than once. Even after you receive a payout for one illness, you're still covered for the remaining conditions and for the reoccurrence of any critical illness with the exception of skin cancer. The reoccurrence benefit can pay 100% of your coverage amount. Diagnoses must be at least 180 days apart or the conditions can't be related to each other. Any diagnosis of invasive cancer must follow a period of being treatment free for at least 180 days

Coverage is subject to payment of premium and all other terms of the certificate. If an employee is on a temporary Layoff or Leave of Absence on the Policy Effective Date of this certificate, we will consider your temporary Layoff or Leave of Absence to have started on that date and coverage will continue for the period provided temporary Layoff or Leave of Absence under Continuation of your Coverage During Extended Absences in the certificate. If you have not returned to Active Employment before any Insured's Covered Loss, any benefits payable will be limited to what would have been paid by the prior carrier.

Covered Loss must be after the coverage effective date.

End of employee coverage

If you choose to cancel your coverage your coverage ends on the first of the month following the date you provide notification to your employer. Otherwise, your coverage ends on the earliest of the: date this policy is canceled by Unum or your employer; date you are no longer in an eligible group; date your eligible group is no longer covered; date of your death; last day of the period any required premium contributions are made; or last day you are in active employment.

However, as long as premium is paid as required, coverage will continue in accordance with the Continuation of your Coverage during Absences provision or if you elect to continue coverage for you, your Spouse, and Children under Portability of Critical Illness Insurance.

Unum will provide coverage for a payable claim that occurs while you are covered under this certificate.
