

Eligible Expenses for Your Limited Purpose Flexible Spending Accounts

Knowing which types of expenses are eligible is an important step in managing your Limited Purpose FSA. A Limited Purpose FSA is for eligible dental and vision expenses only.

You can check expenses on-the-go using the interactive item eligibility scanner in your Voya Health Account Solutions app.

Eligible expenses include:

Dental Expenses:

- Dental office visits
- Braces
- Fillings
- Orthodontia
- Dentures
- Bridges
- Crowns

Vision Expenses:

- Office visit copays
- Eye exams
- Prescription glasses
- Contact lenses
- LASIK

To learn more, see the eligible expense list and search tool at FSA Store.

Keep your receipts

Be sure to keep your receipts for any eligible purchases — even when using your debit card to pay.

IRS rules require documentation to confirm that an expense is eligible to be paid through your Limited Purpose FSA. Receipts make it easy for you to reimburse yourself or provide documentation for a debit card.

The IRS can update its list at any time. Consult your tax advisor or see IRS publication 502 or IRS publication 969 for more information.
