NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
- **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. To learn more about coverages provided by the Association, please visit the Association's website at www.califega.org, or contact either of the following:

California Life and Health Insurance
Guarantee Association
P.O. Box 16860,
Beverly Hills, CA 90209-3319
(323) 782-0182

California Department of Insurance
Consumer Communications Bureau
300 South Spring Street
Los Angeles, CA 90013
(800) 927-4357

Insurance companies and agents are not allowed by California law to use the existence of the Association or its coverage to solicit, induce or encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and California law, then California law will control.

**NOTICE CONCERNING COVERAGE LIMITATIONS
AND EXCLUSIONS UNDER THE HAWAII LIFE AND
DISABILITY INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Hawaii who purchase life insurance, annuities, or disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Hawaii Life and Disability Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumer's care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Hawaii Life and Disability Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Hawaii. You should not rely on coverage by the Hawaii Life and Disability Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is *NOT* provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

The state law that provides for this safety-net coverage is called the Hawaii Life and Disability Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

(please turn to back of page)

COVERAGE

Generally, individuals will be protected by the Hawaii Life and Disability Insurance Guaranty Association if they live in this state and hold a life or disability insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if –

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state); or
- the insurer was not a member insurer of the Guaranty Association. A nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or an insurance exchange are examples of nonmember insurers.

The Guaranty Association also does **not** provide coverage for –

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employer's plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Guaranty Association is obligated to pay out. The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 in disability insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits and with regard to one owner of multiple non-group policies of life insurance.

Your Certificate has been changed as follows. Please keep this endorsement with your Certificate. This endorsement is subject to all other terms of the Policy.

If any riders include an EXTENSION FOLLOWING DEATH and/or an EXTENSION FOLLOWING DEATH OR DIVORCE provision, then all references below to "Portability" mean Extension.

I. SPOUSE HOSPITAL CONFINEMENT INDEMNITY RIDER

If your Certificate includes a Spouse Hospital Confinement Indemnity Rider, then the PORTABILITY FOLLOWING DEATH OR DIVORCE provision on that rider is replaced by the following:

MINNESOTA CONTINUATION FOLLOWING DEATH OR DIVORCE

If you die or divorce, your Spouse can elect to maintain Spouse coverage if certain conditions are met. Upon your Spouse's request, the Employer will provide your Spouse with information about the cost of maintaining coverage under this provision and how to elect continuation. Your Spouse must have been insured under this rider on the date of your death or divorce, and your Spouse must elect continuation and pay the first premium within 90 days of the date of your death or divorce.

Premiums will be billed directly to your Spouse. Ongoing premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time your Spouse becomes eligible for this continuation. We may change the premium rates at any time upon 60 days written notice to your Spouse.

Coverage maintained under this provision will end on the earliest of the following:

- The date coverage would otherwise terminate for the Spouse according to this rider's TERMINATION provision.
- The date your Spouse becomes covered under any group hospital confinement or other fixed indemnity policy as an employee, member or spouse.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

II. CHILDREN'S HOSPITAL CONFINEMENT INDEMNITY RIDER

If your Certificate includes a Children's Hospital Confinement Indemnity Rider, then the PORTABILITY FOLLOWING DEATH provision on that rider is replaced by the following:

MINNESOTA CONTINUATION FOLLOWING DEATH

If you die while this rider is in force, Children's coverage can be maintained if certain conditions are met. Your Children must have been insured under this rider on the date of your death. Children may be covered only if they would have been eligible for coverage under the eligibility rules in force prior to your death.

If your Spouse has elected Minnesota continuation under the Spouse Hospital Confinement Indemnity Rider, then your Spouse may also elect continuation of this Children's Hospital Confinement Indemnity Rider at the same time. If you do not have an eligible Spouse insured under the Spouse Hospital Confinement Indemnity Rider at the time of your death, then each eligible Child insured under the Children's Hospital Confinement Indemnity Rider may elect Minnesota continuation and pay the first premium within 90 days of the date of your death.

Upon request of your Spouse, Child or the Child's legal guardian, the Employer will provide that person with information about the cost of maintaining coverage under this provision and how to elect this continuation.

Premiums will be billed directly to your Spouse, Child or Child's legal guardian as applicable. Ongoing premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time your Child becomes eligible for this continuation. We may change the premium rates at any time upon 60 days written notice to your Spouse, Child or Child's legal guardian as applicable.

If your Spouse or the Child's legal guardian dies while a Child's coverage is in force under this provision, then the Child or their new legal guardian must contact us within 31 days of the death for information about how to maintain the Child's coverage under this provision.

