OPEN ACCESS PLUS MEDICAL BENEFITS

Health Reimbursement Account

EFFECTIVE DATE: January 1, 2024

This certificate reflects the known requirements for compliance under The Affordable Care Act as passed on March 23, 2010. As additional guidance is forthcoming from the U.S. Department of Health and Human Services and the New Hampshire Insurance Department, those changes will be incorporated into your health insurance certificate.

This policy may, at any time within 30 days after its receipt by the policyholder, be returned by delivering it or mailing it to the company or the agent through whom it was purchased. Immediately upon such delivery or mailing, the policy will be deemed void from the beginning, and any premium paid on it will be refunded.

a Cigna company (hereinafter called Cigna) certifies that it insures certain Employees for the benefits provided by the following policy(s):

POLICYHOLDER: Pla-Fit Franchise LLC

GROUP POLICY(S) — COVERAGE

3345932 - HR1 OPEN ACCESS PLUS MEDICAL BENEFITS

EFFECTIVE DATE: January 1, 2024

This certificate, issue in New Hampshire, is under the jurisdiction of the New Hampshire Commissioner of Insurance, and is governed by New Hampshire law.

This certificate describes the main features of the insurance. It does not waive or alter any of the terms of the policy(s). If questions arise, the policy(s) will govern.

This certificate takes the place of any other issued to you on a prior date which described the insurance.

Geneva Cambell Brown, Corporate Secretary

Explanation of Terms

You will find terms starting with capital letters throughout your certificate. To help you understand your benefits, most of these terms are defined in the Definitions section of your certificate.

The Schedule

The Schedule is a brief outline of your maximum benefits which may be payable under your insurance. For a full description of each benefit, refer to the appropriate section listed in the Table of Contents.

Special Plan Provisions

When you select a Participating Provider, this Plan pays a greater share of the costs than if you select a non-Participating Provider. Participating Providers include Physicians, Hospitals and Other Health Professionals and Other Health Care Facilities. Consult your Physician Guide for a list of Participating Providers in your area. Participating Providers are committed to providing you and your Dependents appropriate care while lowering medical costs.

Services Available in Conjunction With Your Medical Plan

The following pages describe helpful services available in conjunction with your medical plan. You can access these services by calling the toll-free number shown on the back of your ID card.

Case Management

Case Management is a service provided through a Review Organization, which assists individuals with treatment needs that extend beyond the acute care setting. The goal of Case Management is to ensure that patients receive appropriate care in the most effective setting possible whether at home, as an outpatient, or an inpatient in a Hospital or specialized facility. Should the need for Case Management arise, a Case Management professional will work closely with the patient, his or her family and the attending Physician to determine appropriate treatment options which will best meet the patient's needs and keep costs manageable. The Case Manager will help coordinate the treatment program and arrange for necessary resources. Case Managers are also available to answer questions and provide ongoing support for the family in times of medical crisis.

Case Managers are Registered Nurses (RNs) and other credentialed health care professionals, each trained in a clinical specialty area such as trauma, high risk pregnancy and neonates, oncology, mental health, rehabilitation or general medicine and surgery. A Case Manager trained in the appropriate clinical specialty area will be assigned to you or your dependent. In addition, Case Managers are supported by a panel of Physician advisors who offer guidance on up-to-date treatment programs and medical technology. While the Case Manager recommends alternate treatment programs and helps coordinate needed resources, the patient's attending Physician remains responsible for the actual medical care.

- You, your dependent or an attending Physician can request Case Management services by calling the **toll-free number** shown on your ID card or 1-800-244-6224 during normal business hours, Monday through Friday. In addition, your employer, a claim office or a utilization review program (see the PAC/CSR section of your certificate) may refer an individual for Case Management.
- The Review Organization assesses each case to determine whether Case Management is appropriate.
- You are or your Dependent is contacted by an assigned Case Manager who explains in detail how the program works. Participation in the program is voluntary - no penalty or benefit reduction is imposed if you do not wish to participate in Case Management.
- Following an initial assessment, the Case Manager works with you, your family and Physician to determine the needs of the patient and to identify what alternate treatment programs are available (for example, in-home medical care in lieu of an extended Hospital convalescence). You are not penalized if the alternate treatment program is not followed.
- The Case Manager arranges for alternate treatment services and supplies, as needed (for example, nursing services or a Hospital bed and other Durable Medical Equipment for the home).
- The Case Manager also acts as a liaison between the insurer, the patient, his or her family and Physician as needed (for example, by helping you to understand a complex medical diagnosis or treatment plan).
- Once the alternate treatment program is in place, the Case Manager continues to manage the case to ensure the treatment program remains appropriate to the patient's needs.

While participation in Case Management is strictly voluntary, Case Management professionals can offer quality, cost-effective treatment alternatives, as well as provide assistance in obtaining needed medical resources and ongoing family support in a time of need.

Important Notices

Direct Access to Obstetricians and Gynecologists

You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, visit www.myCigna.com or contact customer service at the phone number listed on the back of your ID card; that is 1-800-244-6224.

Selection of a Primary Care Provider

This plan generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, visit www.myCigna.com or contact customer service at the phone number listed on the back of your ID card; that is, 1-800-244-6224.

For children, you may designate a pediatrician as the primary care provider.

Important Information

Rebates and Other Payments

Cigna or its affiliates may receive rebates or other remuneration from pharmaceutical manufacturers in connection with certain Medical Pharmaceuticals covered under your plan and Prescription Drug Products included on the Prescription Drug List. These rebates or remuneration are not obtained on you or your Employer's or plan's behalf or for your benefit.

Cigna, its affiliates and the plan are not obligated to pass these rebates on to you, or apply them to your plan's Deductible if any or take them into account in determining your

Copayments and/or Coinsurance. Cigna and its affiliates or designees may also, conduct business with various pharmaceutical manufacturers separate and apart from this plan's Medical Pharmaceutical and Prescription Drug Product benefits. Such business may include, but is not limited to, data collection, consulting, educational grants and research. Amounts received from pharmaceutical manufacturers pursuant to such arrangements are not related to this plan. Cigna and its affiliates are not required to pass on to you, and do not pass on to you, such amounts.

Coupons, Incentives and Other Communications

At various times, Cigna or its designee may send mailings to you or your Dependents or to your Physician that communicate a variety of messages, including information about Medical Pharmaceuticals and Prescription Drug Products. These mailings may contain coupons or offers from pharmaceutical manufacturers that enable you or your Dependents, at your discretion, to purchase the described Medical Pharmaceutical and Prescription Drug Product at a discount or to obtain it at no charge. Pharmaceutical manufacturers may pay for and/or provide the content for these mailings. Cigna, its affiliates and the plan are not responsible in any way for any decision you make in connection with any coupon, incentive, or other offer you may receive from a pharmaceutical manufacturer or Physician.

If Cigna determines that a Pharmacy, pharmaceutical manufacturer or other third party is or has waived, reduced, or forgiven any portion of the charges and/or any portion of Copayment, Deductible, and/or Coinsurance amount(s) you are required to pay for a Prescription Drug Product without Cigna's express consent, then Cigna in its sole discretion shall have the right to deny the payment of plan benefits in connection with the Prescription Drug Product, or reduce the benefits in proportion to the amount of the Copayment, Deductible, and/or Coinsurance amounts waived, forgiven or reduced, regardless of whether the Pharmacy, pharmaceutical manufacturer or other third party represents that you remain responsible for any amounts that your plan does not cover. In the exercise of that discretion, Cigna shall have the right to require you to provide proof sufficient to Cigna that you have made your required cost share payment(s) prior to the payment of any benefits by the plan.

For example, if you use a coupon provided by a pharmaceutical manufacturer or other third party that discounts the cost of a Prescription Drug Product, Cigna may, in its sole discretion, reduce the benefits provided under the plan in proportion to the amount of the Copayment, Deductible, and/or Coinsurance amounts to which the value of the coupon has been applied by the Pharmacy or other third party, and/or exclude from accumulation toward any plan Deductible or Out-of-Pocket Maximum the value of any

coupon applied to any Copayment, Deductible and/or Coinsurance you are required to pay.

New Hampshire Patient Bill of Rights

The following information is being provided to you pursuant to 415:18-XIV and 415:6-f. These statutes require any insurer issuing a group or individual policy to provide each new certificate holder or policy holder with the following

information. When admitted to a facility (except those admitted by a home health care provider):

I. The patient shall be treated with consideration, respect, and full recognition of the patient's dignity and individuality, including privacy in treatment and personal care and including being informed of the name, licensure status, and staff position of all those with whom the patient has contact, pursuant to RSA 151:3-b.

II. The patient shall be fully informed of a patient's rights and responsibilities and of all procedures governing patient conduct and responsibilities. This information must be provided orally and in writing before or at admission, except for emergency admissions. Receipt of the information must be acknowledged by the patient in writing. When a patient lacks the capacity to make informed judgments the signing must be by the person legally responsible for the patient.

III. The patient shall be fully informed in writing in language that the patient can understand, before or at the time of admission and as necessary during the patient's stay, of the facility's basic per diem rate and of those services included and not included in the basic per diem rate. A statement of services that are not normally covered by Medicare or Medicaid shall also be included in this disclosure.

IV. The patient shall be fully informed by a health care provider of his or her medical condition, health care needs, and diagnostic test results, including the manner by which such results will be provided and the expected time interval between testing and receiving results, unless medically inadvisable and so documented in the medical record, and shall be given the opportunity to participate in the planning of his or her total care and medical treatment, to refuse treatment, and to be involved in experimental research upon the patient's written consent only. For the purposes of this paragraph "health care provider" means any person, corporation, facility, or institution either licensed by this state or otherwise lawfully providing health care services, including, but not limited to, a physician, hospital or other health care facility, dentist, nurse, optometrist, podiatrist, physical therapist, or psychologist, and any officer, employee, or agent of such provider acting in the course and scope of employment or agency related to or supportive of health care services.

V. The patient shall be transferred or discharged after appropriate discharge planning only for medical reasons, for the patient's welfare or that of other patients, if the facility ceases to operate, or for nonpayment for the patient's stay, except as prohibited by Title XVIII or XIX of the Social Security Act. No patient shall be involuntarily discharged from a facility because the patient becomes eligible for Medicaid as a source of payment.

VI. The patient shall be encouraged and assisted throughout the patient's stay to exercise the patient's rights as a patient and citizen. The patient may voice grievances and recommend

changes in policies and services to facility staff or outside representatives free from restraint, interference, coercion, discrimination, or reprisal.

VII. The patient shall be permitted to manage the patient's personal financial affairs. If the patient authorizes the facility in writing to assist in this management and the facility so consents, the assistance shall be carried out in accordance with the patient's rights under this subdivision and in conformance with state law and rules.

VIII. The patient shall be free from emotional, psychological, sexual and physical abuse and from exploitation, neglect, corporal punishment and involuntary seclusion.

IX. The patient shall be free from chemical and physical restraints except when they are authorized in writing by a physician for a specific and limited time necessary to protect the patient or others from injury. In an emergency, restraints may be authorized by the designated professional staff member in order to protect the patient or others from injury. The staff member must promptly report such action to the physician and document same in the medical records.

X. The patient shall be ensured confidential treatment of all information contained in the patient's personal and clinical record, including that stored in an automatic data bank, and the patient's written consent shall be required for the release of information to anyone not otherwise authorized by law to receive it. Medical information contained in the medical records at any facility licensed under this chapter shall be deemed to be the property of the patient. The patient shall be entitled to a copy of such records upon request. The charge for the copying of a patient's medical records shall not exceed \$15 for the first 30 pages or \$.50 per page, whichever is greater; provided, that copies of filmed records such as radiograms, x-rays, and sonograms shall be copied at a reasonable cost.

XI. The patient shall not be required to perform services for the facility. Where appropriate for therapeutic or diversional purposes and agreed to by the patient, such services may be included in a plan of care and treatment.

XII. The patient shall be free to communicate with, associate with, and meet privately with anyone, including family and resident groups, unless to do so would infringe upon the rights of other patients. The patient may send and receive unopened personal mail. The patient has the right to have regular access to the unmonitored use of a telephone.

XIII. The patient shall be free to participate in activities of any social, religious, and community groups, unless to do so would infringe upon the rights of other patients.

XIV. The patient shall be free to retain and use personal clothing and possessions as space permits, provided it does not infringe on the rights of other patients.

XV. The patient shall be entitled to privacy for visits and, if married, to share a room with his or her spouse if both are

patients in the same facility and where both patients consent, unless it is medically contraindicated and so documented by a physician. The patient has the right to reside and receive services in the facility with reasonable accommodation of individual needs and preferences, including choice of room and roommate, except when the health and safety of the individual or other patients would be endangered.

XVI. The patient shall not be denied appropriate care on the basis of age, sex, gender identity, sexual orientation, race, color, marital status, familial status, disability, religion, national origin, source of income, source of payment, or profession.

XVII. The patient shall be entitled to be treated by the patient's physician of choice, subject to reasonable rules and regulations of the facility regarding the facility's credentialing process.

XVIII. The patient shall be entitled to have the patient's parents, if a minor, or spouse, or next of kin, unmarried partner or a personal representative chosen by the patient, if an adult, visit the facility, without restriction, if the patient is considered terminally ill by the physician responsible for the patient's care.

XIX. The patient shall be entitled to receive representatives of approved organizations as provided in RSA 151:28.

XX. The patient shall not be denied admission to the facility based on Medicaid as a source of payment when there is an available space in the facility.

XXI. Subject to the terms and conditions of the patient's insurance plan, the patient shall have access to any provider in his or her insurance plan network and referral to a provider or facility within such network shall not be unreasonably withheld pursuant to RSA 420-J:8, XIV.

XXII. The patient shall not be denied admission, care, or services based solely on the patient's vaccination status.

XXIII. (a) In addition to the rights specified in paragraph XVIII, the patient shall be entitled to designate a spouse, family member, or caregiver who may visit the facility while the patient is receiving care. A patient who is a minor may have a parent, guardian, or person standing in loco parentis visit the facility while the minor patient is receiving care.

(b)(1) Notwithstanding subparagraph (a), a health care facility may establish visitation policies that limit or restrict visitation when:

(A) The presence of visitors would be medically or therapeutically contraindicated in the best clinical judgment of health care professionals;

(B) The presence of visitors would interfere with the care of or rights of any patient;

(C) Visitors are engaging in disruptive, threatening, or violent behavior toward any staff member, patient, or another visitor; or

(D) Visitors are noncompliant with written hospital policy.

(2) Upon request, the patient or patient's representative, if the patient is incapacitated, shall be provided the reason for denial or revocation of visitation rights under this paragraph.

(c) A health care facility may require visitors to wear personal protective equipment provided by the facility, or provided by the visitor and approved by the facility. A health care facility may require visitors to comply with reasonable safety protocols and rules of conduct. The health care facility may revoke visitation rights for failure to comply with this subparagraph.

(d) Nothing in this paragraph shall be construed to require a health care facility to allow a visitor to enter an operating room, isolation room, isolation unit, behavioral health setting or other typically restricted area or to remain present during the administration of emergency care in critical situations. Nothing in this paragraph shall be construed to require a health care facility to allow a visitor access beyond the rooms, units, or wards in which the patient is receiving care or beyond general common areas in the health care facility.

(e) The rights specified in this paragraph shall not be terminated, suspended, or waived by the health care facility, the department of health and human services, or any governmental entity, notwithstanding declarations of emergency declared by the governor or the legislature. No health care facility licensed pursuant to RSA 151:2 shall require a patient to waive the rights specified in this paragraph.

(f) Each health care facility licensed pursuant to RSA 151:2 shall post on its website:

(1) Informational materials explaining the rights specified in this paragraph;

(2) The patients' bill of rights which applies to the facility on its website; and

(3) Hospital visitation policy detailing the rights and responsibilities specified in this paragraph, and the limitations placed upon those rights by written hospital policy on its website.

(g) Unless expressly required by federal law or regulation, the department or any other state agency shall not take any action arising out of this paragraph against a health care facility for:

(1) Giving a visitor individual access to a property or location controlled by the health care facility;

(2) Failing to protect or otherwise ensure the safety or comfort of a visitor given access to a property or location controlled by the health care facility;

(3) The acts or omissions of any visitor who is given access to a property or location controlled by the health care facility.

How To File Your Claim

There's no paperwork for In-Network care. Just show your identification card and pay your share of the cost, if any; your provider will submit a claim to Cigna for reimbursement. Out-of-Network claims can be submitted by the provider if the provider is able and willing to file on your behalf. If the provider is not submitting on your behalf, you must send your completed claim form and itemized bills to the claims address listed on the claim form.

You may get the required claim forms from the website listed on your identification card or by calling customer service using the toll-free number listed on the back of your ID card, or 1-800-244-6224.

CLAIM REMINDERS

- BE SURE TO USE YOUR MEMBER ID AND ACCOUNT/GROUP NUMBER WHEN YOU FILE CIGNA'S CLAIM FORMS, OR WHEN YOU CALL YOUR CIGNA CLAIM OFFICE.
YOUR MEMBER ID IS THE ID SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.
YOUR ACCOUNT/GROUP NUMBER IS SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.
- BE SURE TO FOLLOW THE INSTRUCTIONS LISTED ON THE BACK OF THE CLAIM FORM CAREFULLY WHEN SUBMITTING A CLAIM TO CIGNA.

Timely Filing of Out-of-Network Claims

Cigna will consider claims for coverage under our plans when proof of loss (a claim) is submitted within 180 days for Out-

of-Network benefits after services are rendered. If services are rendered on consecutive days, such as for a Hospital Confinement, the limit will be counted from the last date of service. If claims are not submitted within 180 days for Out-of-Network benefits, the claim will not be considered valid and will be denied. Failure to furnish such proof within such time shall not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to furnish such proof, and that such proof was furnished as soon as it was reasonably possible.

WARNING: Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information; or conceals for the purpose of misleading, information concerning any material fact thereto, commits a fraudulent insurance act.

Eligibility - Effective Date

Employee Insurance

This plan is offered to you as an Employee.

Eligibility for Employee Insurance

You will become eligible for insurance on the day you complete the waiting period if:

- you are an eligible, full-time Employee; and
- you pay any required contribution.

If you were previously insured and your insurance ceased, you must satisfy the New Employee Group Waiting Period to become insured again. If your insurance ceased because you were no longer employed in a Class of Eligible Employees, you are not required to satisfy any waiting period if you again become a member of a Class of Eligible Employees within one year after your insurance ceased.

Initial Employee Group: You are in the Initial Employee Group if you are employed in a class of Employees on the date that class of Employees becomes a Class of Eligible Employees as determined by your Employer.

