GENERAL PROVISIONS

ENTIRE CONTRACT

The entire contract between you and us is the Policy, your application (a copy of which is attached at issue), and any endorsements and amendments.

CHANGES

No agent has authority to change or waive any part of the Policy. To be valid, any change or waiver must be in writing. It must also be signed by one of our executive officers and attached to the Policy.

INCONTESTABILITY

Any statement made in your application will be deemed a representation, not a warranty. We cannot contest this Policy after it has been in force for two (2) years from the date of issue, except for non-payment of premium.

Any statements made by you, any Insured, or on behalf of any Insured to persuade us to provide coverage, will be deemed a representation, not a warranty. This provision limits our use of these statements in contesting the amount of insurance for which an Insured is covered. The following rules apply to each statement:

(1) No statement will be used in a contest unless:

   (a) it is in a written form signed by the Insured, or on behalf of the Insured; and

   (b) a copy of such written instrument is or has been furnished to the Insured, the Insured's beneficiary or legal representative.

(2) If the statement relates to an Insured's insurability, it will not be used to contest the validity of insurance which has been in force, before the contest, for at least two years during the lifetime of the Insured.

RECORDS MAINTAINED

You must maintain records of all Insureds. Such records must show the essential data of the insurance, including new persons, terminations, changes, etc. This information must be reported to us regularly. We reserve the right to examine the insurance records maintained at the place where they are kept. This review will only take place during normal business hours.

CLERICAL ERROR

Clerical errors in connection with the Policy or delays in keeping records for the Policy, whether by you, us, or the Plan Administrator:

(1) will not terminate insurance that would otherwise have been effective; and

(2) will not continue insurance that would otherwise have ceased or should not have been in effect.

If appropriate, a fair adjustment of premium will be made to correct a clerical error.

MISSTATEMENT OF AGE

If an Insured's age is misstated, the premium will be adjusted. If the Insured's insurance is affected by the misstated age, it will also be adjusted. The insurance will be changed to the amount the Insured is entitled to at his/her correct age.

ASSIGNMENT

Ownership of any benefit provided under the Policy may be transferred by assignment. An irrevocable beneficiary must give written consent to assign this insurance. Written request for assignment must be made in duplicate at our Administrative Offices. Once recorded by us, an assignment will take effect on the date it was signed. We are not liable

for any action we take before the assignment is recorded.

CONFORMITY WITH STATE LAWS

Any section of the Policy, which on its effective date, conflicts with the laws of the state in which the Policy is issued, is amended by this provision. The Policy is amended to meet the minimum requirements of those laws.

CERTIFICATE OF INSURANCE

We will send to you an individual certificate for each Insured. The certificate will outline the insurance coverage and to whom benefits are payable.

POLICY TERMINATION

You may cancel the Policy at any time. The Policy will be cancelled on the date we receive your letter or, if later, the date requested in your letter.

We may cancel the Policy if:

(1) the premium is not paid at the end of the grace period; or

(2) the number of Insureds is less than the Minimum Participation Number on the Schedule of Benefits; or

(3) the percentage of eligible persons insured is less than the Minimum Participation Percentage on the Schedule of Benefits.

If we cancel because of (1) above, the Policy will be cancelled at the end of the grace period. If we cancel because of (2) or (3) above, we will give you thirty-one (31) days written notice prior to the date of cancellation.

You will still owe us any premium that is not paid up to the date the Policy is cancelled. We will return, pro-rata, any part of the premium paid beyond the date the Policy is cancelled.

INDIVIDUAL ELIGIBILITY, EFFECTIVE DATE AND TERMINATION

GENERAL GROUP: The general group will be your employees and employees of any subsidiaries, divisions or affiliates named on the Schedule of Benefits.

ELIGIBLE CLASSES: The eligible classes will be those persons described on the Schedule of Benefits.

EFFECTIVE DATE OF INDIVIDUAL INSURANCE: If you pay the entire premium, the insurance for an eligible Person will go into effect on the date stated on the Schedule of Benefits.

If an eligible Person pays a part of the premium, he/she must apply in writing for the insurance to go into effect. He/she will become insured on the later of:

(1) the Individual Effective Date stated on the Schedule of Benefits, if he/she applies on or before that date; or

(2) the first of the month coinciding with or next following the date he/she applies, if he/she applies within thirty-one (31) days from the date he/she first met the eligibility requirements; or

(3) the first of the month coinciding with or next following the date we approve any required proof of good health. We require proof of good health if a person applies:

   (a) after thirty-one (31) days from the date he/she first becomes eligible; or
   (b) after he/she terminated this insurance but he/she remained in a class eligible for this insurance; or
   (c) for an Amount of Insurance greater than the Amount of Insurance shown on the Schedule of Benefits as not subject to our approval of a person's good health; or
   (d) for an Amount of Insurance greater than he/she was insured for under the prior group life insurance plan carrier, if applicable; or
   (e) after being eligible for coverage under a prior group life insurance plan for more than thirty-one (31) days but did not elect to be covered under that prior plan; or

(4) the date premium is remitted.

