SCHEDULE OF BENEFITS

Policy Effective Date: January 1, 2025

Policy Anniversary Date: January 1

Policy Number: SLH-100038

Eligible Class Definition:

All active, Full-time Employees of the Employer regularly working a minimum of 30 hours per week in the United States, who are citizens or permanent resident aliens of the United States.

Eligible Employees who are in Active Service as of the last scheduled work day of the Employer's contract year shall remain eligible until the last day of the Employer's contract year, subject to payment of premium as required by the Policy.

Eligibility Waiting Period

If you were hired on or before the Policy Effective Date: The first of the month following the date of hire

If you were hired after the Policy Effective Date: The first of the month following the date of hire

The *Eligibility Waiting Period* does not apply if a former Employee is rehired within 3 months after his or her termination from employment and the former Employee had satisfied the *Eligibility Waiting Period* prior to his or her termination date. If a former Employee did not fully satisfy the *Eligibility Waiting Period* prior to his or her termination date, credit will be given for any time that was satisfied.

Elimination Period

	<u>Accident</u>	<u>Sickness</u>
Option 1:	0 days	7 days
Option 2:	14 days	14 days
Option 3:	30 days	30 days
Option 4:	60 days	60 days
Option 5:	90 days	90 days
Option 6:	180 days	180 days

For any selected Elimination Period of 30 days or less, the Elimination Period will be waived if the Employee is hospital confined as an inpatient.

Any Employee insured under the disability plan may enroll in a plan option with a shorter Elimination Period during a subsequent open enrollment. If an Employee becomes Disabled and is subject to the Pre-Existing Condition Limitation for any period of Disability caused or contributed by, or resulting from, a Pre-Existing Condition, benefits may be paid on a limited basis as outlined in the Pre-Existing Condition Waiver provision. Once benefits have been exhausted under the Pre-Existing Condition Waiver provision they may recommence if the Elimination Period of the previously elected option and all other provisions of the disability plan are satisfied.

Gross Disability Benefit

An amount elected by an Employee in multiples of \$100 subject to a maximum of \$8,000 per month. The amount elected cannot exceed 66.67% of an Employee's pre-disability income, rounded to the nearest \$100, if not already a multiple thereof.

The lesser of the percent of your monthly Covered Earnings listed above, rounded to the nearest dollar, or the Maximum Disability Benefit.

Minimum Disability Benefit

The greater of \$100 or 25% of your Monthly Benefit prior to any reductions for Other Income Benefits.

Disability Benefit Calculation

The Disability Benefit payable to you is figured using the Gross Disability Benefit, Other Income Benefits and the Return to Work Incentive. Monthly Benefits are based on a 30-day month. The Disability Benefit will be prorated if payable for any period less than a month.

During any month you have no Disability Earnings, the monthly benefit payable is the Gross Disability Benefit less Other Income Benefits. During any month you have Disability Earnings, benefits are determined under the Return to Work Incentive. Benefits will not be less than the minimum benefit shown in the Schedule of Benefits except as provided under the section Minimum Benefit.

"Other Income Benefits" means any benefits listed in the Other Income Benefits provision that you receive on your own behalf or for your dependents, or which your dependents receive because of your entitlement to Other Income Benefits.

Return to Work Incentive

During any month you have Disability Earnings, your benefits will be calculated as follows.

Your monthly benefit payable will be calculated as follows during the first 24 months disability benefits are payable and you have Disability Earnings:

1. Add your Gross Disability Benefit and Disability Earnings.
2. Compare the sum from 1. to your Indexed Earnings.
3. If the sum from 1. exceeds 100% of your Indexed Earnings, then subtract the Indexed Earnings from the sum in 1.
4. Your Gross Disability Benefit will be reduced by the difference from 3., as well as by Other Income Benefits.
5. If the sum from 1. does not exceed 100% of your Indexed Earnings, your Gross Disability Benefit will be reduced by Other Income Benefits.

After disability benefits are payable for 24 months, the monthly benefit payable is the Gross Disability Benefit reduced by Other Income Benefits and 50% of Disability Earnings.

