

# Free Brand Name Medications for Putnam County Schools Members

## Exciting News for Employees & Dependents on the Putnam County Schools insurance plan:

Putnam County Schools have partnered with **RxProtect** to lower your pharmacy costs. This is a voluntary program; however, we strongly encourage you to enroll in the program if you and/or a dependent are taking one or more of the eligible medications. **Eligible prescriptions will cost you nothing** (no copays or coinsurance) by using RxProtect.

**These are the eligible medications available through this program:**

AIMOVIG	GILENYA	OZEMPIC	XIGDUO
BREO ELLIPTA	JANUMET	SOLIQUA	XIIDRA
DOVATO	JANUVIA	STELARA	
ELIQUIS	JARDIANCE	TRULICITY*	
FARXIGA	LINZESS	XARELTO	

\*based on availability

**To enroll in the RxProtect program, go to [www.rx-protect.com/putnamcountyschool](http://www.rx-protect.com/putnamcountyschool) or click [HERE](#).**

Again, these eligible meds are available to you at ZERO cost. However, they have to be filled at least once through your insurance plan in order for them to be approved. Upon enrollment, you will need to contact your physician and ask them to **fax a current script of your medication to RxProtect at (917)909-5923**. (Attn: RxProtect, 9520 Ormsby Station Road, Louisville, KY 40223). Please allow 2-3 weeks for fulfillment of your first shipment after we receive your script. Refills will be shipped without a delay as long as your script allows for refills. Medications will be delivered directly to your home or a shipping address of your choice. Most will require a signature upon delivery.
