Cybersecurity AND YOUR BENEFITS

Cyber threats don't stop at work. *Your benefits may help* reduce the impact of identity theft and provide support if your information is compromised.

Know the Risk

Data breaches can expose:

- Social Security numbers
- Bank, credit card, and financial information
- Health and benefits data
- Login credentials and passwords

Use Your Benefits*

Your benefits package may include:

- Identity theft monitoring and restoration services
- Credit monitoring alerts
- Pre-paid legal service
- Financial wellness or counseling resources

Act Fast if Exposed

If your information is compromised:

- Monitor accounts and reports
- Change your passwords immediately
- Verify your Multi-Factor Authentication
- Place a fraud alert or credit freeze

Need Help After a Breach?

Your benefits may include identity restoration, legal services, or financial support resources. Find additional tools and recovery guidance. Scan to visit CISA.gov.

You may also report cybercrime through IC3.gov and seek assistance from local law enforcement.

** Benefits vary by plan. Check your benefits resources for details.*
