ABOUT AIRMEDCARE NETWORK

If you or a household member experience a life or limb-threatening emergency, our alliance of air ambulances can provide medical transport — dramatically reducing travel time to an emergency treatment facility. AirMedCare Network is America's largest air medical membership network, providing financial coverage for emergency air medical transport. As an AMCN member, you're covered by over 320 locations across 38 states, including Alaska & Hawaii.

AMCN providers respond to scene calls and provide hospital-to-hospital transports—carrying seriously ill or injured patients to the nearest appropriate medical facility. Expenses for emergency air medical transport can put stress on your finances. With an AMCN membership, you will have no out-of-pocket expenses only if flown by an AMCN provider.