Each Child's coverage maintained under this provision will end on the earliest of the following:

- The date coverage would otherwise terminate for the Child according to this rider's TERMINATION provision.
- The end of the period for which premium are paid for the Child, if the next required premium contribution is not paid, subject to the GRACE PERIOD provision in the Certificate.
- The date the Child becomes covered under any group hospital confinement or other fixed indemnity policy as an employee, member, spouse or child.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

If your Children's Hospital Confinement Indemnity Rider does not include a PORTABILITY FOLLOWING DEATH provision, then the provision above is added to the rider.

The following provisions are also added to the Children's Hospital Confinement Indemnity Rider:

MINNESOTA CONTINUATION FOLLOWING DIVORCE

If you divorce and your former spouse has elected Minnesota continuation under the Spouse Hospital Confinement Indemnity Rider, then this Children's Hospital Confinement Indemnity Rider can be maintained under your former spouse's coverage for each child whose coverage would otherwise terminate due to the divorce. Upon your former spouse's request, the Employer will provide your former spouse with information about the cost of maintaining coverage under this provision and how to elect continuation.

Premiums will be billed directly to your former spouse. Ongoing premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time the child becomes eligible for this continuation. We may change the premium rates at any time upon 60 days written notice to your former spouse.

If your former spouse dies while a child's coverage is in force under this provision, then the child or their legal guardian must contact us within 31 days of the death for information about how to maintain the child's coverage under this provision.

MINNESOTA CONTINUATION WHEN YOUR CHILD NO LONGER MEETS THE DEFINITION OF CHILD

If your Child's coverage under this rider would otherwise terminate because the child no longer meets the definition of Child in this rider, for a reason other than your death or divorce, then the child can elect to maintain Child coverage under this rider for a period of time. The child (or the child's legal guardian) must elect continuation and pay the first premium within 90 days of the date of loss of eligibility.

Upon request of the child or the child's legal guardian, the Employer will provide that person with information about the cost of maintaining coverage under this provision and how to elect this continuation.

Premiums will be billed directly to the child or child's legal guardian as applicable. Ongoing premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time the child becomes eligible for this continuation. We may change the premium rates at any time upon 60 days written notice to the child or child's legal guardian as applicable.

If the child's legal guardian dies while the child's coverage is in force under this provision, then the child or their new legal guardian must contact us within 31 days of the death for information about how to maintain the child's coverage under this provision.

A child's coverage maintained under this provision will end on the earliest of the following:

- 36 months after the date continuation under this provision started.

- The date the child becomes covered under any group hospital confinement or other fixed indemnity policy as an employee, member, spouse or child.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

Any references to Portability in the BENEFIT PAYMENTS provision on the Children's Hospital Confinement Indemnity Rider are replaced by the following:

For MINNESOTA CONTINUATION FOLLOWING DIVORCE, benefits will be paid to your former spouse, and any accrued benefits unpaid at your former spouse's death will be paid to your former's spouse's estate. For MINNESOTA CONTINUATION FOLLOWING DEATH or MINNESOTA CONTINUATION WHEN YOUR CHILD NO LONGER MEETS THE DEFINITION OF CHILD, benefits will be payable to the person responsible for premium payments for that child, and any accrued benefits unpaid at that person's death will be payable to that person's estate.

If your Children's Hospital Confinement Indemnity Rider does not include references to Portability in the BENEFIT PAYMENTS provision, then the above statements are added to the BENEFIT PAYMENTS provision on the rider.

III. ACCIDENT BENEFIT RIDER

If your Certificate includes an Accident Benefit Rider, then the PORTABILITY FOLLOWING DEATH OR DIVORCE provision on that rider is replaced by the following:

MINNESOTA CONTINUATION FOLLOWING DEATH OR DIVORCE

If you die or divorce and your Spouse's or Child's coverage is being maintained under the Spouse Hospital Confinement Indemnity Rider or Children's Hospital Confinement Indemnity Rider, then this rider can also be maintained under that person's coverage.

If your Accident Benefit Rider does not include a PORTABILITY FOLLOWING DEATH OR DIVORCE provision, then the provision above is added to the rider.

The following provision is added to the rider:

SPOUSE ENDORSEMENT FOR NEW HAMPSHIRE RESIDENTS

Your Certificate(s) and Spouse rider(s) have been changed as follows. Please keep this endorsement with your Certificate(s). This endorsement is subject to all other terms of the Policy.