Changes in an Insured's amount of insurance are effective as shown on the Schedule of Benefits.

If the person is not actively at work on the day his/her insurance is to go into effect, the insurance will go into effect on the day he/she returns to active work for one full day.

TERMINATION OF INDIVIDUAL INSURANCE: The insurance of an Insured will terminate on the first of the following to occur:

(1) the date the Policy terminates; or

(2) the date the Insured ceases to be in a class eligible for this insurance; or

(3) the end of the period for which premium has been paid for the Insured; or

(4) the date the Insured enters military service (not including Reserve or National Guard).

CONTINUATION OF INDIVIDUAL INSURANCE: The insurance of an Insured may be continued, by payment of premium, beyond the date the Insured ceases to be eligible for this insurance, but not longer than:

(1) twelve (12) months, if due to illness or injury; or
(2) one (1) month, if due to temporary lay-off or approved leave of absence.

INDIVIDUAL REINSTATEMENT: The insurance of a terminated person may be reinstated if he/she is:

(1) on an approved leave of absence; or

(2) on temporary lay-off.

The person must return to active work with you within the period of time shown on the Schedule of Benefits. He/she must also be a member of a class eligible for this insurance.

The Person will not be required to fulfill the eligibility requirements of the Policy again. The insurance will go into effect on the day he/she returns to active work. If a Person returns after having resigned or having been discharged, he/she will be required to fulfill the eligibility requirements of the Policy again.

If a Person returns after terminating insurance at his/her request or for failure to pay premium when due, proof of good health must be approved by us before he/she may be reinstated.

CONVERSION PRIVILEGE

An Insured can use this privilege when his/her insurance is no longer in force. It has several parts. They are:

A. If the insurance ceases due to termination of employment or membership in any of this Policy's classes, an individual Life Insurance Policy may be issued. The Insured is entitled to a policy without disability or supplemental benefits. A written application for the policy must be made by the Insured within thirty-one (31) days after he/she terminates. The first premium must also be paid within that time. The issuance of the policy is subject to the following conditions:

   (1) The policy will, at the option of the Insured, be on any one of our forms, except for term life insurance. It will be the standard type issued by us for the age and amount applied for;

   (2) The policy issued will be for an amount not over what the Insured had before he/she terminated;

   (3) The premium due for the policy will be at our usual rate. This rate will be based on the amount of insurance, class of risk and the Insured's age at date of policy issue; and

   (4) Proof of good health is not required.

B. If the insurance ceases due to the termination or amendment of this Policy, an individual Life Insurance Policy can be issued. An Insured must have been insured for at least five (5) years under this Policy. The same rules as in A above will be used, except that the face amount will be the lesser of:

   (1) The amount of the Insured's Group Life benefit under this Policy. This amount will be less any amount he/she is entitled to under any group life policy issued by us or another insurance company; or

   (2) $5,000.

C. If the insurance reduces, as may be provided in this Policy, an individual Life Insurance Policy can be issued. The same rules as in A above will be used, except that the face amount will not be greater than the amount which ceased due to the reduction.

D. If an Insured dies during the time provided in A above in which he/she is entitled to apply for an individual policy, we will pay the benefit under the Group Policy that he/she was entitled to convert. This will be done whether or not the Insured applied for the individual policy.

E. Any policy issued with respect to A, B or C above will be put in force at the end of the thirty-one (31) day period in which application must be made.

PREMIUMS

PREMIUM PAYMENT: All premiums are to be paid by you to us, or to an authorized agent, on or before the due date. The premium due dates are stated on the Policy face page.

PREMIUM RATE: The premium due will be the rate per $1,000 of benefit multiplied by the entire amount of benefit volume then in force. We will furnish to you the premium rate on the Policy effective date and when it is changed. We have the right to change the premium rate:

(1) on any premium due date after the Policy is in force for 26 months;

(2) when the extent of coverage is changed by amendment; or

(3) on any premium due date on or after the Policy is in force for 12 months if the entire amount of the benefit volume changes by 15% or more from the entire amount of benefit volume on the Policy effective date.

We will not change the premium rate due to (1) or (3) above more than once in any twelve (12) month period. We will tell you in writing at least thirty-one (31) days before the date of a change due to (1) or (3) above.

GRACE PERIOD: You may pay the premium up to 31 days after the date it is due. The Policy stays in force during this time. If the premium is not paid during the grace period, the Policy will be cancelled at the end of the grace period. You will still owe us the premium up to the date the Policy is cancelled.