New Employee Group: You are in the New Employee Group if you are not in the Initial Employee Group.

Eligibility for Dependent Insurance

You will become eligible for Dependent Insurance on the later of:

- the day you become eligible for yourself; or

- the day you acquire your first Dependent.

If you are a Late Entrant, you will not be able to enroll in the plan until the next enrollment period except due to a special enrollment event.

Waiting Period

Initial Employee Group: None.

New Employee Group: None.

Classes of Eligible Employees

Each Employee as reported to the insurance company by your Employer.

Effective Date of Employee Insurance

You will become insured on the date you elect the insurance by signing an approved enrollment form, as applicable, but no earlier than the date you become eligible.

You will become insured on your first day of eligibility, following your election, if you are in Active Service on that date, or if you are not in Active Service on that date due to your health status.

Late Entrant - Employee

You are a Late Entrant if you elect the insurance more than 31 days after you become eligible.

Dependent Insurance

For your Dependents to be insured, you will have to pay the required contribution, if any, toward the cost of Dependent Insurance.

Effective Date of Dependent Insurance

Insurance for your Dependents will become effective on the date you elect it by signing an approved payroll deduction form, but no earlier than the day you become eligible for Dependent Insurance. All of your Dependents as defined will be included.

Your Dependents will be insured only if you are insured.

Late Entrant – Dependent

You are a Late Entrant for Dependent Insurance if you elect that insurance more than 31 days after you become eligible for it.

Exception for Newborns

Any Dependent child born while you are insured will become insured on the date of his birth and continue for 31 days. If you do not elect to insure your newborn child within such 31 days, coverage for that child will end on the 31st day. No benefits for expenses incurred beyond the 31st day will be payable.

Exception for Newborn Grandchildren

Any child born to your Dependent child while you are insured will be covered for the first 31 days of his life. Coverage for such child will not continue beyond the 31st day and no benefits for expenses incurred beyond the 31st day will be payable.

Important Information About Your Medical Plan

Details of your medical benefits are described on the following pages.

Opportunity to Select a Primary Care PhysicianChoice of Primary Care Physician:

This medical plan does not require that you select a Primary Care Physician or obtain a referral from a Primary Care Physician in order to receive all benefits available to you under this medical plan. Notwithstanding, a Primary Care Physician may serve an important role in meeting your health care needs by providing or arranging for medical care for you and your Dependents. For this reason, we encourage the use of Primary Care Physicians and provide you with the opportunity to select a Primary Care Physician from a list provided by Cigna for yourself and your Dependents. If you choose to select a Primary Care Physician, the Primary Care Physician you select for yourself may be different from the Primary Care Physician you select for each of your Dependents.

Changing Primary Care Physicians:

You may request a transfer from one Primary Care Physician to another by contacting us at the member services number on your ID card. Any such transfer will be effective on the first day of the month following the month in which the processing of the change request is completed.

In addition, if at any time a Primary Care Physician ceases to be a Participating Provider, you or your Dependent will be notified for the purpose of selecting a new Primary Care Physician, if you choose.

Open Access Plus Medical Benefits The Schedule
For You and Your Dependents
Open Access Plus Medical Benefits provide coverage for care In-Network and Out-of-Network. To receive Open Access Plus Medical Benefits, you and your Dependents may be required to pay a portion of the Covered Expenses for services and supplies. That portion is the Copayment, Deductible or Coinsurance. If you are unable to locate an In-Network Provider in your area who can provide you with a service or supply that is covered under this plan, you must call the number on the back of your I.D. card to obtain authorization for Out-of-Network Provider coverage. If you obtain authorization for services provided by an Out-of-Network Provider, benefits for those services will be covered at the In-Network benefit level.
Coinsurance The term Coinsurance means the percentage of Covered Expenses that an insured person is required to pay under the plan in addition to the Deductible, if any. Copayments/Deductibles Copayments are amounts to be paid by you or your Dependent for covered services. Deductibles are Covered Expenses to be paid by you or your Dependent before benefits are payable under this plan. Deductible amounts are separate from and not reduced by Copayments. Copayments and Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached, you and your family need not satisfy any further medical deductible for the rest of that year.
Out-of-Pocket Expenses - For In-Network Charges Only Out-of-Pocket Expenses are Covered Expenses incurred for charges that are not paid by the benefit plan because of any Deductibles, Copayments or Coinsurance. Such Covered Expenses accumulate to the Out-of-Pocket Maximum shown in The Schedule. When the Out-of-Pocket Maximum is reached, all Covered Expenses, except charges for non-compliance penalties, are payable by the benefit plan at 100%.
Out-of-Pocket Expenses - For Out-of-Network Charges Only Out-of-Pocket Expenses are Covered Expenses incurred for charges that are not paid by the benefit plan. The following Expenses contribute to the Out-of-Pocket Maximum, and when the Out-of-Pocket Maximum shown in The Schedule is reached, they are payable by the benefit plan at 100%: • Coinsurance. • Plan Deductible. • Any copayments and/or benefit deductibles. Once the Out-of-Pocket Maximum is reached for covered services that apply to the Out-of-Pocket Maximum, any copayments and/or benefit deductibles are no longer required. The following Out-of-Pocket Expenses and charges do not contribute to the Out-of-Pocket Maximum, and they are not payable by the benefit plan at 100% when the Out-of-Pocket Maximum shown in The Schedule is reached: • Non-compliance penalties. • Provider charges in excess of the Maximum Reimbursable Charge.

Open Access Plus Medical Benefits

The Schedule

Accumulation of Plan Deductibles and Out-of-Pocket Maximums

Deductibles and Out-of-Pocket Maximums will cross-accumulate (that is, In-Network will accumulate to Out-of-Network and Out-of-Network will accumulate to In-Network). All other plan maximums and service-specific maximums (dollar and occurrence) also cross-accumulate between In- and Out-of-Network unless otherwise noted.

Note:

For information about your health fund benefit (HSA or HRA) and how it can help you pay for expenses that may not be covered under this plan, refer to “What You Should Know about Cigna Choice Fund”.

Multiple Surgical Reduction

Multiple surgeries performed during one operating session result in payment reduction of 50% to the surgery of lesser charge. The most expensive procedure is paid as any other surgery.

Assistant Surgeon and Co-Surgeon Charges

Assistant Surgeon

The maximum amount payable will be limited to charges made by an assistant surgeon that do not exceed a percentage of the surgeon’s allowable charge as specified in Cigna Reimbursement Policies. (For purposes of this limitation, allowable charge means the amount payable to the surgeon prior to any reductions due to coinsurance or deductible amounts.)

Co-Surgeon

The maximum amount payable for charges made by co-surgeons will be limited to the amount specified in Cigna Reimbursement Policies.

Out-of-Network Charges for Certain Services

Charges for services furnished by an Out-of-Network provider in an In-Network facility while you are receiving In-Network services at that In-Network facility: (i) are payable at the In-Network cost-sharing level; and (ii) the allowable amount used to determine the Plan's benefit payment is the amount agreed to by the Out-of-Network provider and Cigna, or as required by applicable state or Federal law.

The member is responsible for applicable In-Network cost-sharing amounts (any deductible, copay or coinsurance). The member is not responsible for any charges that may be made in excess of the allowable amount. If the Out-of-Network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

Out-of-Network Emergency Services Charges

1. Emergency Services are covered at the In-Network cost-sharing level if services are received from a non-Participating (Out-of-Network) provider.
2. The allowable amount used to determine the Plan's benefit payment for covered Emergency Services rendered in an Out-of-Network Hospital, or by an Out-of-Network provider in an In-Network Hospital, is the amount agreed to by the Out-of-Network provider and Cigna, or as required by applicable state or Federal law.
3. The allowable amount used to determine the Plan’s benefit payment when Out-of-Network Emergency Services result in an inpatient admission is the median amount negotiated with In-Network facilities.

The member is responsible for applicable In-Network cost-sharing amounts (any deductible, copay or coinsurance). The member is not responsible for any charges that may be made in excess of the allowable amount. If the Out-of-Network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

Certification Requirements – Out-of-Network

For You and Your Dependents

Pre-Admission Certification/Continued Stay Review for Hospital Confinement

Pre-Admission Certification (PAC) and Continued Stay Review (CSR) refer to the process used to certify the Medical Necessity and length of a Hospital Confinement when you or your Dependent; require treatment in a Hospital:

- as a registered bed patient, except for 48/96 hour maternity stays;
- for Mental Health or Substance Use Disorder Residential Treatment Services.

You or your Dependent; should request PAC prior to any non-emergency treatment in a Hospital described above. In the case of an emergency admission, you should contact the Review Organization within 48 hours after the admission. For an admission due to pregnancy, you should call the Review Organization by the end of the third month of pregnancy. CSR should be requested, prior to the end of the certified length of stay, for continued Hospital Confinement.

Covered Expenses incurred will be reduced by the lesser of 50% or \$1,000 for Hospital charges made for each separate admission to the Hospital unless PAC is received: prior to the date of admission; or in the case of an emergency admission, within 48 hours after the date of admission.

- unless PAC is received: (a) prior to the date of admission; or (b) in the case of an emergency admission, within 48 hours after the date of admission.

Covered Expenses incurred for which benefits would otherwise be payable under this plan for the charges listed below will be reduced by the lesser of 50% or \$1,000:

- Hospital charges for Room and Board, for treatment listed above for which PAC was performed, which are made for any day in excess of the number of days certified through PAC or CSR; and
- any Hospital charges for treatment listed above for which PAC was requested, but which was not certified as Medically Necessary.

PAC and CSR are performed through a utilization review program by a Review Organization with which Cigna has contracted.

In any case, those expenses incurred for which payment is excluded by the terms set forth above will not be considered as expenses incurred for the purpose of any other part of this plan, except for the "Coordination of Benefits" section.

Outpatient Certification Requirements – Out-of-Network

Outpatient Certification refers to the process used to certify the Medical Necessity of outpatient diagnostic testing and outpatient procedures, including, but not limited to, those listed in this section when performed as an outpatient in a Free-standing Surgical Facility, Other Health Care Facility or a Physician's office. You or your Dependent; should call the toll-free number on the back of your I.D. card or 1-800-244-6224 to determine if Outpatient Certification is required prior to any outpatient diagnostic testing or outpatient procedures. Outpatient Certification is performed through a utilization review program by a Review Organization with which Cigna has contracted. Outpatient Certification should only be requested for non-emergency procedures or services, and should be requested by you or your Dependent; at least four working days (Monday through Friday) prior to having the procedure performed or the service rendered.

Covered Expenses incurred will be reduced by the lesser of 50% or \$1,000 for charges made for any outpatient diagnostic testing or outpatient procedure performed unless Outpatient Certification is received prior to the date the testing or procedure is performed.

In any case, those expenses incurred for which payment is excluded by the terms set forth above will not be considered as expenses incurred for the purpose of any other part of this plan, except for the "Coordination of Benefits" section.

Outpatient Diagnostic Testing and Outpatient Procedures

Including, but not limited to:

Mental Health and Substance Use Disorder Services

Mental Health Services are services that are required to treat a disorder that impairs the behavior, emotional reaction or thought processes.

Substance Use Disorder is defined as the psychological or physical dependence on alcohol or other mind-altering drugs that requires diagnosis, care, and treatment.

Inpatient Mental Health Services

Services that are provided by a Hospital while you or your Dependent is Confined in a Hospital for the treatment and evaluation of Mental Health. Inpatient Mental Health Services include Partial Hospitalization and Mental Health Residential Treatment Services.

Mental Health Residential Treatment Services are services provided by a Hospital for the evaluation and treatment of the psychological and social functional disturbances that are a result of subacute Mental Health conditions.

Mental Health Residential Treatment Center means an institution which specializes in the treatment of psychological and social disturbances that are the result of Mental Health conditions; provides a subacute, structured, psychotherapeutic treatment program, under the supervision of Physicians; provides 24-hour care, in which a person lives in an open setting; and is licensed in accordance with the laws of the appropriate legally authorized agency as a residential treatment center.

A person is considered confined in a Mental Health Residential Treatment Center when she/he is a registered bed patient in a Mental Health Residential Treatment Center upon the recommendation of a Physician.

Outpatient Mental Health Services

Services of Providers who are qualified to treat Mental Health when treatment is provided on an outpatient basis, while you or your Dependent is not Confined in a Hospital, and is provided in an individual, group or Mental Health Intensive Outpatient Therapy Program. Covered services include, but are not limited to, outpatient treatment of conditions such as: anxiety or depression which interfere with daily functioning; emotional adjustment or concerns related to chronic conditions, such as psychosis or depression; emotional reactions associated with marital problems or divorce; child/adolescent problems of conduct or poor impulse control; affective disorders; suicidal or homicidal threats or acts; eating disorders; or acute exacerbation of chronic Mental Health conditions (crisis intervention and relapse prevention) and outpatient testing and assessment.

Mental Health Partial Hospitalization Services are rendered not less than 4 hours and not more than 12 hours in any 24-hour period by a certified/licensed Mental Health program in accordance with the laws of the appropriate legally authorized agency.

A Mental Health Intensive Outpatient Therapy Program consists of distinct levels or phases of treatment that are provided by a certified/licensed Mental Health program. Intensive Outpatient Therapy Programs provide a combination of individual, family and/or group therapy in a day, totaling nine or more hours in a week.

Inpatient Substance Use Disorder Rehabilitation Services

Services provided for rehabilitation, while you or your Dependent is Confined in a Hospital, when required for the diagnosis and treatment of abuse or addiction to alcohol and/or drugs. Inpatient Substance Use Disorder Services include Partial Hospitalization sessions and Residential Treatment services.

Partial Hospitalization sessions are services that are provided for not less than 4 hours and not more than 12 hours in any 24-hour period.

Substance Use Disorder Residential Treatment Services

are services provided by a Hospital for the evaluation and treatment of the psychological and social functional disturbances that are a result of subacute Substance Use Disorder conditions.

Substance Use Disorder Residential Treatment Center

means an institution which specializes in the treatment of psychological and social disturbances that are the result of Substance Use Disorder; provides a subacute, structured, psychotherapeutic treatment program, under the supervision of Physicians; provides 24-hour care, in which a person lives in an open setting; and is licensed in accordance with the laws of the appropriate legally authorized agency as a residential treatment center.

A person is considered confined in a Substance Use Disorder Residential Treatment Center when she/he is a registered bed patient in a Substance Use Disorder Residential Treatment Center upon the recommendation of a Physician.

Outpatient Substance Use Disorder Rehabilitation Services

Services provided for the diagnosis and treatment of abuse or addiction to alcohol and/or drugs, while you or your Dependent is not Confined in a Hospital, including outpatient rehabilitation in an individual, or a Substance Use Disorder Intensive Outpatient Therapy Program.

A Substance Use Disorder Intensive Outpatient Therapy Program consists of distinct levels or phases of treatment that are provided by a certified/licensed Substance Use Disorder program. Intensive Outpatient Therapy Programs provide a combination of individual, family and/or group therapy in a day, totaling nine, or more hours in a week.

Substance Use Disorder Partial Hospitalization services are rendered not less than 4 hours and not more than 12 hours in any 24-hour period by a certified/licensed Substance Use Disorder program in accordance with the laws of the appropriate legally authorized agency.

Substance Use Disorder Detoxification Services

Detoxification and related medical ancillary services are provided when required for the diagnosis and treatment of addiction to alcohol and/or drugs. Cigna will decide, based on the Medical Necessity of each situation, whether such services will be provided in an inpatient or outpatient setting.

Exclusions

The following are specifically excluded from Mental Health and Substance Use Disorder Services:

- counseling for activities of an educational nature.
- counseling for borderline intellectual functioning.
- counseling for occupational problems.
- counseling related to consciousness raising.
- vocational or religious counseling.

- I.Q. testing.
- custodial care, including but not limited to geriatric day care.
- psychological testing on children requested by or for a school system.
- occupational/recreational therapy programs even if combined with supportive therapy for age-related cognitive decline.

01-19

Durable Medical Equipment

- charges made for purchase or rental of Durable Medical Equipment that is ordered or prescribed by a Physician and provided by a vendor approved by Cigna for use outside a Hospital or Other Health Care Facility. Coverage for repair, replacement or duplicate equipment is provided only when required due to anatomical change and/or reasonable wear and tear. All maintenance and repairs that result from a person's misuse are the person's responsibility.

Durable Medical Equipment is defined as items which are designed for and able to withstand repeated use by more than one person; customarily serve a medical purpose; generally are not useful in the absence of Injury or Sickness; are appropriate for use in the home; and are not disposable. Such equipment includes, but is not limited to, crutches, hospital beds, ventilators, insulin pumps and wheel chairs.

Durable Medical Equipment items that are not covered include but are not limited to those that are listed below:

- **Bed Related Items:** bed trays, over the bed tables, bed wedges, pillows, custom bedroom equipment, mattresses, including non-power mattresses, custom mattresses and posturepedic mattresses.
- **Bath Related Items:** bath lifts, non-portable whirlpools, bathtub rails, toilet rails, raised toilet seats, bath benches, bath stools, hand held showers, paraffin baths, bath mats, and spas.
- **Fixtures to Real Property:** ceiling lifts and wheelchair ramps.
- **Car/Van Modifications.**
- **Air Quality Items:** room humidifiers, vaporizers and air purifiers.
- **Other Equipment:** centrifuges, needleless injectors, heat lamps, heating pads, cryounits, cryotherapy machines, ultraviolet cabinets that emit Ultraviolet A (UVA) rays, sheepskin pads and boots, postural drainage board, AC/DC adaptors, scales (baby and adult), stair gliders, elevators,

saunas, cervical and lumbar traction devices, exercise equipment and diathermy machines.

01-21

External Prosthetic Appliances and Devices

- charges made or ordered by a Physician for: the initial purchase and fitting of external prosthetic appliances and devices available only by prescription which are necessary for the alleviation or correction of Injury, Sickness or congenital defect.

External prosthetic appliances and devices include prostheses/prosthetic appliances and devices; orthoses and orthotic devices; braces; and splints.

Prostheses/Prosthetic Appliances and Devices

Prostheses/prosthetic appliances and devices are defined as fabricated replacements for missing body parts.

Prostheses/prosthetic appliances and devices include, but are not limited to:

- limb prostheses;
- terminal devices such as hands or hooks;
- speech prostheses; and
- facial prostheses.