No Disability Benefits will be paid, and insurance will end if we determine you are able to work under a modified work arrangement and you refuse to do so without Good Cause.

ENROLLING FOR INSURANCE

Annual Enrollment Period

During the Annual Enrollment Period, if you are insured for Core Benefits under this Policy, you may elect to be insured for Optional Benefits provided by this Policy without satisfying the Insurability Requirement.

WHO IS ELIGIBLE

If you qualify under the Class Definition shown in the Schedule of Benefits you are eligible for coverage under the Policy on the Policy Effective Date, or the day after you complete the Eligibility Waiting Period, if later. The Eligibility Waiting Period is the period of time you must be in Active Service to be eligible for coverage. Your Eligibility Waiting Period will be extended by the number of days you are not in Active Service.

Except as noted in the Reinstatement Provision, if you terminate your coverage and later wish to reapply, or if you are a former Employee who is rehired as shown on the Schedule of Benefits, you must satisfy a new Eligibility Waiting Period. You are not required to satisfy a new Eligibility Waiting Period if as shown in the Schedule of Benefits your insurance ends because you no longer qualify under your Class Definition, but you continue to be employed, and within one year you qualify again.

TL-004710

WHEN COVERAGE BEGINS

If you are required to contribute toward the cost of your insurance you may elect insurance for you only by authorizing payroll deduction in a form approved by the Employer and us. The effective date of your insurance depends on the date and amount of insurance elected.

If the coverage is elected within 31 days after the individual becomes eligible, during an Annual Enrollment Period or within 31 days after a Life Status Change, this insurance will be effective on the latest of the following dates.

1. The Policy Effective Date.
2. The date payroll deduction is authorized for this insurance.
3. The date the Employer or us receives the completed enrollment form.

If an enrollment form is received more than 31 days after an individual is eligible to elect coverage, this insurance will be effective on the date the Insurance Company agrees in writing to insure that eligible person. The Insurance Company will require the eligible person to satisfy the Insurability Requirement before it agrees to insure him or her.

If you are not in Active Service on the date insurance would otherwise be effective, it will be effective on the date you return to Active Service.

TL-004712

WHEN COVERAGE ENDS

Your coverage ends on the earliest of the following dates:

1. the date you are eligible for coverage under a plan intended to replace this coverage;
2. the date the Policy is terminated;
3. the date you are no longer in an eligible class;
4. the day after the end of the period for which premiums are paid;
5. the date you are no longer in Active Service;
6. the date benefits end because you did not comply with the terms and conditions of the insurance coverage.

If you are entitled to receive Disability Benefits when the Policy terminates, Disability Benefits will be payable to you if you remain disabled and meet the requirements for the insurance. Any later period of Disability, regardless of cause, that begins when you are eligible under another disability coverage provided by any employer, will not be covered.

TL-007505.00

WHEN COVERAGE CONTINUES

This provision modifies the When Coverage Ends provision to allow insurance to continue under certain circumstances if you are no longer in Active Service. Insurance that is continued under this provision is subject to all other terms of the When Coverage Ends provisions.

Your Disability Insurance will continue if your Active Service ends because of a Disability for which benefits under the Policy are or may become payable. Your premiums will be waived while Disability Benefits are payable. If you do not return to Active Service, this insurance ends when your Disability ends or when benefits are no longer payable, whichever occurs first.

If your Active Service ends due to an approved leave pursuant to the Family and Medical Leave Act (FMLA), insurance will continue up to the later of 6 months, the period of your approved FMLA leave or the leave period required by law in the state in which you are employed. Premiums are required for this coverage.

If your Active Service ends due to any other leave of absence approved in writing by the Employer prior to the date you cease work, insurance will continue for you for up to 30 days. Premiums are required for this coverage. An approved leave of absence does not include Furlough, Temporary Layoff or termination of employment.

If your Active Service ends due to any other excused short term absence from work that is reported to the Employer timely in accordance with the Employer's reporting requirements for such short term absence, your insurance will continue until the earlier of:

- a. the date your employment relationship with the Employer terminates;
- b. the date premiums are not paid when due;
- c. the end of the 30 day period that begins with the first day of such excused absence;
- d. the end of the period for which such short term absence is excused by the Employer.