BENEFICIARY AND FACILITY OF PAYMENT

BENEFICIARY: The beneficiary will be as named in writing by the Insured to receive benefits at the Insured's death. This beneficiary designation must be on file with us or the Plan Administrator and will be effective on the date the Insured signs it. Any payment made by us before receiving the designation shall fully discharge us to the extent of that payment.

If the Insured names more than one beneficiary to share the benefit, he/she must state the percentage of the benefit that is to be paid to each beneficiary. Otherwise, they will share the benefit equally.

The beneficiary's consent is not needed if the Insured wishes to change the designation. His/her consent is also not needed to make any changes in this Policy.

If the beneficiary dies at the same time as the Insured, or within fifteen (15) days after his/her death but before we receive written proof of the Insured's death, payment will be made as if the Insured survived the beneficiary, unless noted otherwise.

If the Insured has not named a beneficiary, or the named beneficiary is not surviving at the Insured's death, any benefits due shall be paid to the first of the following classes to survive the Insured:

(1) the Insured's legal spouse;
(2) the Insured's surviving child(ren) (including legally adopted child(ren)), in equal shares;
(3) the Insured's surviving parents, in equal shares;
(4) the Insured's surviving siblings, in equal shares; or, if none of the above,
(5) the Insured's estate.

We will not be liable for any payment we have made in good faith.

FACILITY OF PAYMENT: If a beneficiary, in our opinion, cannot give a valid release (and no guardian has been appointed), we may pay the benefit to the person who has custody or is the main support of the beneficiary. Payment to a minor shall not exceed $1,000.

If the Insured has not named a beneficiary, or the named beneficiary is not surviving at the Insured's death, we may pay up to $500 of the benefit to the person(s) who, in our opinion, have incurred expenses in connection with the Insured's last illness, death or burial.

The balance of the benefit, if any, will be held by us, until an individual or representative:

(1) is validly named; or

(2) is appointed to receive the proceeds; and

(3) can give valid release to us.

The benefit will be held with interest at a rate set by us.

We will not be liable for any payment we have made in good faith.

SETTLEMENT OPTIONS

The Insured may elect a different way in which payment of the Amount of Insurance can be made. He/she must provide a written request to us, for our approval, at our Administrative Office. If the option covers less than the full amount due, we must be advised of what part is to be under an option. Amounts under $2,000 or option payments of less than $20.00 each are not eligible.

If no instructions for a settlement option are in effect at the death of the Insured, the beneficiary may make the election, with our consent.

OPTION A – FIXED TIME PAYMENT OPTION

Equal monthly payments will be made for any period chosen, up to thirty (30) years. The amount of each payment depends on the amount applied, the period selected and the payment rates we are using when the first payment is due. The rate of any monthly payment will not be less than shown in the table below. We reserve the right to change it. This change will apply only to requests for settlement elected after this change.

Option A Table
Minimum Monthly Payment Rates for each $1,000 Applied

6	15.14	12	8.24	18	5.96	24	4.84	30	4.18

OPTION B – FIXED AMOUNT PAYMENT OPTION

Each payment will be for an agreed fixed amount. The amount of each payment may not be less than $10.00 for each $1,000 applied. Interest will be credited each month on the unpaid balance and added to it. This interest will be at a rate set by us, but not less than the equivalent of 3% per year. Payments continue until the amount we hold runs out. The last payment will be for the balance only.

OPTION C – INTEREST PAYMENT OPTION

We will hold any amount applied under this section. Interest on the unpaid balance will be paid each month at a rate set by us. This rate will not be less than the equivalent of 3% per year.

If a beneficiary dies while receiving payments under one of these options and there is no contingent beneficiary, the balance will be paid in one sum to the proper representative of the beneficiary's estate, unless otherwise agreed to in the instructions for settlement.

Requests for settlement options other than the three (3) set out above may be made. A mutual agreement must be reached between the individual entitled to elect and us.

WAIVER OF PREMIUM IN EVENT OF TOTAL DISABILITY

We will extend the Amount of Insurance during a period of Total Disability for one (1) year if:

(1) the Insured becomes totally disabled prior to age 60;
(2) the Total Disability begins while he/she is insured;
(3) the Total Disability begins while this Policy is in force;
(4) the Total Disability lasts for at least 9 months;
(5) the premium continues to be paid; and
(6) we receive proof of Total Disability within one (1) year from the date it began.

After proof of Total Disability is approved by us, neither you or the Insured is required to pay premiums. Also, any premiums paid from the start of the Total Disability will be returned.

We will ask the Insured to submit annual proof of continued Total Disability. The Amount of Insurance may then be extended for additional one (1) year periods. The Insured may be required to be examined by a Physician approved by us as part of the proof. We will not require the Insured to be examined more than once a year after the insurance has been extended two (2) full years.

