

## Train and educate employees with custom presentation videos

Our chaptered presentation videos are an **affordable and effective solution for on-demand employee education and training content**. Use for new-hire onboarding, benefits enrollment, code of conduct or corporate training. Whether or not you have an existing presentation, Flimp offers fully custom and templated options for these videos, all including professional voice talent, hosting and reporting.

### Custom Creative

**\$1,000 per minute | Turnaround: 3-4 weeks**

We design and create a custom-branded presentation video with dynamic animations, transitions, graphics and images.

Provide us with your branding guidelines, a slide deck and script notes and we produce a beautifully designed chaptered presentation video.

- Minimum length six minutes
- Scripting services available

Custom Creative

Branded Template

### Branded Template

**\$600 per minute | Turnaround: 3-4 weeks**

We produce a custom-branded, chaptered video using our professionally designed and scripted slide template.

Just choose the modules you need, edit the built-in scripts and we update the colors, graphics and images to fit your needs.

- No slide deck needed
- Ideal for benefits overview and new-hire-onboarding videos
- Minimum length eight minutes