Notwithstanding any other provision of this policy, if your Active Service ends due to layoff, termination of employment or any other termination of the employment relationship, insurance will terminate and continuation of insurance under this provision will not apply.

If your insurance is continued pursuant to this When Coverage Continues provision, and you become Disabled during such period of continuation, Disability Benefits will not begin until the later of the date the Elimination Period is satisfied or the date you are scheduled to return to Active Service.

TL-009970.00

TAKEOVER PROVISION

This provision applies to you only if you are eligible under this Policy and were covered for long term disability coverage on the day prior to the effective date of this Policy under the Prior Plan provided by the Policyholder or by an entity that has been acquired by the Policyholder.

- A. This section A applies to you if you are not in Active Service on the day prior to the effective date of this Policy due to a reason for which the Prior Plan and this Policy both provide for continuation of insurance. If required premium is paid when due, we will insure an Employee to which this section applies against a disability that occurs after the effective date of this Policy for the affected employee group. This coverage will be provided until the earlier of the date: (a) you return to Active Service, (b) continuation of insurance under the Prior Plan would end but for termination of that plan; or (c) the date continuation of insurance under this Policy would end if computed from the first day you were not in Active Service. The Policy will provide this coverage as follows:
1. If benefits for a disability are covered under the Prior Plan, no benefits are payable under this Plan.
 2. If the disability is not a covered disability under the Prior Plan solely because the plan terminated, benefits payable under this Policy for that disability will be the lesser of: (a) the disability benefits that would have been payable under the Prior Plan; and (b) those provided by this Policy. Credit will be given for partial completion under the Prior Plan of Elimination Periods and partial satisfaction of pre-existing condition limitations.
- B. The Elimination Period under this Policy will be waived for a Disability which begins while you are insured under this Policy if all of the following conditions are met:
1. The Disability results from the same or related causes as a Disability for which monthly benefits were payable under the Prior Plan;
 2. Benefits are not payable for the Disability under the Prior Plan solely because it is not in effect;
 3. An Elimination Period would not apply to the Disability if the Prior Plan had not ended;
 4. The Disability begins within 6 months of your return to Active Service and your insurance under this Policy is continuous from this Policy's Effective Date.
- C. Except for any amount of benefit in excess of a Prior Plan's benefits, the Pre-existing Condition Limitation will not apply if you were covered under a Prior Plan and satisfied the pre-existing condition limitation, if any, under that plan. If you did not fully satisfy the pre-existing condition limitation of that plan, credit will be given for any time that was satisfied under the Prior Plan's pre-existing condition limitation.

Benefits will be determined based on the lesser of: (1) the amount of the Gross Disability Benefit under the Prior Plan and any applicable maximums; and (2) those provided by this Policy.

If benefits are payable under the Prior Plan for the Disability, no benefits are payable under this Policy.

TL-005108

DESCRIPTION OF BENEFITS WHAT IS COVERED

Disability Benefits

We will pay Disability Benefits if you become Disabled while covered under this Policy. You must satisfy the Elimination Period, be under the Appropriate Care of a Physician, and meet all the other terms and conditions of the Policy. You must provide to us, at your own expense, satisfactory proof of Disability before benefits will be paid. The Disability Benefit is shown in the Schedule of Benefits.

We will require continued proof of your Disability for benefits to continue.

Elimination Period

The Elimination Period is the period of time you must be continuously Disabled before Disability Benefits are payable. The Elimination Period is shown in the Schedule of Benefits.

A period of Disability is not continuous if separate periods of Disability result from unrelated causes.

Disability Benefit Calculation

The Disability Benefit Calculation is shown in the Schedule of Benefits. Monthly Disability Benefits are based on a 30 day period. They will be prorated if payable for any period less than a month. If you are working while Disabled, the Disability Benefit Calculation will be the Return to Work Incentive.

Return to Work Incentive

The Return to Work Incentive is shown in the Schedule of Benefits. You may work for wage or profit while Disabled. In any month in which you work and a Disability Benefit is payable, the Return to Work Incentive applies.

