

Our managed text-messaging campaigns drive **95% employee-engagement** rates

With Flimp Connect messaging services, we set up and manage your **text message (SMS and MMS)** employee-communication campaigns for you.

Flimp Connect is HITRUST certified and HIPAA compliant, which means you get the **highest level of data security, privacy, and compliance** available. With HITRUST certification, getting IT and legal approvals is a snap. And, unlike most platforms, Flimp Connect is used primarily by employers communicating with their employees—not mass marketing—which ensures high deliverability.

Prefer to DIY? We also offer **individual accounts and multi-tiered, multi-tenant accounts** to manage messaging for multiple groups.
