Cleaning the gutters. Yoga class. Soccer practice. Life offers plenty of opportunities for accidental injuries. When an injury happens, Accident Insurance can help. This document includes expanded cost and benefit information for Accident Insurance. As you explore, keep in mind:

No medical questions or tests are required for Accident coverage.

Employees get an annual Wellness Benefit of \$50 for completing an eligible health screening test.

Benefit payments go directly to you. Use them how you'd like!

Accident Insurance doesn't replace your medical coverage; instead, it complements it. **The benefit payments don't go out to pay for medical bills or treatments you may need, instead they come in—directly to you—to be used however you'd like.** Choose this supplemental health insurance product for added protection if one of the following covered conditions comes your way.

Accident Insurance is a limited benefit policy. It is not health insurance, and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

How much does it cost?

The cost provided below includes Accident Insurance premium and a fee for Voya Travel Assistance.

Accident Insurance

"Spouse" may include domestic partners or civil union partners as defined by your employer's plan. If you have coverage on yourself, your natural children, stepchildren, adopted children or children for whom you are legal guardian can be covered up to age 26. Your children will be covered for the same benefit amounts as you. One premium amount covers all of your eligible children.