We will, from time to time, review your status and will require satisfactory proof of earnings and continued Disability.

Minimum Benefit

We will pay the Minimum Benefit shown in the Schedule of Benefits despite any reductions made for Other Income Benefits. The Minimum Benefit will not apply if benefits are being withheld to recover an overpayment of benefits.

Other Income Benefits

If Disability Benefits are payable to you under this Policy, you may be eligible for benefits from Other Income Benefits. If so, we may reduce the Disability Benefits by the amount of such Other Income Benefits.

Other Income Benefits include:

- 1.1. any amounts received (or assumed to be received*) by you or your dependents under:
 - the Canada and Quebec Pension Plans;
 - the Railroad Retirement Act;
 - any local, state, provincial or federal government disability, paid leave or retirement plan or law provided as a result of employment with the Employer, which are payable for an absence from work for which Disability Benefits are payable under this Policy;
 - any sick leave, salary continuation, or paid time off plan of the Employer.
- 1.2. any Social Security disability or retirement benefits you or any third party receive (or are assumed to receive*) on your own behalf or for your dependents; or which your dependents receive (or are assumed to receive*) because of your entitlement to such benefits.

- 1.3. any Retirement Plan benefits funded by the Employer, including any income available under a State Teacher Retirement System and union sponsored retirement plans. "Retirement Plan" means any defined benefit or defined contribution plan sponsored or funded by the Employer. It does not include an individual deferred compensation agreement; a profit sharing or any other retirement or savings plan maintained in addition to a defined benefit or other defined contribution pension plan, or any employee savings plan including a thrift, stock option or stock bonus plan, individual retirement account or 401(k) plan.
- 1.4. any proceeds payable under any group insurance or similar plan. If other insurance applies to the same claim for Disability, and contains the same or similar provision for reduction because of other insurance, we will pay for our pro rata share of the total claim. "Pro rata share" means the proportion of the total benefit that the amount payable under one policy, without other insurance, bears to the total benefits under all such policies.
- 1.5. any amounts received (or assumed to be received*) by you or your dependents under any workers' compensation, occupational disease, unemployment compensation law or similar state or federal law payable for Injury or Sickness arising out of work with the Employer, including but not limited to the Jones Act, Longshore and Harbor Workers' Compensation Act, maritime common law or any other law allowing for recovery by employees, as well as all permanent and temporary disability benefits. This includes any damages, compromises or settlement paid in place of such benefits, whether or not liability is admitted.
- 1.6. any amounts paid because of loss of earnings or earning capacity through settlement, judgment, arbitration or otherwise, where a third party may be liable, regardless of whether liability is determined. If you notify us before filing suit or settling a claim against such third party, the amount deducted as Other Income will be reduced by a pro rata share of your costs of recovery, including reasonable attorney fees.

Dependents include any person who receives (or is assumed to receive*) benefits under any applicable law because of your entitlement to benefits.

*See the Assumed Receipt of Benefits provision.

Increases in Other Income Benefits

Any increase in Other Income Benefits during a period of Disability due to a cost of living adjustment will not be considered in calculating your Disability Benefits after the first reduction is made for any Other Income Benefits. This section does not apply to any cost of living adjustment for Disability Earnings.

Lump Sum Payments

Other Income Benefits or earnings paid in a lump sum will be prorated over the period for which the sum is given. If no time is stated, the lump sum will be prorated over five years.

If no specific allocation of a lump sum payment is made, then the total payment will be an Other Income Benefit.

Assumed Receipt of Benefits

We will assume you (and your dependents, if applicable) are receiving benefits for which you are eligible from Other Income Benefits. We will reduce your Disability Benefits by the amount from Other Income Benefits we estimate are payable to you and your dependents.

We will waive Assumed Receipt of Benefits, except for Disability Earnings for work you perform while Disability Benefits are payable, if you:

1. provide satisfactory proof of application for Other Income Benefits;
2. sign a Reimbursement Agreement;
3. provide satisfactory proof that all appeals for Other Income Benefits have been made unless we determine that further appeals are not likely to succeed; and
4. submit satisfactory proof that Other Income Benefits were denied.

