From minor tweaks to big changes

Choose from a Variety of Video Options

Animated, Motion-Graphic Videos

Explainer videos are a proven way to educate and inform employees about their benefits, enrollments, wellness programs, onboarding, and HR initiatives. We offer a range of solutions from a pre-produced library to fully custom.

Customized Explainers – Most Popular

Choose from our design styles—or let us create a fully custom style for you—to best reflect your brand, culture and message. We have starter scripts on 100+ topics to help you craft your script.

Presentation Videos

Turn your slide deck into an engaging video to provide a deep dive into your benefits program or other training topic. We offer an array of solutions with professional narration and chaptering for these long-form videos.

Branded Design – Most Popular

Start with our professionally designed slide template in our dynamic styles for your benefits overview. We jazz it up with animations, music, and narration of your tailored script.
