Cancer Plan Health Benefit Screening Rider

Your annual well care is an important part of your health maintenance program and is your best bet for early detection of significant health risks. Numerous studies have shown that early detection helps save lives and increases treatment options. In recognition of this your cancer plan has an annual wellness benefit that is payable to each covered individual under your plan. Please refer to the specific policy certificate for details.

Covered Person	Benefit Amount	Maximum Tests Per Covered Person Per Calendar Year
Employee	Plan 1 and 2 $50/Plan 3 $75	1
Spouse	Plan 1 and 2 $50/Plan 3 $75	1
