

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-888-682-4269. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider or other underlined terms see the Glossary. You may view the Glossary at healthcare.gov/sbc-glossary or call 1-888-682-4269 to request a copy.

Important Questions	Answers	Why This Matters:
<u>What is the overall deductible?</u>	Single Plan: \$2,000 employee Family Plan: \$2,000 person/\$4,000 family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<u>Are there services covered before you meet your deductible?</u>	Yes. In-network <u>preventive services</u> and physician office visits are some of the services covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at healthcare.gov/coverage/preventive-care-benefits.
<u>Are there other deductibles for specific services?</u>	No.	You don't have to meet <u>deductibles</u> for specific services.
<u>What is the out-of-pocket limit for this plan?</u>	Single Plan: \$4,000 employee Family Plan: \$4,000 person/\$8,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> is met.
<u>What is not included in the out-of-pocket limit?</u>	<u>Preauthorization penalties</u> , <u>premiums</u> , <u>balance-billing</u> charges and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<u>Will you pay less if you use a network provider?</u>	Yes. See hpiTPA.com to access a list of EHN and PHCS service providers; select the "My Provider Networks" for complete list of or call 1-888-682-4269 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You pay less if you use a <u>provider</u> in the <u>plan's network</u> . You pay the most if you use an <u>out-of-network provider</u> and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance-billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<u>Do you need a referral to see a specialist?</u>	No.	You may see a <u>specialist</u> you choose without a <u>referral</u> .