Orthoses and Orthotic Devices

Orthoses and orthotic devices are defined as orthopedic appliances or apparatuses used to support, align, prevent or correct deformities. Coverage is provided for custom foot orthoses and other orthoses as follows:

- Non-foot orthoses – only the following non-foot orthoses are covered:
 - rigid and semi-rigid custom fabricated orthoses;
 - semi-rigid prefabricated and flexible orthoses; and
 - rigid prefabricated orthoses including preparation, fitting and basic additions, such as bars and joints.
- Custom foot orthoses – custom foot orthoses are only covered as follows:
 - for persons with impaired peripheral sensation and/or altered peripheral circulation (e.g. diabetic neuropathy and peripheral vascular disease);
 - when the foot orthosis is an integral part of a leg brace and is necessary for the proper functioning of the brace;
 - when the foot orthosis is for use as a replacement or substitute for missing parts of the foot (e.g. amputated toes) and is necessary for the alleviation or correction of Injury, Sickness or congenital defect; and

- for persons with neurologic or neuromuscular condition (e.g. cerebral palsy, hemiplegia, spina bifida) producing spasticity, malalignment, or pathological positioning of the foot and there is reasonable expectation of improvement.

The following are specifically excluded orthoses and orthotic devices:

- prefabricated foot orthoses;
- cranial banding and/or cranial orthoses. Other similar devices are excluded except when used postoperatively for synostotic plagiocephaly. When used for this indication, the cranial orthosis will be subject to the limitations and maximums of the External Prosthetic Appliances and Devices benefit;
- orthosis shoes, shoe additions, procedures for foot orthopedic shoes, shoe modifications and transfers;
- non-foot orthoses primarily used for cosmetic rather than functional reasons; and
- non-foot orthoses primarily for improved athletic performance or sports participation.

Braces

A Brace is defined as an orthosis or orthopedic appliance that supports or holds in correct position any movable part of the body and that allows for motion of that part.

The following braces are specifically excluded: Copes scoliosis braces.

Splints

A Splint is defined as an appliance for preventing movement of a joint or for the fixation of displaced or movable parts.

Coverage for replacement of external prosthetic appliances and devices is limited to the following:

- replacement due to regular wear. Replacement for damage due to abuse or misuse by the person will not be covered.
- replacement required because anatomic change has rendered the external prosthetic appliance or device ineffective. Anatomic change includes significant weight gain or loss, atrophy and/or growth.
- replacement due to a surgical alteration or revision of the impacted site.

Coverage for replacement is limited as follows:

- no more than once every 24 months for persons 19 years of age and older.
- no more than once every 12 months for persons 18 years of age and under.

The following are specifically excluded external prosthetic appliances and devices:

- external and internal power enhancements for external prosthetic devices;
- microprocessor controlled prostheses and orthoses; and
- myoelectric prostheses and orthoses.

HC-COV1009

01-21

Infertility Services

- charges made for services related to diagnosis of infertility and treatment of infertility once a condition of infertility has been diagnosed. Services include, but are not limited to: infertility drugs which are administered or provided by a Physician; cryopreservation, storage, and thawing of sperm, eggs and embryos; approved surgeries and other therapeutic procedures that have been demonstrated in existing peer-reviewed, evidence-based, scientific literature to have a reasonable likelihood of resulting in pregnancy; laboratory tests; sperm washing or preparation; artificial insemination; diagnostic evaluations; gamete intrafallopian transfer (GIFT); in vitro fertilization (IVF); zygote intrafallopian transfer (ZIFT); and the services of an embryologist.

Infertility is defined as:

- the inability of opposite sex partners to achieve conception after at least one year of unprotected intercourse;
- the inability of opposite sex partners to achieve conception after six months of unprotected intercourse, when the female partner trying to conceive is age 35 or older;
- the inability of a woman, with or without an opposite sex partner, to achieve conception after at least six trials of medically supervised artificial insemination over a one-year period; and
- the inability of a woman, with or without an opposite sex partner, to achieve conception after at least three trials of medically supervised artificial insemination over a six-month period of time, when the female partner trying to conceive is age 35 or older.

This benefit includes diagnosis and treatment of both male and female infertility and male and female fertility preservation.

However, the following are specifically excluded infertility services:

- reversal of male and female voluntary sterilization;
- infertility services when the infertility is caused by or related to voluntary sterilization;
- donor charges and services; and

- any experimental, investigational or unproven infertility procedures or therapies.

Outpatient Therapy Services

Charges for the following therapy services:

Cognitive Therapy, Occupational Therapy, Osteopathic Manipulation, Physical Therapy, Pulmonary Rehabilitation, Speech Therapy

- charges for therapy services are covered when provided as part of a program of treatment.

Cardiac Rehabilitation

- charges for Phase II cardiac rehabilitation provided on an outpatient basis following diagnosis of a qualifying cardiac condition when Medically Necessary. Phase II is a Hospital-based outpatient program following an inpatient Hospital discharge. The Phase II program must be Physician directed with active treatment and EKG monitoring.

Phase III and Phase IV cardiac rehabilitation is not covered. Phase III follows Phase II and is generally conducted at a recreational facility primarily to maintain the patient's status achieved through Phases I and II. Phase IV is an advancement of Phase III which includes more active participation and weight training.

Chiropractic Care Services

- charges for diagnostic and treatment services utilized in an office setting by chiropractic Physicians. Chiropractic treatment includes the conservative management of acute neuromusculoskeletal conditions through manipulation and ancillary physiological treatment rendered to specific joints to restore motion, reduce pain, and improve function. For these services you have direct access to qualified chiropractic Physicians.

Coverage is provided when Medically Necessary in the most medically appropriate setting to:

- restore function (called “rehabilitative”):
 - to restore function that has been impaired or lost.
 - to reduce pain as a result of Sickness, Injury, or loss of a body part.
- improve, adapt or attain function (sometimes called “habilitative”):
 - to improve, adapt or attain function that has been impaired or was never achieved as a result of congenital abnormality (birth defect).
 - to improve, adapt or attain function that has been impaired or was never achieved because of mental health and substance use disorder conditions. Includes

conditions such as autism and intellectual disability, or mental health and substance use disorder conditions that result in a developmental delay.

Coverage is provided as part of a program of treatment when the following criteria are met:

- the individual's condition has the potential to improve or is improving in response to therapy, and maximum improvement is yet to be attained.
- there is an expectation that the anticipated improvement is attainable in a reasonable and generally predictable period of time.
- the therapy is provided by, or under the direct supervision of, a licensed health care professional acting within the scope of the license.
- the therapy is Medically Necessary and medically appropriate for the diagnosed condition.

Coverage for occupational therapy is provided only for purposes of enabling individuals to perform the activities of daily living after an Injury or Sickness.

Therapy services that are not covered include:

- sensory integration therapy.
- treatment of dyslexia.
- maintenance or preventive treatment provided to prevent recurrence or to maintain the patient's current status.
- charges for Chiropractic Care not provided in an office setting.
- vitamin therapy.

Coverage is administered according to the following:

- multiple therapy services provided on the same day constitute one day of service for each therapy type.
- a separate Copayment applies to the services provided by each provider for each therapy type per day.

Breast Reconstruction and Breast Prostheses

- charges made for reconstructive surgery following a mastectomy; benefits include: surgical services for reconstruction of the breast on which surgery was performed; surgical services for reconstruction of the nondiseased breast to produce symmetrical appearance; postoperative breast prostheses; and mastectomy bras and prosthetics, limited to the lowest cost alternative available that meets prosthetic placement needs. During all stages of mastectomy, treatment of physical complications, including lymphedema therapy, are covered.

Reconstructive Surgery

- charges made for reconstructive surgery or therapy to repair or correct a severe physical deformity or disfigurement which is accompanied by functional deficit; (other than abnormalities of the jaw or conditions related to TMJ disorder) provided that: the surgery or therapy restores or improves function; reconstruction is required as a result of Medically Necessary, noncosmetic surgery; or the surgery or therapy is required as a result of the congenital absence or agenesis (lack of formation or development) of a body part. Repeat or subsequent surgeries for the same condition are covered only when there is the probability of significant additional improvement as determined by the utilization review Physician.

12-17

Transplant Services and Related Specialty Care

Charges made for human organ and tissue transplant services which include solid organ and bone marrow/stem cell procedures at designated facilities throughout the United States or its territories. This coverage is subject to the following conditions and limitations.

Transplant services include the recipient's medical, surgical and Hospital services; inpatient immunosuppressive medications; and costs for organ or bone marrow/stem cell procurement. Transplant services are covered only if they are required to perform any of the following human to human organ or tissue transplants: allogeneic bone marrow/stem cell, autologous bone marrow/stem cell, cornea, heart, heart/lung, kidney, kidney/pancreas, liver, lung, pancreas or intestine which includes small bowel-liver or multi-visceral. Implantation procedures for artificial heart, percutaneous ventricular assist device (PVAD), extracorporeal membrane oxygenation (ECMO), ventricular assist device (VAD), and intra-aortic balloon pump (IABP) are also covered.

- All transplant services and related specialty care services, other than cornea transplants, are covered when received at Cigna LifeSOURCE Transplant Network[®] facilities.
- Transplant services and related specialty care services received at Participating Provider facilities specifically contracted with Cigna for those transplant services and related specialty care services, other than Cigna LifeSOURCE Transplant Network[®] facilities, are payable at the In-Network level.
- Transplant services and related specialty care services received at any other facility, including non-Participating Provider facilities and Participating Provider facilities not specifically contracted with Cigna for transplant services and related specialty care services, are not covered.

- Cornea transplants received at a facility that is specifically contracted with Cigna for this type of transplant are payable at the In-Network level.

Coverage for organ procurement costs are limited to costs directly related to the procurement of an organ, from a cadaver or a live donor. Organ procurement costs shall consist of hospitalization and surgery necessary for removal of an organ and transportation of a live donor (refer to Transplant and Related Specialty Care Travel Services). Compatibility testing undertaken prior to procurement is covered if Medically Necessary. Costs related to the search for, and identification of a bone marrow or stem cell donor for an allogeneic transplant are also covered.

Advanced cellular therapy, including but not limited to, immune effector cell therapies and Chimeric Antigen Receptor Therapy (CAR-T) cellular therapy, is covered when performed at a Cigna LifeSOURCE Transplant Network® facility with an approved stem cell transplant program. Advanced cellular therapy received at Participating Provider facilities specifically contracted with Cigna for advanced cellular therapy, other than Cigna LifeSOURCE Transplant Network® facilities, are payable at the In-Network level. Advanced cellular therapy received at any other facility, including non-Participating Provider facilities and Participating Provider facilities not specifically contracted with Cigna for advanced cellular therapy, are not covered.

Transplant and Related Specialty Care Travel Services

Charges made for non-taxable travel expenses incurred by you in connection with a pre-approved organ/tissue transplant are covered subject to the following conditions and limitations:

- Transplant and related specialty care travel benefits are not available for cornea transplants.
- Benefits for transportation and lodging are available to the recipient of a pre-approved organ/tissue transplant and/or related specialty care from a designated Cigna LifeSOURCE Transplant Network® facility.
- The term recipient is defined to include a person receiving authorized transplant related services during any of the following: evaluation, candidacy, transplant event, or post-transplant care.
- Travel expenses for the person receiving the transplant will include charges for: transportation to and from the designated Cigna LifeSOURCE Transplant Network® facility (including charges for a rental car used during a period of care at the Cigna designated LifeSOURCE Transplant Network® facility); and lodging while at, or traveling to and from the Cigna LifeSOURCE Transplant Network® facility.
- In addition to your coverage for the charges associated with the items above, such charges will also be considered covered travel expenses for one companion to accompany

you. The term companion includes your spouse, a member of your family, your legal guardian, or any person not related to you, but actively involved as your caregiver who is at least 18 years of age.

- The following are specifically excluded travel expenses: any expenses that if reimbursed would be taxable income; travel costs incurred due to travel within 60 miles of your home; food and meals; laundry bills; telephone bills; alcohol or tobacco products; and charges for transportation that exceed coach class rates.

These benefits for Transplant Services and Related Specialty Care, and for Transplant and Related Specialty Care Travel Services are only available when the covered person is the recipient of an organ/tissue transplant. Travel expenses for the designated live donor for a covered recipient are covered subject to the same conditions and limitations noted above.

Charges for the expenses of a donor companion are not covered. No transplant and related specialty care services or travel benefits are available when the covered person is the donor for an organ/tissue transplant; the transplant recipient's plan would cover all donor costs.

HC-COV1013

01-21

Medical Pharmaceuticals

The plan covers charges made for Medical Pharmaceuticals that are administered in an inpatient setting, outpatient setting, Physician's office, or in a covered person's home.

Benefits under this section are provided only for Medical Pharmaceuticals which, due to their characteristics (as determined by Cigna), are required to be administered, or the administration of which must be directly supervised, by a qualified Physician or Other Health Professional. Benefits payable under this section include Medical Pharmaceuticals whose administration may initially, or typically, require Physician oversight but may be self-administered under certain conditions specified in the product's FDA labeling.

Certain Medical Pharmaceuticals are subject to prior authorization requirements or other coverage conditions. Additionally, certain Medical Pharmaceuticals are subject to step therapy requirements. This means that in order to receive benefits for such Medical Pharmaceuticals, you are required to try a different Medical Pharmaceutical and/or Prescription Drug Product first.

Utilization management requirements or other coverage conditions are based on a number of factors which may include clinical and economic factors. Clinical factors may include, but are not limited to, the P&T Committee's evaluations of the place in therapy, relative safety or relative efficacy of Medical Pharmaceuticals as well as whether

certain supply limits or other utilization management requirements should apply. Economic factors may include, but are not limited to, the Medical Pharmaceutical's cost including, but not limited to, assessments on the cost effectiveness of the Medical Pharmaceuticals and available rebates. Regardless of its eligibility for coverage under your plan, whether a particular Prescription Drug Product is appropriate for you or any of your Dependents is a determination that is made by you (or your Dependent) and the prescribing Physician.

The coverage criteria for a Medical Pharmaceutical may change periodically for various reasons. For example, a Medical Pharmaceutical may be removed from the market, a new Medical Pharmaceutical in the same therapeutic class as a Medical Pharmaceutical may become available, or other market events may occur. Market events that may affect the coverage status of a Medical Pharmaceutical include, but are not limited to, an increase in the cost of a Medical Pharmaceutical.

HC-COV1184

01-22

Gene Therapy

Charges for gene therapy products and services directly related to their administration are covered when Medically Necessary. Gene therapy is a category of pharmaceutical products approved by the U.S. Food and Drug Administration (FDA) to treat or cure a disease by:

- replacing a disease-causing gene with a healthy copy of the gene.
- inactivating a disease-causing gene that may not be functioning properly.
- introducing a new or modified gene into the body to help treat a disease.

Each gene therapy product is specific to a particular disease and is administered in a specialized manner. Cigna determines which products are in the category of gene therapy, based in part on the nature of the treatment and how it is distributed and administered.

Coverage includes the cost of the gene therapy product; medical, surgical, and facility services directly related to administration of the gene therapy product; and professional services.

Gene therapy products and their administration are covered when prior authorized to be received at In-Network facilities specifically contracted with Cigna for the specific gene therapy service. Gene therapy products and their administration received at other facilities are not covered.

Gene Therapy Travel Services

Charges made for non-taxable travel expenses incurred by you in connection with a prior authorized gene therapy procedure are covered subject to the following conditions and limitations.

Benefits for transportation and lodging are available to you only when you are the recipient of a prior authorized gene therapy; and when the gene therapy products and services directly related to their administration are received at a participating In-Network facility specifically contracted with Cigna for the specific gene therapy service. The term recipient is defined to include a person receiving prior authorized gene therapy related services during any of the following: evaluation, candidacy, event, or post care.

Travel expenses for the person receiving the gene therapy include charges for: transportation to and from the gene therapy site (including charges for a rental car used during a period of care at the facility); and lodging while at, or traveling to and from, the site.

In addition to your coverage for the charges associated with the items above, such charges will also be considered covered travel expenses for one companion to accompany you. The term companion includes your spouse, a member of your family, your legal guardian, or any person not related to you, but actively involved as your caregiver who is at least 18 years of age.

The following are specifically excluded travel expenses: any expenses that if reimbursed would be taxable income, travel costs incurred due to travel within 60 miles of your home; food and meals; laundry bills; telephone bills; alcohol or tobacco products; and charges for transportation that exceed coach class rates.

Clinical Trials

This plan covers routine patient care costs and services related to an approved clinical trial for a qualified individual. The individual must be eligible to participate according to the trial protocol and **either** of the following conditions must be met:

- the referring health care professional is a participating health care provider and has concluded that the individual's participation in such trial would be appropriate; or
- the individual provides medical and scientific information establishing that the individual's participation in the clinical trial would be appropriate.

In addition to qualifying as an individual, the clinical trial must also meet certain criteria in order for patient care costs and services to be covered.

The clinical trial must be a phase I, phase II, phase III, or phase IV clinical trial conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition that meets **any** of the following criteria:

- it is a federally funded trial. The study or investigation is approved or funded (which may include funding through in-kind contributions) by one or more of the following:
 - National Institutes of Health (NIH);
 - Centers for Disease Control and Prevention (CDC);
 - Agency for Health Care Research and Quality (AHRQ);
 - Centers for Medicare and Medicaid Services (CMS);
 - a cooperative group or center of any of the entities described above or the Department of Defense (DOD) or the Department of Veterans Affairs (VA);
 - a qualified non-governmental research entity identified in NIH guidelines for center support grants.
- any of the following: Department of Energy, Department of Defense, Department of Veterans Affairs, if **both** of the following conditions are met:
 - the study or investigation has been reviewed and approved through a system of peer review comparable to the system of peer review of studies and investigations used by the National Institutes of Health (NIH); and
 - the study or investigation assures unbiased review of the highest scientific standards by qualified individuals who have no interest in the outcome of the review.
- the study or investigation is conducted under an investigational new drug application reviewed by the U.S. Food and Drug Administration (FDA);
- the study or investigation is a drug trial that is exempt from having such an investigational new drug application.

The plan does not cover any of the following services associated with a clinical trial:

- services that are not considered routine patient care costs and services, including the following:
 - the investigational drug, device, item, or service that is provided solely to satisfy data collection and analysis needs;
 - an item or service that is not used in the direct clinical management of the individual;
 - a service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.
- an item or service provided by the research sponsors free of charge for any person enrolled in the trial.

- travel and transportation expenses, unless otherwise covered under the plan, including but not limited to the following:
 - fees for personal vehicle, rental car, taxi, medical van, ambulance, commercial airline, train;
 - mileage reimbursement for driving a personal vehicle;
 - lodging;
 - meals.
- routine patient costs obtained out-of-network when Out-of-Network benefits do not exist under the plan.

Examples of routine patient care costs and services include:

- radiological services.
- laboratory services.
- intravenous therapy.
- anesthesia services.
- Physician services.
- office services.
- Hospital services.
- Room and Board, and medical supplies that typically would be covered under the plan for an individual who is not enrolled in a clinical trial.

Clinical trials conducted by Out-of-Network providers will be covered only when the following conditions are met:

- In-Network providers are not participating in the clinical trial; or
- the clinical trial is conducted outside the individual's state of residence.

Prescription Drug Benefits The Schedule		
For You and Your Dependents		
This plan provides Prescription Drug benefits for Prescription Drug Products provided by Pharmacies as shown in this Schedule. To receive Prescription Drug Benefits, you and your Dependents may be required to pay a Deductible, Copayment or Coinsurance requirement for Covered Expenses for Prescription Drug Products. You and your Dependents will pay 100% of the cost of any Prescription Drug Product excluded from coverage under this plan. The amount you and your Dependent pays for any excluded Prescription Drug Product to the dispensing Pharmacy, will not count towards your Deductible, if any, or Out-of-Pocket Maximum.		
Coinsurance		
The term Coinsurance means the percentage of the Prescription Drug Charge for a covered Prescription Drug Product that you or your Dependent are required to pay under this plan in addition to the Deductible, if any.		
Copayments (Copay)		
Copayments are amounts to be paid by you or your Dependent for covered Prescription Drug Products.		
Oral Chemotherapy Medication		
Prescription oral chemotherapy medication that is used to kill or slow the growth of cancerous cells is covered at Participating Pharmacies at 100% with no deductible and if applicable at Non-Participating Pharmacies, the same as the out of network medical cost share for injectable/IV chemotherapy. Any member cost share will not exceed \$200 per prescription.

Non-PPACA Preventive Medications		
Certain Generic Non-PPACA Preventive Medications identified by Cigna and that are dispensed by a retail or home delivery Pharmacy are not subject to the Copay and Coinsurance. Certain Brand Non-PPACA Preventive Medications identified by Cigna and that are dispensed by a retail or home delivery Pharmacy are not subject to the Copay and Coinsurance. You may determine whether a drug is a Non-PPACA Preventive Care Medication through the website shown on your ID card or by calling member services at the telephone number on your ID card.		

BENEFIT HIGHLIGHTS	NETWORK PHARMACY	NON-NETWORK PHARMACY
Patient Assurance Program Your plan offers additional discounts for certain covered Prescription Drug Products that are dispensed by a retail or home delivery Network Pharmacy included in what is known as the “Patient Assurance Program”. As may be described elsewhere in this plan, from time to time Cigna may directly or indirectly enter into arrangements with pharmaceutical manufacturers for discounts that result in a reduction of your Out-of-Pocket Expenses for certain covered Prescription Drug Products for which Cigna directly or indirectly earns the discounts. Specifically, some or all of the Patient Assurance Program discount earned by Cigna for certain covered Prescription Drug Products included in the Patient Assurance Program is applied or credited to a portion of your Copayment or Coinsurance, if any. The Copayment or Coinsurance, if any, otherwise applicable to those certain covered Prescription Drug Products as set forth in The Schedule may be reduced in order for Patient Assurance Program discounts earned by Cigna to be applied or credited to the Copayment or Coinsurance, if any, as described above. For example, certain insulin product(s) covered under the Prescription Drug Benefit for which Cigna directly or indirectly earns a discount in connection with the Patient Assurance Program shall result in a credit toward some or all of your Copayment or Coinsurance, if any, which, as noted, may be reduced from the amount set forth in The Schedule, for the insulin product. In addition, the covered insulin products eligible for Patient Assurance Program discounts shall not be subject to the Deductible, if any. Your Copayment or Coinsurance payment, if any, for covered Prescription Drug Products under the Patient Assurance Program counts toward your Out-of-Pocket Maximum. Any Patient Assurance Program discount that is used to satisfy your Copayment or Coinsurance, if any, for covered Prescription Drug Products under the Patient Assurance Program counts toward your Out-of-Pocket Maximum. Please note that the Patient Assurance Program discounts that Cigna may earn for Prescription Drug Products, and may apply or credit to your Copayment or Coinsurance, if any, in connection with the Patient Assurance Program are unrelated to any rebates or other payments that Cigna may earn from a pharmaceutical manufacturer for the same or other Prescription Drug Products. Except as may be noted elsewhere in this plan, you are not entitled to the benefit of those rebates or other payments earned by Cigna because they are unrelated to the Patient Assurance Program. Additionally, the availability of the Patient Assurance Program, as well as the Prescription Drug Products included in the Patient Assurance Program and/or your Copayment or Coinsurance, if any for those eligible Prescription Drug Products, may change from time to time depending on factors including, but not limited to, the continued availability of the Patient Assurance Program discount(s) to Cigna in connection with the Patient Assurance Program. More information about the Patient Assurance Program including the Prescription Drug Products included in the program, is available at the website shown on your ID card or by calling member services at the telephone number on your ID card.		
Insulin Drugs Coverage for prescription insulin drugs must cap the total amount that you are required to pay for each covered insulin drug prescription at an amount not to exceed \$30 for each 30-day supply of each insulin prescription. The maximum \$30 copayment for each 30-day supply of each covered insulin drug prescription must apply when an original prescription is dispensed as well as when refills of the prescription are dispensed, including early refills. Coverage for prescription insulin drugs must not be subject to any deductible.

Prescription Drug Benefits

Covered Expenses

Your plan provides benefits for Prescription Drug Products dispensed by a Pharmacy. Details regarding your plan's Covered Expenses, which for the purposes of the Prescription Drug Benefit include Medically Necessary Prescription Drug Products ordered by a Physician, Limitations, and Exclusions are provided below and/or are shown in The Schedule.

If you or any one of your Dependents, while insured for Prescription Drug Benefits, incurs expenses for charges made by a Pharmacy for Medically Necessary Prescription Drug Products ordered by a Physician, your plan provides coverage for those expenses as shown in The Schedule. Your benefits may vary depending on which of the Prescription Drug List tiers the Prescription Drug Product is listed, or the Pharmacy that provides the Prescription Drug Product.

Coverage under your plan's Prescription Drug Benefits also includes Medically Necessary Prescription Drug Products dispensed pursuant to a Prescription Order or Refill issued to you or your Dependents by a licensed dentist for the prevention of infection or pain in conjunction with a dental procedure.

When you or a Dependent are issued a Prescription Order or Refill for Medically Necessary Prescription Drug Products as part of the rendering of Emergency Services and Cigna determines that it cannot reasonably be filled by a Network Pharmacy, the prescription will be covered pursuant to the, as applicable, Copayment or Coinsurance for the Prescription Drug Product when dispensed by a Network Pharmacy.

Prescription Drug List Management

Your plan's Prescription Drug List coverage tiers may contain Prescription Drug Products that are Generic Drugs, Brand Drugs or Specialty Prescription Drug Products. Determination of inclusion of a Prescription Drug Product to a certain coverage tier on the Prescription Drug List and utilization management requirements or other coverage conditions are based on a number of factors which may include, clinical and economic factors. Clinical factors may include, but are not limited to, the P&T Committee's evaluations of the place in therapy, relative safety or relative efficacy of the Prescription Drug Product, as well as whether certain supply limits or other utilization management requirements should apply. Economic factors may include, but are not limited to, the Prescription Drug Product's acquisition cost including, but not limited to, assessments on the cost effectiveness of the Prescription Drug Product and available rebates. Regardless of its eligibility for coverage under the plan, whether a particular Prescription Drug Product is appropriate for you or any of your

Dependents is a determination that is made by you or your Dependent and the prescribing Physician.

The coverage status of a Prescription Drug Product may change periodically for various reasons. For example, a Prescription Drug Product may be removed from the market, a New Prescription Drug Product in the same therapeutic class as a Prescription Drug Product may become available, or other market events may occur. Market events that may affect the coverage status of a Prescription Drug Product include, but are not limited to, an increase in the acquisition cost of a Prescription Drug Product. As a result of coverage changes, for the purposes of benefits the plan may require you to pay more or less for that Prescription Drug Product, to obtain the Prescription Drug Product from a certain Pharmacy(ies) for coverage, or try another covered Prescription Drug Product(s). Please access the Prescription Drug List through the website shown on your ID card or call member services at the telephone number on your ID card for the most up-to-date tier status, utilization management, or other coverage limitations for a Prescription Drug Product.

HC-PHR433

01-21

Limitations

For most Prescription Drug Products you and your Dependent pay only the cost sharing detailed in The Schedule of Prescription Drug Benefits. However, in the event you or your Dependent insist on a more expensive Brand Drug where a Therapeutic Equivalent Generic Drug is available, you will be financially responsible for an Ancillary Charge, in addition to any required Brand Drug Copayment and/or Coinsurance. In this case, the Ancillary Charge will not apply to your Deductible, if any, or Out-of-Pocket Maximum. However, in the event your Physician determines that the Generic Drug is not an acceptable alternative for you (and indicates Dispensed as Written on the Prescription Order or Refill), you will only be responsible for payment of the appropriate Brand Drug Coinsurance and/or Copayment after satisfying your Deductible, if any.

Your plan includes a Brand Drug for Generic Drug dispensing program. This program allows certain Brand Drugs to be dispensed in place of the Therapeutic Equivalent Generic Drug at the time your Prescription Order or Refill is processed by a participating Pharmacy. Brand Drug for Generic Drug substitution will occur only for certain Brand Drugs included in the program. When this substitution program is applied, the participating Pharmacy will dispense the Brand Drug to you in place of the available Generic Drug. You will be responsible

for payment of only a Generic Drug Copayment and/or Coinsurance, after satisfying your Deductible, if any.

Prior Authorization Requirements

Coverage for certain Prescription Drug Products prescribed to you requires your Physician to obtain prior authorization from Cigna or its Review Organization. The reason for obtaining prior authorization from Cigna is to determine whether the Prescription Drug Product is Medically Necessary in accordance with Cigna's coverage criteria. Coverage criteria for a Prescription Drug Product may vary based on the clinical use for which the Prescription Order or Refill is submitted, and may change periodically based on changes in, without limitation, clinical guidelines or practice standards, or market factors.

If Cigna or its Review Organization reviews the documentation provided and determines that the Prescription Drug Product is not Medically Necessary or otherwise excluded, your plan will not cover the Prescription Drug Product. Cigna, or its Review Organization, will not review claims for excluded Prescription Drug Products or other services to determine if they are Medically Necessary, unless required by law.

When Prescription Drug Products that require prior authorization are dispensed at a Pharmacy, you or your prescribing Physician are responsible for obtaining prior authorization from Cigna. If you do not obtain prior authorization from us before the Prescription Drug Product is dispensed by the Pharmacy, you can ask us to consider reimbursement after you pay for and receive the Prescription Drug Product. You will need to pay for the Prescription Drug Product at the Pharmacy prior to submitting a reimbursement request.

When you submit a claim on this basis, you will need to submit a paper claim using the form that appears on the website shown on your ID card.

If a prior authorization request is approved, your Physician will receive confirmation. The authorization will be processed in the claim system to allow you to have coverage for the Prescription Drug Product. The length of the authorization may depend on the diagnosis and the Prescription Drug Product. The authorization will at all times be subject to the plan's terms of coverage for the Prescription Drug Product, which may change from time to time. When your Physician advises you that coverage for the Prescription Drug Product has been approved, you can contact a Pharmacy to fill the covered Prescription Order or Refill.

If the prior authorization request is denied, your Physician and you will be notified that coverage for the Prescription Drug Product is not authorized. If coverage for a non-formulary prescription drug is denied and your medical condition is such that waiting for the standard appeal process to be completed

would seriously jeopardize your life or health or would jeopardize your ability to regain maximum function, you may be eligible for an expedited review. We will complete expedited reviews within 48 hours of receiving clinical rationale for the exception from the prescribing Physician. If you disagree with a coverage decision, you may appeal that decision in accordance with the provisions of the plan by submitting a written request stating why the Prescription Drug Product should be covered. If you have questions about a specific Prescription Drugs List exception or prior authorization request, you should call Member Services at the toll-free number on the ID card.

Step Therapy

Certain Prescription Drug Products are subject to step therapy requirements. This means that in order to receive benefits for such Prescription Drug Products you are required to try a different Prescription Drug Product(s) first unless you satisfy the plan's exception criteria. You may identify whether a particular Prescription Drug Product is subject to step therapy requirements at the website shown on your ID card or by calling member services at the telephone number on your ID card.

Supply Limits

Benefits for Prescription Drug Products are subject to the supply limits that are stated in The Schedule. For a single Prescription Order or Refill, you may receive a Prescription Drug Product up to the stated supply limit.

Some products are subject to additional supply limits, quantity limits or dosage limits based on coverage criteria that have been approved based on consideration of the P&T Committee's clinical findings. Coverage criteria are subject to periodic review and modification. The limit may restrict the amount dispensed per Prescription Order or Refill and/or the amount dispensed per month's supply, or may require that a minimum amount be dispensed.

You may determine whether a Prescription Drug Product has been assigned a dispensing supply limit or similar limit or requirement at the website shown on your ID card or by calling member services at the telephone number on your ID card.

Coverage will be provided for a refill of any Prescription Drug Product prescribed for the treatment of a chronic illness, if the refill is scheduled to synchronize with your other/multiple Prescription Drug Product refills in accordance with a plan made between you, your health care practitioner, and the pharmacist.

Covered persons may obtain an emergency prescription for up to a 72-hour supply of covered prescription drugs on the health benefit plan formulary. This also includes prescription drugs that have been deleted from the health benefit plan formulary within the last 90-days and requires an exception

and the exception has neither been approved nor denied and a pharmacist has determined the medication is essential to the maintenance of life or to the continuation of therapy in a chronic condition, or the interruption of therapy might reasonably produce undesirable health consequences or may cause physical or mental discomfort.

For prescription eye drops, an early refill will be allowed when:

- For prescription eye drops dispensed as a 30-day supply, the enrollee requests the refill no earlier than 21 days after the later of the following dates:
 - The date the original prescription was dispensed to the enrollee; or
 - The date that the most recent refill of the prescription was dispensed to the enrollee.
- For prescription eye drops dispensed as a 90-day supply, the enrollee requests the refill no earlier than 63 days after the later of the following dates:
 - The date the original prescription was dispensed to the enrollee; or
 - The date that the most recent refill of the prescription was dispensed to the enrollee;
 - The prescribing health care provider indicated on the original prescription that a specific number of refills are authorized;
 - The refill requested by the enrollee does not exceed the number of refills indicated on the original prescription;
 - The prescription has not been refilled more than once during the 90-day or 90-day period prior to the request for an early refill; and
 - The prescription eye drops are a covered benefit under the enrollee's health plan.

Specialty Prescription Drug Products

Benefits are provided for Specialty Prescription Drug Products. If you require Specialty Prescription Drug Products, you may be directed to a Designated Pharmacy with whom Cigna has an arrangement to provide those Specialty Prescription Drug Products.

Designated Pharmacies

If you require certain Prescription Drug Products, including, but not limited to, Specialty Prescription Drug Products, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Prescription Drug Products. If you are directed to a Designated Pharmacy and you choose not to obtain your Prescription Drug Product from a Designated Pharmacy, you may receive reduced or no coverage for the Prescription Drug Product. Refer to The Schedule for further information.

New Prescription Drug Products

New Prescription Drug Products may or may not be placed on a Prescription Drug List tier upon market entry. Cigna will use reasonable efforts to make a tier placement decision for a New Prescription Drug Product within six months of its market availability. Cigna's tier placement decision shall be based on consideration of, without limitation, the P&T Committee's clinical review of the New Prescription Drug Product and economic factors. If a New Prescription Drug Product not listed on the Prescription Drug List is approved by Cigna or its Review Organization as Medically Necessary in the interim, the New Prescription Drug Product shall be covered at the applicable coverage tier as set forth in The Schedule.

Hormonal Contraceptive Drugs

A pharmacist will be allowed to dispense Hormonal Contraceptive Drugs based on a standing order written by a Physician or advanced practice registered nurse. An initial screening performed by a pharmacist for a standing order for Hormonal Contraceptive Drugs is covered. Coverage includes reimbursement for contraceptives prescribed for up to a 12-month period. There is no coverage for more than one 12-month contraceptive prescription in a single plan year. A 12-month prescription for a contraceptive drug is not subject to utilization review requirements or other limitations to control the prescribing or dispensing of contraceptives to an amount that is less than a 12-month supply. When a therapeutic equivalent of a drug or device for an FDA-approved contraceptive method is available, a cost-share may apply as long as at least one drug or device for that method is available without cost-sharing. If your provider recommends a particular FDA-approved contraceptive drug or device based on a medical determination, coverage for that prescribed contraceptive drug or device is available without cost-sharing.

Hormonal Contraceptive Drugs means pills, patches, and rings which the United States Food and Drug Administration (FDA) classifies as available by prescription for the purpose of contraception or emergency contraception. It does not include similar items classified as over the counter by the FDA, intrauterine devices, shots, or intradermal implants.

Outpatient contraceptive services means consultations, examinations, and medical services, provided on an outpatient basis, including the initial screening, provided through a pharmacy at a rate established by contract between the pharmacy and your provider or its pharmacy benefits manager, and related to the use of contraceptive methods to prevent pregnancy which has been approved by the U.S. Food and Drug Administration.

Standing order means a written and signed protocol authored by one or more Physicians or one or more advanced practice registered nurses licensed in this state. This agreement must specify a protocol allowing the pharmacist to dispense Hormonal Contraceptives under the delegated prescriptive

authority of the Physician or APRN, specify a mechanism to document screening performed and the prescription your medical record, and include a plan for evaluating and treating adverse events. This prescription must be regarded as being issued for a legitimate medical purpose in the usual course of professional practice.

Medication Synchronization

Medication synchronization refers to the coordination of medication refills for a patient taking two or more medications for a chronic, long-term condition such that the patient's medications are refilled on the same schedule for a given time period.

If you or your Dependent requests medication synchronization for a new prescription, your prescription may be filled as follows:

- For less than a 30-day supply of the Prescription Drug Product;
- A synchronization must only occur once per year per maintenance-prescription drug.

Upon your request, the prescribing provider or pharmacist shall:

- Determine that filling or refilling the prescription is in your best interest, taking into account the appropriateness of synchronization for the drug being dispensed.

Prescription drug coverage shall provide for medication synchronization for an insured if all of the following conditions are met: 1) the insurer must apply a prorated, daily cost-sharing rate to covered prescriptions dispensed by an In-Network pharmacy; 2) the insurer must not reimburse or pay any dispensing fee that is prorated. The insurer must only pay or reimburse a dispensing fee that is based on each maintenance-prescription drug dispensed.

To be eligible a drug must: 1) be covered by the policy, certificate, or contract; 2) have authorized refills that remain available to the customer; 3) meet all utilization management requirements specific to the maintenance-prescription drugs that are being requested to be synchronized; 4) be effectively split over required short-fill periods to achieve synchronization; 5) not be a controlled substance included in schedules II-V; 6) not have quantity limits or dose-optimization criteria or requirements that will be violated by synchronizing the medications.

Coverage will be provided for epinephrine auto-injectors at the same cost share, subject to the same requirements, as any other similar benefit.

Your Payments

Covered Prescription Drug Products purchased at a Pharmacy are subject to any applicable Deductible, Copayments or Coinsurance shown in The Schedule, as well as any limitations or exclusions set forth in this plan. Please refer to The Schedule for any required Copayments, Coinsurance, Deductibles or Out-of-Pocket Maximums.

Copayment

Your plan requires that you pay a Copayment for covered Prescription Drug Products as set forth in The Schedule. After satisfying any applicable annual Deductible set forth in The Schedule, your costs under the plan for a covered Prescription Drug Product dispensed by a Network Pharmacy and that is subject to a Copayment requirement will be the lowest of the following amounts:

- the Copayment for the Prescription Drug Product set forth in The Schedule; or
- the Prescription Drug Charge; or
- the Network Pharmacy's submitted Usual and Customary (U&C) Charge, if any.

Payments at Non-Network Pharmacies

Any reimbursement due to you under this plan for a covered Prescription Drug Product dispensed by a non-Network Pharmacy may be determined by applying the Deductible, if any, and/or non-Network Pharmacy Coinsurance amount set forth in The Schedule to the average wholesale price (or "AWP"), or other benchmark price Cigna applies, for a Prescription Drug Product dispensed by a non-Network Pharmacy. Your reimbursement, if any, for a covered Prescription Drug Product dispensed by a non-Network Pharmacy will never exceed the average wholesale price (or other benchmark price applied by Cigna) for the Prescription Drug Product.

When a treatment regimen contains more than one type of Prescription Drug Products that are packaged together for your or your Dependent's convenience, any applicable Copayment or Coinsurance may apply to each Prescription Drug Product.

You will need to obtain prior approval from Cigna or its Review Organization for any Prescription Drug Product not listed on the Prescription Drug List that is not otherwise excluded. If Cigna or its Review Organization approves coverage for the Prescription Drug Product because it meets the applicable coverage exception criteria, the Prescription Drug Product shall be covered at the applicable coverage tier as set forth in The Schedule.

The amount you or your Dependent pays for any excluded Prescription Drug Product or other product or service will not be included in calculating any applicable plan Out-of-Pocket Maximum. You are responsible for paying 100% of the cost

(the amount the Pharmacy charges you) for any excluded Prescription Drug Product or other product.

Exclusions

Coverage exclusions listed under the “Exclusions, Expenses Not Covered and General Limitations” section also apply to benefits for Prescription Drug Products. In addition, the exclusions listed below apply to benefits for Prescription Drug Products. When an exclusion or limitation applies to only certain Prescription Drug Products, you can access the internet through the website shown on your ID card or call member services at the telephone number on your ID card for information on which Prescription Drug Products are excluded.

- coverage for Prescription Drug Products for the amount dispensed (days' supply) which exceeds the applicable supply limit, or is less than any applicable supply minimum set forth in The Schedule, or which exceeds quantity limit(s) or dosage limit(s) set by the P&T Committee.
- more than one Prescription Order or Refill for a given prescription supply period for the same Prescription Drug Product prescribed by one or more Physicians and dispensed by one or more Pharmacies.
- Prescription Drug Products dispensed outside the jurisdiction of the United States, except as required for emergency or Urgent Care treatment.
- Prescription Drug Products which are prescribed, dispensed or intended to be taken by or administered to you while you are a patient in a licensed Hospital, Skilled Nursing Facility, rest home, rehabilitation facility, or similar institution which operates on its premises or allows to be operated on its premises a facility for dispensing pharmaceutical products.
- Prescription Drug Products furnished by the local, state or federal government (except for a Network Pharmacy owned or operated by a local, state or federal government).
- any product dispensed for the purpose of appetite suppression (anorectics) or weight loss.
- prescription and non-prescription supplies other than supplies covered as Prescription Drug Products.
- medications used for cosmetic purposes, including, without limitation, medications used to reduce wrinkles, medications used to promote hair growth and fade cream products.
- Prescription Drug Products as a replacement for a previously dispensed Prescription Drug Product that was lost, stolen, broken or destroyed.
- Medical Pharmaceuticals covered solely under the plan's medical benefits.
- any ingredient(s) in a compounded Prescription Drug Product that has not been approved by the U.S. Food and Drug Administration (FDA).
- medications available over-the-counter that do not require a Prescription Order or Refill by federal or state law before being dispensed, unless state or federal law requires coverage of such medications or the over-the-counter medication has been designated as eligible for coverage as if it were a Prescription Drug Product.
- certain Prescription Drug Products that are a Therapeutic Equivalent or Therapeutic Alternative to an over-the-counter drug(s), or are available in over-the-counter form. Such coverage determinations may be made periodically, and benefits for a Prescription Drug Product that was previously excluded under this provision may be reinstated at any time.
- any product for which the primary use is a source of nutrition, nutritional supplements, or dietary management of disease, even when used for the treatment of Sickness or Injury, unless coverage for such product(s) is required by federal or state law.
- medications used for travel prophylaxis unless specifically identified on the Prescription Drug List.
- immunization agents, virus detection testing, virus antibody testing, biological products for allergy immunization, biological sera, blood, blood plasma and other blood products or fractions unless specifically identified on the Prescription Drug List.
- certain Prescription Drug Products that are a Therapeutic Equivalent or Therapeutic Alternative to another covered Prescription Drug Product(s). Such coverage determinations may be made periodically, and benefits for a Prescription Drug Product that was previously excluded under this provision may be reinstated at any time.
- medications that are experimental, investigational or unproven as described under the “General Exclusion and Limitations” section of your plan's certificate.

Reimbursement/Filing a Claim

Retail Pharmacy

When you or your Dependents purchase your Prescription Drug Products through a Network Pharmacy, you pay any applicable Copayment, Coinsurance, or Deductible shown in The Schedule at the time of purchase. You do not need to file a claim form for a Prescription Drug Product obtained at a Network Pharmacy unless you pay the full cost of a Prescription Drug Product at a Network Pharmacy and later seek reimbursement for the Prescription Drug Product under the plan. For example, if you must pay the full cost of a Prescription Drug Product to the retail Network Pharmacy because you did not have your ID card, then you must submit a claim to Cigna for any reimbursement or benefit you believe is due to you under this plan. If, under this example, your payment to the retail Network Pharmacy for the covered Prescription Drug Product exceeds any applicable copay, then you will be reimbursed the difference, if any, between the applicable copay and the Prescription Drug Charge for the Prescription Drug Product.

If you obtain a covered Prescription Drug Product dispensed by a non-Network Pharmacy, then you must pay the non-Network Pharmacy for the Prescription Drug Product and then submit a claim to Cigna for any reimbursement or benefit you believe is due to you under this plan. You can obtain a claim form through the website shown on your ID card or by calling member services at the telephone number on your ID card.

Exclusions, Expenses Not Covered and General Limitations

Exclusions and Expenses Not Covered

Additional coverage limitations determined by plan or provider type are shown in The Schedule. Payment for the following is specifically excluded from this plan:

- care for health conditions that are required by state or local law to be treated in a public facility.
- care required by state or federal law to be supplied by a public school system or school district.
- care for military service disabilities treatable through governmental services if you are legally entitled to such treatment and facilities are reasonably available.
- treatment of an Injury or Sickness which is due to war, declared, or undeclared.

- charges which you are not obligated to pay and/or for which you are not billed. This exclusion includes, but is not limited to:
 - any instance where Cigna determines that a provider or Pharmacy did not bill you for, or has waived, reduced, or forgiven any portion of its charges and/or any portion of any Copayment, Deductible, and/or Coinsurance amount(s) you are required to pay for an otherwise Covered Expense (as shown on The Schedule) without Cigna's express consent.
 - charges of a non-Participating Provider who has agreed to charge you at an In-Network benefits level or some other benefits level not otherwise applicable to the services received.

In the event that Cigna determines that this exclusion applies, then Cigna in its sole discretion shall have the right to:

- require you and/or any provider or Pharmacy submitting claims on your behalf to provide proof sufficient to Cigna that you have made your required cost-share payment(s) prior to the payment of any benefits by Cigna;
- deny the payment of benefits in connection with the Covered Expense, regardless of whether the provider or the Pharmacy represents that you remain responsible for any amounts that your plan does not cover; or
- reduce the benefits in proportion to the amount of the Copayment, Deductible, and/or Coinsurance amounts waived, forgiven or reduced, regardless of whether the provider or Pharmacy represents that you remain responsible for any amounts that your plan does not cover.

Provided further, if you use a coupon provided by a pharmaceutical manufacturer or other third party that discounts the cost of a prescription medication or other product, Cigna may, in its sole discretion, reduce the benefits provided under the plan in proportion to the amount of the Copayment, Deductible, and/or Coinsurance amounts to which the value of the coupon has been applied by the Pharmacy or other third party, and/or exclude from accumulation toward any plan Deductible or Out-of-Pocket Maximum the value of any coupon applied to any Copayment, Deductible and/or Coinsurance you are required to pay.

- charges or payment for health care-related services that violate state or federal law.
- for or in connection with experimental, investigational or unproven services.

Experimental, investigational and unproven services are medical, surgical, diagnostic, psychiatric, substance use disorder or other health care technologies, supplies, treatments, procedures, drug therapies or devices that are determined by the utilization review Physician to be:

- not approved by the U.S. Food and Drug Administration (FDA) or other appropriate regulatory agency to be lawfully marketed for the proposed use;
- not demonstrated, through existing peer-reviewed, evidence-based, scientific literature to be safe and effective for treating or diagnosing the condition or Sickness for which its use is proposed;
- the subject of review or approval by an Institutional Review Board for the proposed use except as provided in the “Clinical Trials” sections of this plan; or
- the subject of an ongoing phase I, II or III clinical trial, except for routine patient care costs related to qualified clinical trials as provided in the “Clinical Trials” sections of this plan.

In determining whether any such technologies, supplies, treatments, drug or Biologic therapies, or devices are experimental, investigational, and/or unproven, the utilization review Physician may rely on the clinical coverage policies maintained by Cigna or the Review Organization. Clinical coverage policies may incorporate, without limitation and as applicable, criteria relating to U.S. Food and Drug Administration-approved labeling, the standard medical reference compendia and peer-reviewed, evidence-based scientific literature or guidelines.

The plan or policy shall not deny coverage for a drug therapy or device as experimental, investigational and unproven if the drug therapy or device is otherwise approved by the FDA to be lawfully marketed and is recognized for treatment of the prescribed indication in one of the standard reference compendia or in the medical literature.

- cosmetic surgery and therapies. Cosmetic surgery or therapy is defined as surgery or therapy performed to improve or alter appearance or self-esteem.
- the following services are excluded, unless Medically Necessary: surgeries for gynecomastia (abnormal enlargement of a man’s breasts); surgical treatment of varicose veins (enlarged veins that are swollen and raised above the surface of the skin); abdominoplasty (plastic surgery of the abdomen in which excess fatty tissue and skin are removed, usually for cosmetic purposes); panniculectomy (surgical excision of the abdominal apron of superficial fat in the obese); rhinoplasty (plastic surgery of the nose); blepharoplasty (plastic surgery of the eyelids).
- the following services are excluded from coverage regardless of clinical indications: redundant skin surgery;

removal of skin tags; acupressure; craniosacral/cranial therapy; dance therapy; movement therapy; applied kinesiology; rolfing; prolotherapy; and extracorporeal shock wave lithotripsy (ESWL) for musculoskeletal and orthopedic conditions.

- surgical and non-surgical treatment of Temporomandibular Joint Dysfunction (TMJ) except for Medically Necessary Orthognathic surgery and craniofacial muscle disorders.
- dental treatment of the teeth, gums or structures directly supporting the teeth, including dental X-rays, examinations, repairs, orthodontics, periodontics, casts, splints and services for dental malocclusion, for any condition. However, charges made for a continuous course of dental treatment for an Injury to teeth are covered. Additionally, charges made by a Physician for any of the following Surgical Procedures are covered: excision of unerupted impacted wisdom tooth, including removal of alveolar bone and sectioning of tooth; removal of residual root (when performed by a Dentist other than the one who extracted the tooth).
- for or in connection with treatment of the teeth or periodontium, except as provided for in Covered Expenses.
- reports, evaluations, physical examinations, or hospitalization not required for health reasons including, but not limited to, employment, insurance or government licenses, and court-ordered, forensic or custodial evaluation, unless otherwise covered under this plan.
- The court-order exclusion does not apply to court-ordered services for minors. Benefits for such court-ordered services shall be subject to the same dollar limits, Deductibles, Copayments and Coinsurance factors and to the terms and conditions of the policy and certificate, including any managed care provisions. However, the claimant or claimant’s representative shall have 48 hours from the commencement of a court-ordered, services, placement, or program to seek any pre-authorization, pre-certification, or referral required under the terms of the policy.
- any services or supplies for the treatment of male or female sexual dysfunction such as, but not limited to, treatment of erectile dysfunction (including penile implants), anorgasmy, and premature ejaculation.
- non-medical counseling and/or ancillary services including, but not limited to Custodial Services, educational services, vocational counseling, training and rehabilitation services, behavioral training, biofeedback, neurofeedback, hypnosis, sleep therapy, return to work services, work hardening programs, and driver safety courses.
- therapy or treatment intended primarily to improve or maintain general physical condition or for the purpose of enhancing job, school, athletic or recreational performance, including but not limited to routine, long term, or

maintenance care which is provided after the resolution of the acute medical problem and when significant therapeutic improvement is not expected.

- consumable medical supplies other than ostomy supplies and urinary catheters. Excluded supplies include, but are not limited to bandages and other disposable medical supplies, skin preparations and test strips, except as specified in the “Home Health Care Services” or “Breast Reconstruction and Breast Prostheses” sections of this plan.
- private Hospital rooms and/or private duty nursing except as provided under the Home Health Care Services provision.
- personal or comfort items such as personal care kits provided on admission to a Hospital, television, telephone, newborn infant photographs, complimentary meals, birth announcements, and other articles which are not for the specific treatment of an Injury or Sickness.
- artificial aids including, but not limited to, corrective orthopedic shoes, arch supports, elastic stockings, garter belts, corsets and dentures. (See the Covered Expenses section of this certificate for information regarding coverage of scalp hair prostheses.)
- aids or devices that assist with non-verbal communications, including but not limited to communication boards, pre-recorded speech devices, laptop computers, desktop computers, Personal Digital Assistants (PDAs), Braille typewriters, visual alert systems for the deaf and memory books.
- corrective lenses, eyeglass lenses and frames, contact lenses and associated services (exams and fittings), except the initial set after treatment of keratoconus or following cataract surgery.
- routine refractions, eye exercises and surgical treatment for the correction of a refractive error, including radial keratotomy.
- all non-injectable prescription drugs unless Physician administration or oversight is required, injectable prescription drugs to the extent they do not require Physician supervision and are typically considered self-administered drugs, non-prescription drugs, and investigational and experimental drugs, except as provided in this plan.
- routine foot care, including the paring and removing of corns and calluses and toenail maintenance. However, foot care services for diabetes, peripheral neuropathies and peripheral vascular disease are covered when Medically Necessary.
- membership costs and fees associated with health clubs, weight loss programs and smoking cessation programs.
- genetic screening or pre-implantations genetic screening. General population-based genetic screening is a testing

method performed in the absence of any symptoms or any significant, proven risk factors for genetically linked inheritable disease.

- dental implants for any condition.
- fees associated with the collection, storage, or donation of blood or blood products, except for autologous donation in anticipation of scheduled services when medical management review determines the likelihood of excess blood loss is such that transfusion is an expected adjunct to surgery.
- blood administration for the purpose of general improvement in physical condition.
- cost of biologicals that are immunizations or medications for the purpose of travel, or to protect against occupational hazards and risks.
- health and beauty aids cosmetics, and dietary supplements.
- all nutritional supplements, formulae, enteral feedings, supplies and specially formulated medical foods, whether prescribed or not, except for infant formula needed for the treatment of inborn errors of metabolism.
- for or in connection with an Injury or Sickness arising out of, or in the course of, any employment for wage or profit.
- charges related to an Injury or Sickness payable under worker’s compensation or similar laws.
- massage therapy, except as covered when Medically Necessary under Chiropractic Care Services.

General Limitations

No payment will be made for expenses incurred for you or any one of your Dependents:

- for charges made by a Hospital owned or operated by or which provides care or performs services for, the United States Government, if such charges are directly related to a military-service-connected Injury or Sickness.
- any charges related to care provided through a public program, other than Medicaid.
- for charges which would not have been made if the person did not have coverage.
- to the extent that they are more than Maximum Reimbursable Charges.
- to the extent of the exclusions imposed by any certification requirement shown in this plan.
- expenses for services, supplies, care, treatment, drugs, or surgery that are not Medically Necessary.
- charges made by any Physician or Other Health Professional who is a member of your family or your Dependent's family.

- expenses incurred outside the United States other than expenses for Medically Necessary emergency or urgent care while temporarily traveling abroad.

Coordination of Benefits

This section describes what this Plan will pay for Covered Expenses that are also covered under one or more other Plans. You should file all claims with each Plan.

Definitions

For the purposes of this section, the following terms have the meanings set forth below:

Plan

Any of the following that provides benefits or services for medical care or treatment:

- An insurance policy or certificate or HMO service agreement issued to an individual or a group; or a self-insured group health Plan providing benefits in the form of reimbursement or services for medical care or treatment/items except for Medicare supplement insurance.
- Medicare and other governmental benefit program except for Medicaid.
- Medical benefits coverage under any form of group or individual automobile insurance.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

Primary Plan

The Plan pays first as determined by the Order of Benefit Determination Rules below.

Secondary Plan

The Plan that pays after the Primary Plan as determined by the Order of Benefit Determination Rules below. The benefits under the Secondary Plan are reduced by the benefits under the Primary Plan.

Allowable Expense

The amount of charges considered for payment under the Plan for a Covered Service prior to any reductions due to Coinsurance, Copayment or Deductible amounts. If Cigna contracts with an entity to arrange for the provision of Covered Services through that entity's contracted network of health care providers, the amount that Cigna has agreed to pay that entity is the allowable amount used to determine your Coinsurance or Deductible payments. If the Plan provides benefits in the forms of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

Claim Determination Period

A calendar year, excluding any part of a calendar year during which you are not covered under this Plan or any date before this section or any similar provision takes effect.

Order of Benefit Determination Rules

A Plan that does not have coordination of benefits rules consistent with these rules is the Primary Plan. If the Plan has coordination of benefits rules consistent with these rules, the first of the following rules that applies to the situation is the one to use:

- The Plan that covers you as an enrollee or an employee shall be the Primary Plan and the Plan that covers you as a Dependent shall be the Secondary Plan;
- If you are a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the calendar year as an enrollee or employee;
- If you are the Dependent of divorced or separated parents, the Primary Plan for the Dependent shall be determined in the following order:
 - first, if a court decree states that one parent is responsible for the child's health care expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, then it shall be Primary, but only from the time of actual knowledge;
 - the Plan of the parent with custody of the child;
 - the Plan of the spouse of the parent with custody of the child;
 - the Plan of the parent not having custody of the child; and
 - the Plan of the spouse of the parent not having custody of the child.
- The Plan that covers you under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers you as an active employee or retiree (or as that employee's Dependent) shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans do not reach agreement on the order of benefit determination, this paragraph shall not apply.
- If one of the Plans that covers you is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not reach agreement on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be the Primary Plan.

When coordinating benefits with Medicare, this Plan will be the Secondary Plan and determine benefits after Medicare, where permitted by the Social Security Act of 1965, as amended. However, when more than one Plan is secondary to Medicare, the benefit determination rules identified above, will be used to determine how benefits will be coordinated.

Effect on the Benefits of This Plan

If this Plan is the Primary Plan, the amount this Plan pays for a Covered Expense will be determined without regard to the benefits payable under any other Plan.

If this Plan is the Secondary Plan, the amount this Plan pays for a Covered Expense is the Allowable Expense less the amount payable by the Primary Plan during a Claim Determination Period.

As each claim is submitted, Cigna will determine the following:

- whether the expense for which the claim is made is covered under this Plan; and
- whether you incurred any Covered Expenses during the Claims Determination Period that were not paid by this Plan or the Primary Plan.

Recovery of Excess Benefits

If this Plan is the Secondary Plan and Cigna pays charges for Covered Expenses that should have been paid by the Primary Plan, or if Cigna pays any amount in excess of what it is obligated to pay under this Plan, Cigna will have the right to recover the amount of the overpayment.

Cigna will have sole discretion to seek such recovery. If we request, you must execute and deliver to us such documents as we determine are necessary to secure the right of recovery.

Right to Receive and Release Information

Cigna, without consent or notice to you, may obtain information from and release information to any other Plan with respect to you in order to coordinate your benefits pursuant to this section. You must provide us with any information we request in order to coordinate your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, you will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 55 days of the request, the claim will be closed. If the requested information is subsequently received, the claim will be processed.

Coordination of Benefits with Medicare

If you, your spouse, or your Dependent are covered under this Plan and qualify for Medicare, federal law determines which Plan is the primary payer and which is the secondary payer. The primary payer always determines covered benefits first,

without considering what any other coverage will pay. The secondary payer determines its coverage only after the Primary Plan has completed its determination.

When Medicare is the Primary Payer

Medicare will be the primary payer and this Plan will be the secondary payer, even if you don't elect to enroll in Medicare or you receive services from a provider who does not accept Medicare payments, in the following situations:

- **COBRA or State Continuation**: You, your spouse, or your covered Dependent qualify for Medicare for any reason and are covered under this Plan due to COBRA or state continuation of coverage.
- **Retirement or Termination of Employment**: You, your spouse, or your covered Dependent qualify for Medicare for any reason and are covered under this Plan due to your retirement or termination of employment.
- **Disability**: You, your spouse, or your covered Dependent qualify for Medicare due to a disability, you are an active Employee, and your Employer has fewer than 100 employees.
- **Age**: You, your spouse, or your covered Dependent qualify for Medicare due to age, you are an active Employee, and your Employer has fewer than 20 employees.
- **End Stage Renal Disease (ESRD)**: You, your spouse, or your covered Dependent qualify for Medicare due to End Stage Renal Disease (ESRD) and you are an active or retired Employee. This Plan will be the primary payer for the first 30 months. Beginning with the 31st month, Medicare will be the primary payer.

When This Plan is the Primary Payer

This Plan will be the primary payer and Medicare will be the secondary payer in the following situations:

- **Disability**: You, your spouse, or your covered Dependent qualify for Medicare due to a disability, you are an active Employee, and your Employer has 100 or more employees.
- **Age**: You, your spouse, or your covered Dependent qualify for Medicare due to age, you are an active Employee, and your Employer has 20 or more employees.
- **End Stage Renal Disease (ESRD)**: You, your spouse, or your covered Dependent qualify for Medicare due to End Stage Renal Disease (ESRD) and you are an active or retired Employee. This Plan is the primary payer for the first 30 months. Beginning with the 31st month, Medicare will be the primary payer.

Domestic Partners

Under federal law, when Medicare coverage is due to age, Medicare is always the primary payer and this Plan is the secondary payer for a person covered under this Plan as a Domestic Partner. However, when Medicare coverage is due

to disability, the Disability payer explanations above will apply.

IMPORTANT: If you, your spouse, or your Dependent do not elect to enroll in Medicare Part B when first eligible, or you receive services from a provider who does not accept Medicare payments, this Plan will calculate payment based on what should have been paid by Medicare Part B as the primary payer if the person had been enrolled or had received services from a provider who accepts Medicare payments. A person is considered eligible for Medicare Part B on the earliest date any coverage under Medicare Part B could become effective.

Failure to Enroll in Medicare

If you, your spouse, or your Dependent do not enroll in Medicare Parts A and/or B during the person's initial Medicare enrollment period, or the person opts out of coverage, the person may be subject to Medicare late enrollment penalties, which can cause a delay in coverage and result in higher Medicare premiums when the person does enroll. It can also result in a reduction in coverage under Medicare Parts A and B. If you are planning to retire or terminate employment and you will be eligible for COBRA, state Continuation, or retiree coverage under this Plan, you should enroll in Medicare before you terminate employment to avoid penalties and to receive the maximum coverage under Medicare. Please consult Medicare or the Social Security Administration for more information.

Expenses For Which A Third Party May Be Liable

Expenses for which another party may be responsible may include:

- Expenses incurred by you or your Dependent; (hereinafter individually and collectively referred to as a "Participant") for which another party may be responsible as a result of having caused or contributed to an Injury or Sickness.
- Expenses incurred by a Participant to the extent any payment is received for them either directly or indirectly from a third party tortfeasor or as a result of a settlement,

judgment or arbitration award in connection with any automobile medical, uninsured or underinsured motorist, homeowners, workers' compensation, government insurance (other than Medicaid), or similar type of insurance or coverage.

Right of Reimbursement

If a Participant incurs a Covered Expense for which, in the opinion of the plan or its claim administrator, another party may be responsible or for which the Participant may receive payment as described above, the plan is granted a right of reimbursement, to the extent of the benefits provided by the plan, from the proceeds of any recovery whether by settlement, judgment, or otherwise.

- Subrogation: The plan shall, to the extent permitted by law, be subrogated to all rights, claims or interests that a Participant may have against such party and shall automatically have a lien upon the proceeds of any recovery by a Participant from such party to the extent of any benefits paid under the plan. A Participant or his/her representative shall execute such documents as may be required to secure the plan's subrogation rights.
- Right of Reimbursement: The plan is also granted a right of reimbursement from the proceeds of any recovery whether by settlement, judgment, or otherwise. This right of reimbursement is cumulative with and not exclusive of the subrogation right granted in paragraph 1, but only to the extent of the benefits provided by the plan.

Additional Terms

- No adult Participant hereunder may assign any rights that it may have to recover medical expenses from any third party or other person or entity to any minor Dependent of said adult Participant without the prior express written consent of the plan. The plan's right to recover shall apply to decedents', minors', and incompetent or disabled persons' settlements or recoveries.
- No Participant shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.
- No Participant hereunder shall incur any expenses on behalf of the plan in pursuit of the plan's rights hereunder, specifically; no court costs, attorneys' fees or other representatives' fees may be deducted from the plan's recovery without the prior express written consent of the plan. This right shall not be defeated by any so-called "Fund Doctrine", "Common Fund Doctrine", or "Attorney's Fund Doctrine".
- In the event that a Participant shall fail or refuse to honor its obligations hereunder, then the plan shall be entitled to recover any costs incurred in enforcing the terms hereof including, but not limited to, attorney's fees, litigation, court costs, and other expenses.

- Any reference to state law in any other provision of this plan shall not be applicable to this provision, if the plan is governed by ERISA. By acceptance of benefits under the plan, the Participant agrees that a breach hereof would cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, the plan shall be entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not limited to, specific performance, restitution, as well as injunctive relief.
- Participants must assist the plan in pursuing any subrogation or recovery rights by providing requested information.

Payment of Benefits

Assignment and Payment of Benefits

You may not assign to any party, including, but not limited to, a provider of healthcare services/items, your right to benefits under this plan, nor may you assign any administrative, statutory, or legal rights or causes of action you may have under ERISA, including, but not limited to, any right to make a claim for plan benefits, to request plan or other documents, to file appeals of denied claims or grievances, or to file lawsuits under ERISA. Any attempt to assign such rights shall be void and unenforceable under all circumstances.

You may, however, authorize Cigna to pay any healthcare benefits under this policy to a Participating or Non-Participating Provider. When you authorize the payment of your healthcare benefits to a Participating or Non-Participating Provider, you authorize the payment of the entire amount of the benefits due on that claim. If a provider is overpaid because of accepting duplicate payments from you and Cigna, it is the provider's responsibility to reimburse the overpayment to you. Cigna may pay all healthcare benefits for Covered Expenses directly Participating Provider without your authorization. You may not interpret or rely upon this discrete authorization or permission to pay any healthcare benefits to a Participating or Non-Participating Provider as the authority to assign any other rights under this policy to any party, including, but not limited to, a provider of healthcare services/items.

Even if the payment of healthcare benefits to a Non-Participating Provider has been authorized by you, Cigna may, at its option, make payment of benefits to you. When benefits are paid to you or your Dependent, you or your Dependents are responsible for reimbursing the Non-Participating Provider.

If any person to whom benefits are payable is a minor or, in the opinion of Cigna is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, Cigna may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

When one of our participants passes away, Cigna may receive notice that an executor of the estate has been established. The executor has the same rights as our insured and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release Cigna from all liability to the extent of any payment made.

Medically Necessary Ambulance services will be reimbursed to the Ambulance service provider directly or by a check payable to you and the Ambulance service provider, subject to the conditions of the policy, plan, or contract.

Recovery of Overpayment

When an overpayment has been made by Cigna, Cigna will have the right at any time to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment. In addition, your acceptance of benefits under this plan and/or assignment of Medical Benefits separately creates an equitable lien by agreement pursuant to which Cigna may seek recovery of any overpayment. You agree that Cigna, in seeking recovery of any overpayment as a contractual right or as an equitable lien by agreement, may pursue the general assets of the person or entity to whom or on whose behalf the overpayment was made.

Calculation of Covered Expenses

Cigna, in its discretion, will calculate Covered Expenses following evaluation and validation of all provider billings in accordance with:

- the methodologies in the most recent edition of the Current Procedural terminology.
- the methodologies as reported by generally recognized professionals or publications.

Termination of Insurance

Employees

Your insurance will cease on the earliest date below:

- the date you cease to be in a Class of Eligible Employees or cease to qualify for the insurance.
- the last day for which you have made any required contribution for the insurance.
- the date the policy is canceled.
- the last day of the calendar month in which your Active Service ends except as described below.

Any continuation of insurance must be based on a plan which precludes individual selection.

Injury or Sickness

If your Active Service ends due to an Injury or Sickness, your insurance will be continued while you remain totally and continuously disabled as a result of the Injury or Sickness. See the provision **Medical Benefits Extension** for information regarding this continued coverage.

Rescissions

Your coverage may not be rescinded (retroactively terminated) by Cigna or the plan sponsor unless: the plan sponsor or an individual (or a person seeking coverage on behalf of the individual) performs an act, practice or omission that constitutes fraud within two years of the date of issue; or the plan sponsor or an individual (or a person seeking coverage on behalf of the individual) makes an intentional misrepresentation of material fact within two years of the date of issue.

Dependents

Your insurance for all of your Dependents will cease on the earliest date below:

- the date your insurance ceases.
- the date you cease to be eligible for Dependent Insurance.
- the last day for which you have made any required contribution for the insurance.
- the date Dependent Insurance is canceled.

The insurance for any one of your Dependents will cease on the date that Dependent no longer qualifies as a Dependent.

Continuation of Coverage Under New Hampshire State Law

Any reference to “Dependent” includes your partner to a civil union.

Continuation of Medical Insurance – Employee

If you or your Dependent’s insurance would otherwise cease because of termination of employment, for reasons other than gross misconduct or carrier termination, your Medical insurance will be continued for up to 18 months upon payment of the required premium by you to your Employer. It will continue until the earliest of:

- 18 months from the date your work hours are reduced or your employment terminates;
- the last day of the period for which you have paid the required premium;
- the date you or your Dependent becomes entitled to Medicare;
- the date you or your Dependent becomes eligible for insurance under another group policy for medical benefits;
- the date the policy is canceled;
- the date a Dependent ceases to qualify as a Dependent.

Continuation of Medical Insurance — Disabled Individuals

If you are or your Dependent is disabled within 60 days of the date of termination of employment, you may continue health insurance for up to an additional 11 months beyond the 18 month period. To be eligible you or your Dependent must:

- be declared disabled under Title II or XVI by the Social Security Administration; and
- notify the plan administrator of the Social Security Administration's determination within 60 days following the determination and within the initial 18-month continuation period, and provide the plan administrator with a copy of the determination.

Continuation of Medical Insurance – Former Spouse

A covered former spouse is entitled to continue coverage following a final decree of divorce or legal separation, until the earliest of the following:

- the date you are no longer insured under the group policy for any reason (including the date of your death);
- the three-year anniversary of the final decree of divorce or legal separation;
- the date your former spouse remarries;
- the date you remarry;
- the date the court decree no longer requires continued coverage.

If coverage for a former spouse ends under this continuation provision for any of the reasons described, he or she is eligible to obtain up to an additional 36 months of continuation under the provision **Continuation of Medical Insurance - Dependent**.

Continuation of Medical Insurance — Dependent

If Medical insurance for your Dependents would otherwise cease because of: (1) your death; (2) your entitlement to Medicare; (3) divorce or legal separation; or (4) with respect to a Dependent child, failure to continue to qualify as a Dependent, Medical insurance may be continued upon payment of the required premium to the Employer. It will continue until the earliest of:

For a Dependent child:

- 36 months from the date of (1), (2), (3) or (4) above or when coverage reduction or termination takes place within one year of the date the Employer files for protection under the bankruptcy provisions of Title 11 of the United States Code, whichever may occur first;
- the last day for which the required premium has been paid;
- the date the Dependent child ceases to be a Dependent child;
- the date the Dependent becomes entitled to Medicare;
- the date the Dependent becomes covered under another group health plan;
- the date the policy is canceled.

For a spouse who is under age 55:

- 36 months from the date of (1), (2), (3) or (4) above or when coverage reduction or termination takes place within one year of the date the Employer files for protection under the bankruptcy provisions of Title 11 of the United States Code, whichever may occur first;
- the last day for which the required premium has been paid;
- the date the Dependent becomes entitled to Medicare;
- the date the Dependent becomes covered under another group health plan;
- the date the policy is canceled.

For a spouse who is age 55 or over:

- the date your former spouse becomes eligible for coverage under another group health plan;
- the date your former spouse becomes eligible for Medicare;
- the last day for which the required premium has been paid;
- the date the policy is canceled.

Notification and Election

Cigna will notify you (or in the case of divorce or legal separation, your former spouse) of the right to continue coverage within 30 days after receiving notice regarding loss

of coverage. You and your Dependents (or in the case of divorce or legal separation, your former spouse) must submit an application and first premium payment no later than 45 days after notice of the right to continue coverage was sent.

Continuation of Medical Insurance – Group Plan Termination

If group medical coverage for you or your Dependents is canceled because the group plan terminates, coverage may be continued from the date of cancellation until the earliest of the following:

- 39 weeks from the date group coverage is canceled;
- the date the person fails to make a timely premium payment;
- the date the person becomes eligible for benefits under another group plan or under Medicare; or
- the date your Dependent ceases to qualify as a Dependent under the provisions of the plan.

Notification and Election

If the group plan terminates because of nonpayment of group premium, Cigna will notify you of your right to continue coverage within 30 days after the termination date.

Termination of the group plan for nonpayment of premium will not occur before the expiration of any required grace period for premium payment.

You and/or your Dependents shall provide written notice of election together with the required premium within 31 days of the date of the notice. Your Employer may charge you and your Dependents up to 102% of the total premium.

If coverage for you and your Dependents ends because Cigna does not provide required notice of continuation, Cigna will be liable for any benefits payable during the lapse in coverage and you shall not be liable for any accrued and unpaid premium that was the employer's responsibility under the policy, or any amount previously paid by the person for coverage under the policy that due to the employer's actions was not paid to the carrier.

Interaction with Other Continuation

If coverage for you or your Dependents is being continued as provided under federal law, and the group plan is canceled before the continuation period expires, the person will be eligible for continued coverage as described above.

Special Continuation of Medical Insurance - Strike

If your Active Service ends due to strike, your insurance will be continued until the earliest of:

- 6 months past the date your Active Service ends;
- the date you fail to make a timely premium payment; or
- the date you become eligible for insurance under another group policy for medical benefits or Medicare.

Medical benefits only may be continued for an additional 12 months in accordance with federal law.

Medical Benefits Extension Upon Policy Cancellation

If the Medical Benefits under this plan cease for you or your Dependent; due to cancellation of the policy, and you or your Dependent is Totally Disabled on that date due to an Injury or Sickness, Medical Benefits will be paid for Covered Expenses incurred in connection with that Injury or Sickness. However, no benefits will be paid after the earliest of:

- the date you exceed the Maximum Benefit, if any, shown in the Schedule;
- the date you are covered for medical benefits under another group policy;
- the date you are no longer Totally Disabled;
- 12 months from the date your Medical Benefits cease; or
- 12 months from the date the policy is canceled.

Totally Disabled

You will be considered Totally Disabled if, because of an Injury or a Sickness:

- you are unable to perform the basic duties of your occupation; and
- you are not performing any other work or engaging in any other occupation for wage or profit.

Your Dependent will be considered Totally Disabled if, because of an Injury or a Sickness:

- he is unable to engage in the normal activities of a person of the same age, sex and ability; or
- in the case of a Dependent who normally works for wage or profit, he is not performing such work.

Except as shown in the Exception for Newborns section of this certificate, the terms of this Medical Benefits Extension will not apply to a child born as a result of a pregnancy which exists when you or your Dependent's Medical Benefits cease.

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Special Enrollment Rights Under the Health Insurance Portability & Accountability Act (HIPAA)

If you or your eligible Dependent(s) experience a special enrollment event as described below, you or your eligible Dependent(s) may be entitled to enroll in the Plan outside of a designated enrollment period upon the occurrence of one of the special enrollment events listed below. If you are already

enrolled in the Plan, you may request enrollment for you and your eligible Dependent(s) under a different option offered by the Employer for which you are currently eligible. If you are not already enrolled in the Plan, you must request special enrollment for yourself in addition to your eligible Dependent(s). You and all of your eligible Dependent(s) must be covered under the same option. The special enrollment events include:

- **Acquiring a new Dependent.** If you acquire a new Dependent(s) through marriage, birth, adoption or placement for adoption, you may request special enrollment for any of the following combinations of individuals if not already enrolled in the Plan: Employee only; spouse only; Employee and spouse; Dependent child(ren) only; Employee and Dependent child(ren); Employee, spouse and Dependent child(ren). Enrollment of Dependent children is limited to the newborn or adopted children or children who became Dependent children of the Employee due to marriage.
- **Loss of eligibility for State Medicaid or Children's Health Insurance Program (CHIP).** If you and/or your Dependent(s) were covered under a state Medicaid or CHIP plan and the coverage is terminated due to a loss of eligibility, you may request special enrollment for yourself and any affected Dependent(s) who are not already enrolled in the Plan. You must request enrollment within 60 days after termination of Medicaid or CHIP coverage.
- **Loss of eligibility for other coverage (excluding continuation coverage).** If coverage was declined under this Plan due to coverage under another plan, and eligibility for the other coverage is lost, you and all of your eligible Dependent(s) may request special enrollment in this Plan. If required by the Plan, when enrollment in this Plan was previously declined, it must have been declined in writing with a statement that the reason for declining enrollment was due to other health coverage. This provision applies to loss of eligibility as a result of any of the following:
 - divorce or legal separation;
 - cessation of Dependent status (such as reaching the limiting age);
 - death of the Employee;
 - termination of employment;
 - reduction in work hours to below the minimum required for eligibility;
 - you or your Dependent(s) no longer reside, live or work in the other plan's network service area and no other coverage is available under the other plan;
 - you or your Dependent(s) incur a claim which meets or exceeds the lifetime maximum limit that is applicable to all benefits offered under the other plan; or

- the other plan no longer offers any benefits to a class of similarly situated individuals.
- **Termination of Employer contributions (excluding continuation coverage).** If a current or former Employer ceases all contributions toward the Employee's or Dependent's other coverage, special enrollment may be requested in this Plan for you and all of your eligible Dependent(s).
- **Exhaustion of COBRA or other continuation coverage.** Special enrollment may be requested in this Plan for you and all of your eligible Dependent(s) upon exhaustion of COBRA or other continuation coverage. If you or your Dependent(s) elect COBRA or other continuation coverage following loss of coverage under another plan, the COBRA or other continuation coverage must be exhausted before any special enrollment rights exist under this Plan. An individual is considered to have exhausted COBRA or other continuation coverage only if such coverage ceases: due to failure of the Employer or other responsible entity to remit premiums on a timely basis; when the person no longer resides or works in the other plan's service area and there is no other COBRA or continuation coverage available under the plan; or when the individual incurs a claim that would meet or exceed a lifetime maximum limit on all benefits and there is no other COBRA or other continuation coverage available to the individual. This does not include termination of an Employer's limited period of contributions toward COBRA or other continuation coverage as provided under any severance or other agreement.
- **Eligibility for employment assistance under State Medicaid or Children's Health Insurance Program (CHIP).** If you and/or your Dependent(s) become eligible for assistance with group health plan premium payments under a state Medicaid or CHIP plan, you may request special enrollment for yourself and any affected Dependent(s) who are not already enrolled in the Plan. You must request enrollment within 60 days after the date you are determined to be eligible for assistance.

Except as stated above, special enrollment must be requested within 30 days after the occurrence of the special enrollment event. If the special enrollment event is the birth or adoption of a Dependent child, coverage will be effective immediately on the date of birth, adoption or placement for adoption. Coverage with regard to any other special enrollment event will be effective no later than the first day of the first calendar month following receipt of the request for special enrollment.

Domestic Partners and their children (if not legal children of the Employee) are not eligible for special enrollment.

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed:

- if you meet Special Enrollment criteria and enroll as described in the Special Enrollment section; or
- if your Employer agrees, and you meet the criteria shown in the following Sections B through H and enroll for or change coverage within the time period established by your Employer.

B. Change of status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid eligibility/entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in cost of coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in coverage of spouse or Dependent under another employer's plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Special Enrollment, Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

G. Reduction in work hours

If an Employee's work hours are reduced below 30 hours/week (even if it does not result in the Employee losing eligibility for the Employer's coverage); and the Employee (and family) intend to enroll in another plan that provides Minimum Essential Coverage (MEC). The new coverage must be effective no later than the 1st day of the 2nd month following the month that includes the date the original coverage is revoked.

H. Enrollment in a Qualified Health Plan (QHP)

The Employee must be eligible for a Special Enrollment Period to enroll in a QHP through a Marketplace or the Employee wants to enroll in a QHP through a Marketplace during the Marketplace's annual open enrollment period; and the disenrollment from the group plan corresponds to the intended enrollment of the Employee (and family) in a QHP through a Marketplace for new coverage effective beginning no later than the day immediately following the last day of the original coverage.

Eligibility for Coverage for Adopted Children

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the "Exception for Newborns" section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

Coverage for Maternity Hospital Stay

Group health plans and health insurance issuers offering group health insurance coverage generally may not, under a federal law known as the "Newborns' and Mothers' Health Protection Act": restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section; or require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of the above periods. The law generally does not prohibit an attending provider of the mother or newborn, in consultation with the mother, from discharging the mother or newborn earlier than 48 or 96 hours, as applicable.

Requirements of Family and Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

HC-FED93

10-17

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Claim Determination Procedures under ERISA

The following complies with federal law. Provisions of applicable laws of your state may supersede.

Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

Medical Necessity determinations are made on a preservice, concurrent, or postservice basis, as described below:

Certain services require prior authorization in order to be covered. The Certificate describes who is responsible for obtaining this review. You or your authorized representative (typically, your health care professional) must request prior authorization according to the procedures described below, in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents as applicable, and in the determination notices.

Note: An oral statement made to you by a representative of Cigna or its designee that indicates, for example, a particular service is a Covered Expense, is authorized for coverage by the plan, or that you are eligible for coverage is not a guarantee that you will receive benefits for services under this plan. Cigna will make a benefit determination after a claim is received from you or your authorized representative, and the benefit determination will be based on, your eligibility as of the date services were rendered to you and the terms and conditions of the plan in effect as of the date services were rendered to you.

Preservice Determinations

When you or your representative requests a required prior authorization, Cigna will notify you or your representative of the determination within 15 days after receiving the request. However, if more time is needed due to matters beyond Cigna's control, Cigna will notify you or your representative within 15 days after receiving your request. This notice will include the date a determination can be expected, which will

be no more than 30 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

If the determination periods above would seriously jeopardize your life or health, your ability to regain maximum function, or in the opinion of a health care professional with knowledge of your health condition, cause you severe pain which cannot be managed without the requested services, Cigna will make the preservice determination on an expedited basis. Cigna will defer to the determination of the treating health care professional regarding whether an expedited determination is necessary. Cigna will notify you or your representative of an expedited determination within 72 hours after receiving the request.

However, if necessary information is missing from the request, Cigna will notify you or your representative within 24 hours after receiving the request to specify what information is needed. You or your representative must provide the specified information to Cigna within 48 hours after receiving the notice. Cigna will notify you or your representative of the expedited benefit determination within 48 hours after you or your representative responds to the notice. Expedited determinations may be provided orally, followed within 3 days by written or electronic notification.

If you or your representative attempts to request a preservice determination, but fails to follow Cigna's procedures for requesting a required preservice determination, Cigna will notify you or your representative of the failure and describe the proper procedures for filing within 5 days (or 24 hours, if an expedited determination is required, as described above) after receiving the request. This notice may be provided orally, unless you or your representative requests written notification.

Concurrent Determinations

When an ongoing course of treatment has been approved for you and you wish to extend the approval, you or your representative must request a required concurrent coverage determination at least 24 hours prior to the expiration of the approved period of time or number of treatments. When you or your representative requests such a determination, Cigna will notify you or your representative of the determination within 24 hours after receiving the request.

Postservice Determinations

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your

representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: information sufficient to identify the claim including, if applicable, the date of service, provider and claim amount; diagnosis and treatment codes, and their meanings; the specific reason or reasons for the adverse determination including, if applicable, the denial code and its meaning and a description of any standard that was used in the denial; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, (if applicable); upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim; and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; a description of any available internal appeal and/or external review process(es); information about any office of health insurance consumer assistance or ombudsman available to assist you with the appeal process; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

COBRA Continuation Rights Under Federal Law

You're getting this notice because you recently gained coverage under a group health plan. This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following

qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension of 18-month period of COBRA Continuation Coverage

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or

XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition

provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;

- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Moving Out of Employer's Service Area or Elimination of a Service Area

If you and/or your Dependents move out of the Employer's service area or the Employer eliminates a service area in your location, your COBRA continuation coverage under the plan will be limited to out-of-network coverage only. In-network coverage is not available outside of the Employer's service area. If the Employer offers another benefit option through Cigna or another carrier which can provide coverage in your location, you may elect COBRA continuation coverage under that option.

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your

election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage

under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18 or 29 month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of

the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer’s Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

The cost of the Plan is shared by Employee and Employer.

The Plan's fiscal year ends on 12/31.

The preceding pages set forth the eligibility requirements and benefits provided for you under this Plan.

Plan Trustees

A list of any Trustees of the Plan, which includes name, title and address, is available upon request to the Plan Administrator.

Plan Type

The plan is a healthcare benefit plan.

Collective Bargaining Agreements

You may contact the Plan Administrator to determine whether the Plan is maintained pursuant to one or more collective bargaining agreements and if a particular Employer is a sponsor. A copy is available for examination from the Plan Administrator upon written request.

Discretionary Authority

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. Contact the Employer for the procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part or all of the Plan may be terminated. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later as explained in the Termination Section;)
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review the documents governing the Plan on the rules governing your federal continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of documents governing the plan or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan’s decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits

Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Appointment of Authorized Representative

You may appoint an authorized representative to assist you in submitting a claim or appealing a claim denial. However, Cigna may require you to designate your authorized representative in writing using a form approved by Cigna. At all times, the appointment of an authorized representative is revocable by you. To ensure that a prior appointment remains valid, Cigna may require you to re-appoint your authorized representative, from time to time.

Cigna reserves the right to refuse to honor the appointment of a representative if Cigna reasonably determines that:

- the signature on an authorized representative form may not be yours, or
- the authorized representative may not have disclosed to you all of the relevant facts and circumstances relating to the overpayment or underpayment of any claim, including, for example, that the billing practices of the provider of medical services may have jeopardized your coverage through the waiver of the cost-sharing amounts that you are required to pay under your plan.

If your designation of an authorized representative is revoked, or Cigna does not honor your designation, you may appoint a new authorized representative at any time, in writing, using a form approved by Cigna.

When You Have A Complaint Or An Appeal

For the purposes of this section, any reference to "you," "your," or "member" also refers to a representative or provider designated by you to act on your behalf, unless otherwise noted.

We want you to be completely satisfied with the care and services you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start with Customer Services

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, or contractual benefits, or a rescission of coverage, you can call our toll-free number 1-800-244-6224 and explain your concern to one of our Customer Services representatives. Please call at the Customer Services toll-free number 1-800-244-6224 or the number that appears on your benefit identification card, explanation of benefits or claim form.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you can start the appeals procedure.

Appeals Procedure

Cigna has a two-step appeals procedure for coverage decisions. To initiate an appeal for most claims, you must submit a request for an appeal in writing within 365 days of receipt of a denial notice. If you appeal a reduction or termination in coverage for an ongoing course of treatment that Cigna previously approved, you will receive, as required by applicable law, continued coverage pending the outcome of an appeal. Appeals may be submitted to the following address:

Cigna
National Appeals Organization (NAO)
PO Box 188011
Chattanooga, TN 37422

You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask to register your appeal by telephone. Call at the toll-free number 1-800-244-6224 or the number on your benefit identification card, explanation of benefits or claim form.

If Cigna fails to strictly adhere to all the requirements of the internal claims and appeals process, you may initiate an

external Independent Review and/or pursue any available remedies under applicable law.

Level One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level one appeals, we will respond in writing with a decision within 15 calendar days after we receive an appeal for a required preservice or concurrent care coverage determination, and within 30 calendar days after we receive an appeal for a post-service coverage determination.

You may request that the appeal process be expedited if: the time frames under this process would seriously jeopardize your life, health or ability to regain maximum functionality; or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services.

If you request that your appeal be expedited, you may also ask for an expedited external Independent Review at the same time, if the time to complete an expedited level-one appeal would be detrimental to your medical condition.

Cigna's Physician reviewer, in consultation with the treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, Cigna will respond orally with a decision within 72 hours, followed up in writing within 2 business days.

You have the right to proceed directly to external review if we do not issue a level one appeal decision within any of the above stated time frames. See the provision "Independent Review Procedure" for information on how to request an external appeal.

Level Two Appeal

If you are dissatisfied with our level one appeal decision, you may request a second review. To initiate a level two appeal, follow the same process required for a level one appeal.

If the appeal involves a coverage decision based on issues of Medical Necessity, clinical appropriateness or experimental treatment, a medical review will be conducted by a Physician reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Physician reviewer. For all other coverage plan-related appeals, a second-level review will be conducted by someone who was not involved in any previous decision related to your appeal, and not a subordinate of previous decision makers. Provide all relevant documentation with your second-level appeal request

For required preservice and concurrent care coverage determinations, Cigna's review will be completed within 15 calendar days and for post-service claims, Cigna's review will be completed within the 30 day time period from the initial date of filing the appeal or grievance. In the event any new or

additional information (evidence) is considered, relied upon or generated by Cigna in connection with the level-two appeal, Cigna will provide this information to you as soon as possible and sufficiently in advance of the decision, so that you will have an opportunity to respond. Also, if any new or additional rationale is considered by Cigna, Cigna will provide the rationale to you as soon as possible and sufficiently in advance of the decision so that you will have an opportunity to respond.

You will be notified in writing of the decision within five business days after the decision is made, and within the review time frames above if the Committee does not approve the requested coverage.

You may request that the appeal process be expedited if: the time frames under this process would seriously jeopardize your life, health or your ability to regain maximum functionality; or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services; or your appeal involves non-authorization of an admission or continuing inpatient Hospital stay. Cigna Physician reviewer, in consultation with the treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond orally with a decision within 72 hours, followed up in writing within 2 business days.

You have the right to proceed directly to external review if we do not issue an expedited level two appeal decision within the stated time frames. See the provision "Independent Review Procedure" for information on how to request an external appeal.

Independent Review Procedure

New Hampshire law gives you the right to an external appeal when health care services are denied by Cigna on the basis that the services are not Medically Necessary or that the services are experimental or investigational.

What is an External Appeal?

- New Hampshire law gives individuals who are covered by fully-insured, health or dental insurance plans the right to have a nationally-accredited, independent, medical review organization (IRO), which is not affiliated with his/her insurance company, review and assess whether the company's denial of a specific claim or requested service or treatment is justified. This type of review is available when a recommended service or treatment is denied on the basis that it does not meet the insurer's requirements for Medical Necessity, appropriateness, health care setting and level of care or effectiveness. This review is often called independent external appeal, external appeal, External Health Review or simply external review.

What Are The Eligibility Requirements For External Appeal?

To be eligible for external appeal the following conditions must be met:

- The patient must have a fully-insured health or dental insurance plan.
- The service that is the subject of the appeal request must be either a) a covered benefit under the terms of the insurance policy or b) a treatment that may be a covered benefit.
- Unless the patient meets the requirements for expedited external review (see below), the patient must have completed the internal appeal process provided by the insurer and have received a final, written decision from the insurer relative to its review.
 - Exception #1: The patient does not need to meet this requirement, if the insurer agrees in writing to allow the patient to skip its internal appeal process.
 - Exception #2: If the patient requested an internal appeal from the insurer, but has not received a decision from the insurer within the required time frame, the patient may apply for external appeal without having received the insurer's final, written decision.
- The patient must submit the request for external appeal to the Department within 180 days from the date appearing on the insurance company's letter, denying the requested treatment or service at the final level of the company's internal appeals process.
- The patient's request for external appeal may not be submitted for the purpose of pursuing a claim or allegation of healthcare provider malpractice, professional negligence, or other professional fault.

Types of Health Insurance For Which External Review Is Not Available

In general, independent external review is available only for private, managed care health insurance coverage. Service denials related to the following types of insurance coverage or health benefit programs are not reviewable under New Hampshire's external review law:

- Medicaid (except for coverage provided under the NH Premium Assistance Program).
- The New Hampshire Children's Health Insurance Program (CHIP).
- Medicare.
- All other government-sponsored health insurance or health services programs.
- Health benefit plans that are self-funded by employers.
- Note: Some self-funded plans provide external appeal rights which are administered by the Employer.

Can Someone Else Represent Me In My External Appeal?

Yes. A patient may designate an individual, including the treating health care provider, as his/her representative. To designate a representative, the patient must complete Section II of the external review application form entitled “Appointment of Authorized Representative.”

Submitting the External Appeal:

To request an external appeal, the patient or the designated representative must complete and submit the external review application form, available on the Department’s website (www.nh.gov/insurance), and all supporting documentation to the New Hampshire Insurance Department. There is no cost to the patient for an external appeal.