If your Certificate contains definitions of "You and Your" and "We, Us and Our", then all references to "you" and "your" in this endorsement mean "You and Your" as defined in your Certificate, and all references to "we" and "us" and "our" in this endorsement mean "We, Us and Our" as defined in your Certificate.

I. CONTINUATION FOLLOWING DIVORCE OR LEGAL SEPARATION

If you divorce or legally separate, and the final decree of divorce or legal separation does not expressly prohibit continuation of coverage for your former Spouse, then your former Spouse can elect to continue Spouse coverage for a limited time. The former Spouse must have been insured under our Policy as your Spouse on the date before the date of divorce or legal separation. In order to continue coverage under this provision, the former Spouse has 30 days after the date of divorce or legal separation in which to make the election, pay the first premium, and provide us with the final decree of divorce or legal separation.

When we put the former Spouse on continuation under this provision, the former Spouse becomes the owner of that Spouse coverage under the Policy. All Spouse benefits are payable to the former Spouse. Premiums will be billed directly to the former Spouse. Continued premium payment is required to keep coverage in force. The benefits and premium rates for Spouse coverage continued under this provision will remain the same as though the former Spouse were still eligible as your lawful Spouse. Spouse coverage may not be increased.

Spouse coverage continued under this provision will end on the earliest of the following:

- The 3-year anniversary of the final decree of divorce or legal separation.
- The date of the former Spouse's remarriage.
- The date of your remarriage.
- The date the former Spouse dies.
- The date you die.
- The end date of coverage, if any, as provided by the final decree of divorce or legal separation.
- The end of the period for which the former Spouse paid premiums, if the former Spouse stops making a required premium contribution, subject to the grace period.
- The date the Policy terminates.

If all of the following are true:

- the former Spouse's coverage was being continued under a similar provision of the Employer's prior group policy that provided the same type of coverage as our Policy,
- your coverage under the prior policy is replaced by coverage under our Policy, and
- the former Spouse's coverage under the prior policy stops due to the prior policy's termination,

then the former Spouse can elect to continue the Spouse coverage for the remainder of the time period described above while our Policy is in force. The benefits, premium rates and all other terms for continued Spouse coverage are subject to the terms of our Policy. In order to continue Spouse coverage, the former Spouse has 30 days after your coverage effective date under our Policy in which to make the election, pay the first premium, and provide us with proof of their eligibility for continuation under the prior policy.

NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE SOUTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of South Dakota who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the South Dakota Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policy owners, contract owners, and certificate owners will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Guaranty Association does not provide coverage for all types of life, health, or annuity benefits, and the Guaranty Association may not provide coverage for this policy or contract. If coverage is provided, it may be subject to substantial limitations or exclusions, and required continued residency in South Dakota. You should not rely on coverage by the South Dakota Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy or contract.

Coverage is NOT provided for your policy or contract for any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association for the purpose of sales, solicitation, or inducement to purchase any kind of insurance policy or contract.

The state law that provides for this safety-net coverage is called the South Dakota Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are an insured certificateholder under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Coverage is also provided by the Guaranty Association to persons eligible to receive payment under structured settlement annuities who are residents of this state and, under certain conditions, such persons even if they are not a resident of this state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy or contract was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy owner, contract owner or certificate owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does **not** provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate specified by statute;
- dividends;
- credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals);
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer; or
- policies providing health care benefits for Medicare Parts C or D Coverage.

LIMITS ON AMOUNT OF COVERAGE

The Guaranty Association in no event will pay more than what an insurance company would owe under a policy or contract. In addition, state law limits the amount of benefits the guaranty association will pay for any one insured life, and no matter how many policies or contracts there are with the same company, as follows: (i) for life insurance, not more than \$300,000 in death benefits and not more than \$100,000 in net cash surrender and net cash withdrawal values; (ii) for health benefit plans, not more than \$500,000, but not more than \$300,000 for disability insurance and long term care insurance, and not more than \$100,000 for other types of health insurance, and (iii) for annuities, not more than \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values. However, in no event will the Guaranty Association be obligated to cover more than an aggregate of \$300,000 in benefits with respect to any one life except with respect to health benefit plans, for which the aggregate liability of the guaranty association may not exceed \$500,000. These general statements of the limits on coverage are only summaries and the actual limitations are set forth in South Dakota law.

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies. (For the purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs) and limited health plans.)

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 for disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in the present value of annuity benefits in aggregate, including any net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical, and surgical insurance benefits.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Utah law.

To learn more about the above protections, please visit the Association's website at www.utlifega.org, or contact:
