

# Easily find an in-network provider near you

Nomi Health's new provider search tool helps you find the care you need at little-to-no cost to you

## How it works

1. Visit **nomihealth.com/provider-search** or scan the code on the right
2. Add the **group ID** on your major medical card or your Nomi Health ID Card
3. Select the **type of care** you're interested in or search for the provider you're looking for
4. Enter your **ZIP code**

Scan the code to find  
a provider in your area

### Search for care

Part of a High Deductible Plan? Call a care navigator: **855-601-1900**

Once you have found a provider, get scheduled by contacting a Care Guide at:

**855-601-1900**

**getcare@nomihealth.com**

If your search ends with no results, please refresh your browser and try searching again. If the problem persists, or you can't find what you are looking for, please contact a Care Guide for further assistance. They will help you find and schedule the provider you need close to home and at zero dollars out-of-pocket.\*

\*Nomi Health is a benefit designed to be a no-cost offering to employees. The IRS requires a federal minimum deductible for designated QHDHP/HSA plans. With these plan types, Employers cannot provide first-dollar coverage prior to the member meeting their federal minimum deductible (\$1,600 ind/\$3,200 fam for 2024).