We will not assume receipt of any pension or retirement benefits that are actuarially reduced according to applicable law, until you actually receive them.

Social Security Assistance

We may help you in applying for Social Security Disability Income (SSDI) Benefits, and may require you to file an appeal if we believe a reversal of a prior decision is possible.

We will reduce Disability Benefits by the amount we estimate you will receive, if you refuse to cooperate with or participate in the Social Security Assistance Program.

TL-010500d.00

Recovery of Overpayment

We have the right to recover any benefits we have overpaid. We may use any or all of the following to recover an overpayment:

1. request a lump sum payment of the overpaid amount;
2. reduce any amounts payable under this Policy; and/or
3. take any appropriate collection activity available to us.

The Minimum Benefit amount will not apply when Disability Benefits are reduced in order to recover any overpayment.

If an overpayment is due when you die, any benefits payable under the Policy will be reduced to recover the overpayment.

Successive Periods of Disability

A separate period of Disability will be considered continuous:

1. if it results from the same or related causes as a prior Disability for which benefits were payable; and
2. if, after receiving Disability Benefits, you return to work in your Regular Occupation for less than 6 consecutive months; and
3. if you earn less than the percentage of Indexed Earnings that would still qualify you to meet the definition of Disability/Disabled during at least one month.

Any later period of Disability, regardless of cause, that begins when you are eligible for coverage under another group disability plan provided by any employer will not be considered a continuous period of Disability.

For any separate period of disability which is not considered continuous, you must satisfy a new Elimination Period.

LIMITATIONS

Limited Benefit Periods for Mental or Nervous Disorders

We will pay Disability Benefits on a limited basis for a Disability caused by, or contributed to by, any one or more of the following conditions. Once 24 monthly Disability Benefits have been paid, during your lifetime, no further benefits will be payable for any of the following conditions.

- 1) Anxiety disorders
- 2) Delusional (paranoid) disorders
- 3) Depressive disorders
- 4) Eating disorders
- 5) Mental illness
- 6) Somatoform disorders (psychosomatic illness)
- 7) Psychotic disorders
- 8) Bipolar affective disorder (manic depressive syndrome)
- 9) Schizophrenia
- 10) Chemical and environmental sensitivities
- 11) Subjective Symptom Conditions

Subjective Symptom Conditions means any physical or mental or emotional symptom, feeling or condition reported by you, or by your Physician, which cannot be verified using tests, procedures or clinical examinations that conform to generally-accepted medical standards. Subjective Symptom Conditions include, but are not limited to, headaches, pain, fatigue, stiffness, numbness, nausea, dizziness and ringing in ears.

If, before reaching your lifetime maximum benefit, you are confined in a hospital for more than 14 consecutive days, that period of confinement will not count against your lifetime limit. The confinement must be for the Appropriate Care of any of the conditions listed above.

Limited Benefit Periods for Alcoholism and Drug Addiction or Abuse

We will pay Disability Benefits on a limited basis for a Disability caused by, or contributed to by, any one or more of the following conditions. Once 24 monthly Disability Benefits have been paid, during your lifetime, no further benefits will be payable for any of the following conditions.

- 1) Alcoholism
- 2) Drug addiction or abuse

If, before reaching your lifetime maximum benefit, you are confined in a hospital for more than 14 consecutive days, that period of confinement will not count against your lifetime limit. The confinement must be for the Appropriate Care of any of the conditions listed above.

Pre-Existing Condition Waiver

The Insurance Company will waive the Pre-Existing Condition Limitation for the first 12 weeks Disability Benefits are payable even if the Employee has a Pre-Existing Condition. The Disability Benefits as shown in the Schedule of Benefits will continue beyond 12 weeks only if the Pre-Existing Condition Limitation does not apply.

Pre-Existing Condition Limitation

We will not pay benefits for any period of Disability caused or contributed to by, or resulting from, a Pre-existing Condition. A "Pre-existing Condition" means any Injury or Sickness for which you incurred expenses, received medical treatment, care or services including diagnostic measures, or took prescribed drugs or medicines within 3 months before your most recent effective date of insurance.

The Pre-existing Condition Limitation will apply to any added benefits or increases in benefits. This limitation will not apply to a period of Disability that begins after you are covered for at least 12 months after your most recent effective date of insurance, or the effective date of any added or increased benefits.

If an Employee is insured for the maximum benefit amount allowed based on the Employee's Covered Earnings and the Employee receives an increase in Covered Earnings, the Pre-Existing Condition Limitation will not apply to the increased amount if the Employee elects, during the following Annual Enrollment, to increase his or her benefit to the new maximum amount.

Proof of Loss

You must provide written proof of loss to us, or proof by any other electronic/telephonic means authorized by us, within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by us, must be given not more than one year after the 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is provided outside of these time limits, the claim will be denied. These time limits will not apply due to lack of legal capacity.

Written proof that the loss continues, or proof by any other electronic/telephonic means authorized by us, must be furnished to us at intervals we require. Within 30 days of a request, written proof of continued Disability and Appropriate Care by a Physician must be given to us.

Time of Payment

Disability Benefits will be paid at regular intervals of not less frequently than once a month. Any balance, unpaid at the end of any period for which we are liable, will be paid at that time.

To Whom Payable

Disability Benefits will be paid to you. If any person to whom benefits are payable is a minor or, in our opinion is not able to give a valid receipt, such payment will be made to his or her legal guardian. However, if no request for payment has been made by the legal guardian, we may, at our option, make payment to the person or institution appearing to have assumed custody and support.

If you die while any Disability Benefits remain unpaid, we may, at our option, make direct payment to any of your following living relatives: your spouse, your mother, your father, your children, your brothers or sisters; or to the executors or administrators of your estate. We may reduce the amount payable by any indebtedness due.

Payment in the manner described above will release us from all liability for any payment made.

Physical Examination and Autopsy

We may, at our expense, exercise the right to examine any person for whom a claim is pending as often as we may reasonably require. Also, we may, at our expense, require an autopsy unless prohibited by law.

Legal Actions

No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by us, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations

If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship

You have the right to choose any Physician who is practicing legally. We will in no way disturb the Physician/patient relationship.

ADMINISTRATIVE PROVISIONS

Premiums

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

Your Grace Period

If your required premium is not paid on the Premium Due Date, there is a 31 day grace period after each premium due date after the first. If the required premium is not paid during the grace period, insurance will end on the last day for which premium was paid.

Reinstatement of Insurance

Your insurance may be reinstated if it ends because you are on an unpaid leave of absence. If your Active Service ended due to an approved leave pursuant to the Family and Medical Leave Act (FMLA) and Continuation of Insurance is not applicable, your insurance may be reinstated at the conclusion of the FMLA leave.

If your Active Service ends due to an Employer approved unpaid leave of absence, other than an approved FMLA leave, insurance may be reinstated only:

1. If the reinstatement occurs within 12 weeks from the date insurance ends, or
2. When returning from military service pursuant to the Uniformed Services Employment Act of 1994 (USERRA).

For insurance to be reinstated the following conditions must be met:

1. You must be in a Class of Eligible Employees.
2. The required premium must be paid.
3. We must receive a written request for reinstatement within 31 days from the date you return to Active Service.

Reinstated insurance will be effective on the date you return to Active Service. If you did not fully satisfy the Eligibility Waiting Period or the Pre-Existing Condition Limitation (if any) before insurance ended due to an unpaid leave of absence, credit will be given for any time that was satisfied.

GENERAL PROVISIONS

Incontestability

All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement is signed by and has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, the validity of an Insured's coverage will not be contested using such statements.

Misstatement of Age

If an Insured's age has been misstated, we will adjust all benefits to the amounts that would have been purchased for the correct age.

Workers' Compensation Insurance

The Policy is not in lieu of and does not affect any requirements for insurance under any Workers' Compensation Insurance Law.

Assignment of Benefits

We will not be affected by the assignment of your certificate until the original assignment or a certified copy of the assignment is filed with us. We will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided insurance under the Policy is in effect. This insurance may not be levied on, attached, garnished, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

Clerical Error

A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

Ownership of Records

All records maintained by the Insurance Company are, and shall remain, the property of the Insurance Company.
