

GROUP VOLUNTARY ACCIDENT INSURANCE CERTIFICATE SUMMARY (OUTLINE OF COVERAGE)

Read Your Certificate Carefully. This outline of coverage provides a very brief description of the important features of this insurance. This outline of coverage is not the insurance contract and only the actual policy provisions will control. The policy and certificate set forth in detail the rights and obligations of you, the policyholder and the insurance company. It is, therefore, important that you **READ YOUR CERTIFICATE CAREFULLY!**

Accident insurance is designed to provide, to persons insured, restricted coverage paying benefits **ONLY** when certain losses occur as a result of a covered accident, subject to any limitations contained in the policy. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses. This insurance does not satisfy the individual mandate of the ACA because the coverage does not meet the requirements of minimum essential coverage.

THIS IS NOT MEDICARE SUPPLEMENT INSURANCE. If you are eligible for Medicare, review the *Guide to Health Insurance for People with Medicare*, available from Mutual of Omaha or online at www.medicare.gov.

NOTICE: Read this outline of coverage carefully. It may not be identical to the outline of coverage provided at the time you enrolled/applied for insurance, and the insurance you originally enrolled/applied for may not have been issued.

This outline of coverage describes the terms and conditions of the Policy. For a complete description of the terms and conditions of the Policy, refer to the appropriate section of the Certificate, available from the Policyholder. The capitalization of a term not normally capitalized according to standard punctuation rules indicates a word or phrase that is a defined term in the Certificate. A person is not necessarily entitled to insurance because he or she received this outline of coverage. A person is only entitled to insurance if he or she is eligible in accordance with the terms of the Policy. This outline of coverage was published on December 20, 2024.