The Amount of Insurance extended will be limited to the amount of basic group life coverage on the life of the Insured that was in force at the time that Total Disability began excluding any additional benefits. This amount will not increase. This amount will reduce or cease at any time it would reduce or cease if the Insured had not been totally disabled. If the Insured dies, we will be liable under this extension only if written proof of death is received by us.

The Amount of Insurance extended for an Insured will cease on the earliest of:

(1) the date he/she no longer meets the definition of Total Disability; or
(2) the date he/she refuses to be examined; or
(3) the date he/she fails to furnish the required proof of Total Disability; or
(4) the date he/she becomes age 70; or
(5) the date he/she retires.

The Insured may use the conversion privilege when this extension ceases. Please refer to the Conversion Privilege section for rules. An Insured is not entitled to conversion if he/she returns to work and is again eligible for the insurance under this Policy. If the Insured uses the conversion privilege, benefits will not be payable under the Waiver of Premium in Event of Total Disability provision unless the converted policy is surrendered to us.

ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

Nothing in this section will change or affect any of the terms of the Policy other than as specifically set out in this section. All the Policy provisions not in conflict with these provisions shall apply to this section.

If an Insured suffers any one of the losses listed below, as a result of an Injury, we will pay the benefit shown. The loss must be caused solely by an accident that occurs while the person is insured, and must occur within 365 days of the accident. Only one benefit (the larger) will be paid for more than one loss resulting from any one accident. The Amount of Insurance can be found on the Schedule of Benefits.

Such child(ren) must be enrolled: (1) as a full-time student in any post-high school Educational Institution on the date of the Insured's death; or (2) in the 12th grade on the date of the Insured's death and subsequently enrolls as a full-time student in a post-high school Educational Institution within 1 year of the date of the Insured's death.

"Eligible Dependent Spouse" means an Insured's legal spouse who is not legally separated or divorced from the Insured on the date of his/her death and attends any post-high school Educational Institution for the purpose of obtaining a source of support.

"Educational Institution" includes, but is not limited to, any accredited university, college, trade school, vocational school or professional school.

"Academic Year" means the annual period of sessions of an Educational Institution, usually beginning in September and ending in June.

Termination of the Education Benefit - The Education Benefit will terminate for each Eligible Dependent on the earlier of:

(1) the end of the Maximum Benefit Period shown above; or
(2) the date any child no longer meets the definition of Eligible Dependent Child(ren) shown above.

Minimum Benefit

If there are no dependents who qualify for the Education Benefit, we will pay a minimum benefit of $1,000 to the Insured's eligible Survivor.

"Survivor" means an Insured's legal spouse, who is not legally separated or divorced from that Insured. If the Insured's spouse is not living, then "Survivor" means an Insured's unmarried child(ren) under age 20, who is financially dependent upon the Insured for support, including adoptive, foster and step-child(ren), who are in the custody of the Insured, and an Insured's unmarried child(ren) under age 26 who is attending a college or other school on a full-time basis and is financially dependent upon the Insured for support.

If there is more than one eligible surviving child, the benefit will be payable to each child in equal amounts.

If there are no eligible Survivors, no benefit will be payable.

A benefit payable to a minor may be paid to the minor's legally appointed guardian. If there is no guardian, at our option, we may pay the benefit to the adult that has, in our opinion, assumed the custody and main support of the minor. We will not be held liable for any payment we have made in good faith.

TOTAL LOSS OF USE

We will pay a Total Loss of Use Benefit according to the Schedule of Losses below if, due to an Injury sustained while insured under the Policy, the Insured suffers such a loss within 1 year of the date the Injury occurred provided:

(1) we receive proof that the Insured has experienced a permanent Total Loss of Use for 12 consecutive months from the date the Injury occurred; and
(2) no benefit is payable under the Policy for the same loss under the Accidental Death and Dismemberment Benefit.

NOTICE OF PROTECTION PROVIDED BY
IOWA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the Iowa Life and Health Insurance Guaranty Association (the "Association") and the protection it provides for policyholders. This safety net was created under Iowa law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Iowa law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

Life Insurance
- o $300,000 in death benefits
- o $100,000 in cash surrender and withdrawal values

Health Insurance
- o $500,000 in basic hospital, medical-surgical or major medical insurance benefits
- o $300,000 in disability income protection insurance benefits
- o $300,000 in long-term care insurance benefits
- o $100,000 in other types of health insurance benefits

Annuities
- o $250,000 in annuity benefits, cash surrender and withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $350,000. Special rules may apply with regard to hospital, medical-surgical and major medical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. If coverage is available, it will be subject to substantial limitations and exclusions. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements under Iowa law.

To learn more about the Association and the protections it provides, as well as those relating to group contracts or retirement plans, please visit the Association's website at www.ialifega.org, or contact:
