MetLife | Small Business

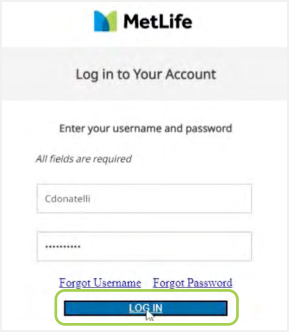

Access your dental ID card.

Need pertinent information for an upcoming appointment? Want to print your card? Everything you need can be downloaded from your dashboard.

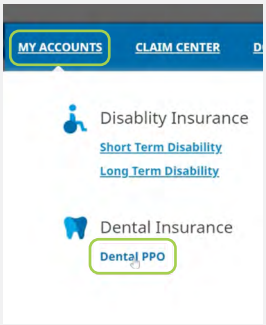

How to:

1

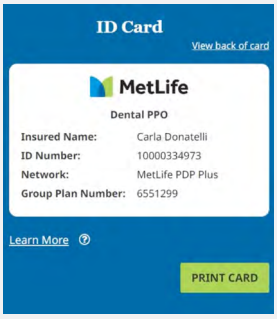

Login to your employee **dashboard**.

2

Click on **My Accounts** and then on **Dental PPO**.

3

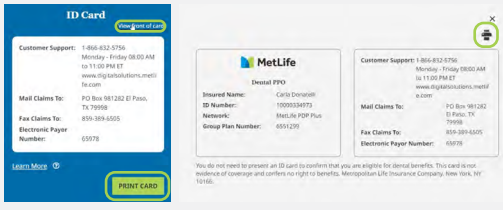

Once on the dental section, **scroll down to find the ID Card**.

4

Review your **insured information** and **dental coverage network**.

5

View the back of the card directly on the site, or **print your ID Card using the printer icon**.
