**RediMD gives you the option to have a regular doctor's visit online or by phone. No Copay Required. Visit us at :**

**[www.redimd.com](http://www.redimd.com)**

- ***Any time you need to see or speak with a doctor***
  - ***We are "Always Open"***
- RediMD provides primary medical care online via webcam, smart phone, or by telephone. You can see and speak with a physician or other medical professional who can diagnose, recommend treatment and prescribe medications if needed.

RediMD service is available for you to use

- At your home during days, nights, and weekends for you and your family
- **If you and your dependents are covered under Aldine ISD medical insurance then you have free access to RediMD.**
- **If you are not covered under Aldine ISD medical insurance then you, the employee, can have access to RediMD with a cost of \$35/visit.**

**\*aldineisd** code for employees with Aldine ISD insurance