Please Submit the Following Documentation

- The completed external review application form – signed and dated on page 6. **The Department cannot process this application without the required signature(s)**
- A photocopy of the front and back of the patient’s insurance card or other evidence that the patient is insured by the insurance company, named in the appeal.
- A copy of the insurance company’s letter, denying the requested treatment or service at the final level of the company’s internal appeals process.
- Any medical records, statements from the treating health care provider(s) or other information that you would like the review organization to consider in its review.
- If requesting an expedited external appeal, the Provider’s Certification Form.

If you have questions about the application process or the documentation listed above, please call the Insurance Department at 1-800-852-3416.

Expedited External Review Applications

- May be faxed to (603)-271-1406, or
- Sent by overnight carrier to the Department’s mailing address.

What Is the Standard External Appeal Process and Time Frame for Receiving a Decision?

- Within 7 business days after receiving your application form, the Insurance Department (the Department) will complete a preliminary review of your application to determine whether your request is complete and whether the case is eligible for external review.

- If the request is not complete, the Department will inform the applicant what information or documents are needed in order to process the application. The applicant will have 10 calendar days to supply the required information or documents.
- If the request for external appeal is accepted, the Department will select and assign an IRO to conduct the external review and will provide a written notice of the acceptance and assignment to the applicant and the insurer.
- Within 10 calendar days after assigning your case to an IRO, the insurer must provide the applicant and the IRO a copy of all information in its possession relevant to the appeal.
- If desired, the applicant may submit additional information to the IRO by the 20th calendar day after the date the case was assigned to the selected IRO. During this period, the applicant may also present oral testimony via telephone conference to the IRO. However, oral testimony will be permitted only in cases when the Insurance Commissioner determines that it would not be feasible or appropriate to present only written information.
- To request a “teleconference,” complete Section VII of the application form entitled “Request for a Telephone Conference” or contact the Department no later than 10 days after receiving notice of the acceptance of the appeal.
- By the 40th calendar day after the date the case was assigned to the selected Independent Review Organization, the IRO shall review all of the information and documents received, b) render a decision upholding or reversing the determination of the insurer, and c) notify in writing the applicant and the insurer of the IRO’s review decision.

What is an Expedited External Review?

Whereas a standard external appeal may take 60 days, the expedited external appeal is available for those persons who would be significantly harmed by having to wait. An applicant may request expedited review by checking the appropriate box on the external review application form and by providing a Provider’s Certification Form, in which the treating provider attests that in his/her medical opinion adherence to the time frame for standard review would seriously jeopardize the patient’s life or health or would jeopardize the patient’s ability to regain maximum function. Expedited reviews must be completed in 72 hours.

If the applicant is pursuing an internal appeal with the insurer and anticipates requesting an expedited external appeal, please call the Department at 800-852-3416 to speak with a consumer services officer, so that accommodations may be made to receive and process the expedited request as quickly as possible.

Please note a patient has the right to request an expedited external appeal simultaneously with the insurer's expedited internal appeal.

What Happens When an Independent Review Organization Makes Its Decision?

- If the appeal was an expedited external appeal, in most cases the applicant and insurer will be notified of the IRO's decision immediately by telephone or fax. Written notification will follow.
- If the appeal was a standard external appeal, the applicant and insurer will be notified in writing.
- The IRO's decision is binding on the insurer and is enforceable by the Insurance Department. The decision is binding on the insurer and is enforceable by the Insurance Department. The decision is also binding on the patient except that it does not prevent the patient from pursuing other remedies through the courts under federal or state law.

If you have any questions, please contact the New Hampshire Insurance Department at 1-800-852-3416 and ask to speak to a consumer assistant.

Additional information regarding the External Appeal process can be obtained at the New Hampshire Insurance Department web site at:

Notice of Benefit Determination on Appeal

Every notice of a determination on appeal will be provided in writing or electronically and, if an adverse determination, will include: information sufficient to identify the claim; the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined; a statement describing any voluntary appeal procedures offered by the plan and the claimant's right to bring an action under ERISA section 502(a); upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and information about any office of health insurance consumer assistance or ombudsman available to assist you in the appeal process. A final notice of adverse determination will include a discussion of the decision. **If the notice is not initially provided in writing, then within 2 business days of receiving that notice you will also receive written confirmation of the decision that includes the information noted above.** You also have the right to bring a civil action

under section 502(a) of ERISA if you are not satisfied with the decision on review.

Relevant Information

Relevant Information is any document, record, or other information which was relied upon in making the benefit determination; was submitted, considered, or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit for the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

Legal Action

If your plan is governed by ERISA, you have the right to bring a civil action under section 502(a) of ERISA if you are not satisfied with the outcome of the appeals procedure. In most instances, you may not initiate a legal action against Cigna until you have completed the level one and level two appeal processes. If your appeal is expedited, there is no need to complete the level two process prior to bringing legal action.

No action at law or in equity will be brought to recover on the policy until at least 60 days after proof of loss has been filed with Cigna. No action will be brought at all unless brought within 2 years after the time within which proof of loss is required.

This service primarily helps the person in daily living. Custodial care also can provide medical services, given mainly to maintain the person's current state of health. These services cannot be intended to greatly improve a medical condition; they are intended to provide care while the patient cannot care for himself or herself. Custodial Services include but are not limited to:

- Services related to watching or protecting a person;
- Services related to performing or assisting a person in performing any activities of daily living, such as: walking, grooming, bathing, dressing, getting in or out of bed, toileting, eating, preparing foods, or taking medications that can be self administered, and
- Services not required to be performed by trained or skilled medical or paramedical personnel.

Dependent

Dependents are:

- your lawful spouse of the same or opposite sex; or
- your Domestic Partner; and
- any child of yours who is
 - less than 26 years old.
 - 26 or more years old and primarily supported by you and incapable of self-sustaining employment by reason of mental or physical disability which arose while the child was covered as a Dependent under this Plan, or while covered as a dependent under a prior plan with no break in coverage.

- any child who is mentally or physically incapable of earning his or her own living as of the date on which such child's status as a covered Dependent would otherwise expire because of age. The child will continue to be covered as long as he or she remains financially dependent on you. Proof of the child's condition and dependence may be required to be submitted to the plan within 31 days after the date the child ceases to qualify above.

A child includes a legally adopted child, including that child from the first day of placement in your home. However, if your petition of adoption is withdrawn or dismissed, coverage for the child will be terminated.

A child also includes a stepchild, a grandchild who lives with you, or a child for whom you are the legal guardian.

A Dependent child shall include a subscriber's child by blood or by law, who is under age 26.

Benefits for a Dependent child will continue until the last day of the calendar month in which the limiting age is reached.

Benefits for a Dependent child will continue until the last day of the calendar month in which the limiting age is reached.

Anyone who is eligible as an Employee will not be considered as a Dependent or Dependent spouse unless the Dependent or Dependent spouse declines Employee coverage. A child under age 26 may be covered as either an Employee or as a Dependent child. You cannot be covered as an Employee while also covered as a Dependent of an Employee.

No one may be considered as a Dependent of more than one Employee.

- shares your permanent residence;
- has resided with you for no less than one year;
- is no less than 18 years of age;
- is financially interdependent with you and has proven such interdependence by providing documentation of at least two of the following arrangements: common ownership of real property or a common leasehold interest in such property; community ownership of a motor vehicle; a joint bank account or a joint credit account; designation as a beneficiary for life insurance or retirement benefits or under your partner's will; assignment of a durable power of attorney or health care power of attorney; or such other proof as is considered by Cigna to be sufficient to establish financial interdependency under the circumstances of your particular case;
- is not a blood relative any closer than would prohibit legal marriage; and
- has signed jointly with you, a notarized affidavit attesting to the above which can be made available to Cigna upon request.

In addition, you and your Domestic Partner will be considered to have met the terms of this definition as long as neither you nor your Domestic Partner:

- has signed a Domestic Partner affidavit or declaration with any other person within twelve months prior to designating each other as Domestic Partners hereunder;
- is currently legally married to another person; or
- has any other Domestic Partner, spouse or spouse equivalent of the same or opposite sex.

You and your Domestic Partner must have registered as Domestic Partners, if you reside in a state that provides for such registration.

The section of this certificate entitled "COBRA Continuation Rights Under Federal Law" will not apply to your Domestic Partner and his or her Dependents.

All other provisions of this certificate including the section entitled "Termination of Insurance – Continuation of Coverage Under New Hampshire State Law" will apply to your Domestic Partner and his or her Dependents.

Maximum Reimbursable Charge - Medical

For services rendered in New Hampshire: If a radiology, pathology or anesthesia service is rendered in New Hampshire by an Out-of-Network provider in an In-Network Hospital or an In-Network ambulatory surgical center while you are receiving In-Network services at that In-Network facility, the allowable amount may be based on a commercially reasonable value as determined pursuant to New Hampshire law. If the provider and Cigna cannot agree on an allowable amount, Cigna or the provider may apply to the New Hampshire Insurance Commissioner for resolution. The provider may not attempt to collect from you any amount in excess of your cost-sharing amounts (any applicable deductible, copay or coinsurance) based upon the allowable amount.

The Maximum Reimbursable Charge is subject to all other benefit limitations and applicable coding and payment methodologies determined by Cigna. Additional information about how Cigna determines the Maximum Reimbursable Charge is available upon request.

The Maximum Reimbursable Charge for covered services for Open Access Plus is determined based on the lesser of:

- the provider's normal charge for a similar service or supply; or
- the amount agreed to by the Out-of-Network provider and Cigna, or
- a policyholder-selected percentage of a schedule developed by Cigna that is based upon a methodology similar to a methodology utilized by Medicare to determine the allowable fee for the same or similar service within the geographic market.

The percentage used to determine the Maximum Reimbursable Charge is listed in The Schedule.

In some cases, a Medicare based schedule will not be used and the Maximum Reimbursable Charge for covered services is determined based on the lesser of:

- the provider's normal charge for a similar service or supply; or
- the 80th percentile of charges made by providers of such service or supply in the geographic area where it is received as compiled in a database selected by Cigna. If sufficient charge data is unavailable in the database for that geographic area to determine the Maximum Reimbursable Charge, then data in the database for similar services may be used.

The Maximum Reimbursable Charge is subject to all other benefit limitations and applicable coding and payment methodologies determined by Cigna. Additional information about how Cigna determines the Maximum Reimbursable Charge is available upon request.

Medically Necessary/Medical Necessity

Medically Necessary/Medical Necessity means health care services or products provided to a covered person for the purpose of preventing, stabilizing, diagnosing, or treating an illness, Injury, or disease or the symptoms of an illness, Injury or disease in a manner that is:

- consistent with generally accepted standards of medical practice;
- clinically appropriate in terms of type, frequency, extent, site and duration;
- demonstrated through scientific evidence to be effective in improving health outcomes;
- representative of "best practices" in the medical profession; and
- not primarily for the convenience of the covered person, Physician or Other Health Professional.

In determining whether health care services, supplies, or medications are Medically Necessary, the Medical Director or Review Organization may rely on the clinical coverage policies maintained by Cigna or the Review Organization. Clinical coverage policies may incorporate, without limitation and as applicable, criteria relating to U.S. Food and Drug Administration-approved labeling, the standard medical reference compendia and peer-reviewed, evidence-based scientific literature or guidelines.

The following pages describe the features of your Cigna Choice Fund - Health Reimbursement Account.
Please read them carefully.

What You Should Know About Cigna Choice Fund[®] – Health Reimbursement Account

Cigna Choice Fund is designed to give you:

Control

More control over how your health care dollars are spent. The health services you get and where you get them are up to you.

Choice

You have the freedom to choose any licensed doctor. However, your costs will be lower for services from Cigna contracted health care professionals because they have agreed to accept discounted payments to help you make the most of your health care dollars.

Flexibility

Flexibility to help you proactively manage your health and maximize your plan coverage. By using our cost and quality tools to find a higher quality and more cost effective doctor, lab or facility, you can reduce the costs that are paid out of your HRA. And if you don't use all of the money in your health reimbursement account, some or all of the unused money may be added to your account for the following year, as long as you stay in the plan. Ask your employer, call Cigna, or log into www.myCigna.com to find out if your HRA limits the amount that can roll over to the next year.

Your plan covers medical care when you're sick, but also includes coverage for preventive care services to help keep you well. Your preventive care is covered at 100% in-network; therefore no HRA funds will need to be used for these services. Preventive health coverage is one of the most important benefits of your health plan. Getting the right preventive services at the right time can help you stay healthy by preventing diseases or by detecting a health problem at a stage that may be easier to treat. Make sure you take advantage of your fully covered in-network preventive care coverage. Log in to www.myCigna.com and read the Preventive Care Quick Reference Guide under the Review My Medical Coverage section.

Health Information and Education

Is it late at night, and you're not sure if you should go to the Emergency Room for an injury or just wait until your doctor is available the next day? Just call the toll-free number on your ID card to reach Cigna's 24-Hour Health Information Line. You'll have access to trained nurses who can help! You also have access to an audio library of health topics 24 hours a day. In addition, the Cigna Healthy Pregnancies, Healthy Babies[®] program provides prenatal education and support for mothers-to-be.

Tools & Support

We help you keep track with online benefits information, transactions, and account activity; medical and drug cost comparisons; monthly statements; and more. You also have toll-free access to dedicated Customer Service teams, specially trained to answer your questions and address your needs. Customer Service is available 24 hours a day, 7 days a week, every day of the year!

Savings on Health and Wellness Products and Services

Through Cigna Healthy Rewards[®], you can save money on a variety of health-related products and services. Offerings include laser vision correction, acupuncture, chiropractic care, weight loss programs, fitness club and equipment discounts and more.

Opportunity to earn funds for future use

If your employer offers the Cigna Healthy Future Account[®], you can earn funds to cover qualified expenses for future use, such as retirement. All or a portion of unused HRA funds at the end of each plan year will transfer to this account until you meet the eligibility requirements (such as retirement, reaching age 65, or accumulating a certain number of years of service with your employer). Once you reach your qualifying event, you may then use the Healthy Future Account to pay yourself back for certain expenses defined by your employer. See your benefits administrator for more details.

The Basics

How does it work?

The Cigna Choice Fund Health Reimbursement Account combines medical coverage with a reimbursement account that includes contributions from your employer.

- 1. Employer contribution:** Your employer deposits a specific amount of money in a health account to help you pay for some of the costs of covered medical expenses. The health services you receive and where you get them are up to you. The health care costs paid from your HRA typically count toward your deductible (an annual amount you'll pay before the health plan begins to pay for covered health care costs), reducing your share.
- 2. Your share:** Once you've used the money in your health account, you pay your expenses up to the deductible.
- 3. Your health plan:** After your deductible is met, you pay pre-determined coinsurance or copayments for eligible expenses and the plan pays the rest. When you meet your out-of-pocket maximum (the most you can pay in a plan year), your plan pays eligible expenses at 100%.

If you leave the plan or your employer, the account stays behind.

Which services are covered by my Health Reimbursement Account?

According to federal law, HRA funds can be used to cover only qualified medical expenses for you and your dependents. However, your employer may choose not to allow coverage for certain qualified expenses. Please refer to www.myCigna.com for information on the services for which your HRA funds may be used.

Which services are covered by my medical plan, and which will I have to pay out of my own pocket?

Covered services vary depending on your plan, so visit www.myCigna.com or check your plan materials in this booklet for specific information. In addition to your premiums deducted from your paycheck, you'll be responsible for paying:

- Initial HRA deductible (the portion of the medical plan deductible you must pay before using the money in your account).
- Costs for any services needed after you've spent your health fund, if you haven't met your deductible.
- Your coinsurance or copayments after you meet the deductible and your medical plan coverage begins.

If all of your medical expenses are covered services and the total cost doesn't exceed the amount in your HRA, you may not have additional out-of-pocket costs. Unused money may be available to you if you enroll in the plan again the following year. Check with your employer, call Cigna, or log into www.myCigna.com to see if this option is available to you.

Are services covered if I use out-of-network doctors?

You can visit any licensed doctor or facility. However, if you choose a doctor who participates with Cigna, your costs will be lower.

Tools and Resources at Your Fingertips

Cigna Healthy Awards Account

If your employer offers a Healthy Awards Account, take advantage of certain Cigna incentive award programs, and earn extra award dollars toward your health care expenses, all for taking charge of your health.

To encourage healthy lifestyles and wellness, your employer will deposit the incentive rewards into your health account upon completion of each activity. Your employer may limit how often you can earn awards. For details on these programs you can log into www.myCigna.com, or call Cigna 24/7/365. Always consult with your doctor before beginning or changing your treatment plan or exercise routines.

www.myCigna.com

www.myCigna.com provides fast, reliable and personalized information and services, including:

- Online access to your current account balance, past transactions and claim status, as well as your Explanation of Benefits and health statements.
- Medical cost and drug cost information, including cost estimates specific to you and your plan.
- Frequently asked questions about health care in general and Cigna Choice Fund specifically.
- A number of convenient, helpful tools that let you:

Compare costs

Use tools to compare costs and help you decide where to get care. You can compare out-of-pocket estimates, specific to your coverage plan, for actual treatment, procedures and costs.

Find out more about your local hospitals

Learn how hospitals rank by number of procedures performed, patients' average length of stay, and cost. Go to our online healthcare professional directory for average costs for certain procedures, including total charges and your out-of-pocket expense, based on your Cigna plan. You can also find hospitals that earn the Centers of Excellence designation based on effectiveness in treating selected procedures/conditions and cost.

Get the facts about your medication, cost, treatment options and side effects

Use the pharmacy tools to: check your prescription drug costs, listed by specific pharmacy and location (including Cigna Home Delivery Pharmacy); and review your claims history for the past 16 months. Look at condition-specific drug treatments and compare characteristics of more than 200 common medications. Evaluate up to 10 medications at once to better understand side effects, drug interactions and alternatives.

Take control of your health

Take the health risk assessment, an online questionnaire that can help you identify and monitor your health status. You can learn about preventive care and check your progress toward healthy goals. And if your results show that you may benefit from other services, you can learn about related Cigna programs on the same site.

Explore topics on medicine, health and wellness

Get information on more than 5,000 health conditions, health and wellness, first aid and medical exams through **Healthwise®** Medical Encyclopedia, an interactive library.

Keep track of your personal health information

Health Record is your central, secure location for your medical conditions, medications, allergies, surgeries, immunizations, and emergency contacts. You can add your health risk assessment results to **Health Record**, so you can easily print and share the information with your doctor. Your lab results from certain facilities can be automatically entered into your Personal Health Record.

Chart progress of important health indicators

Input key data such as blood pressure, blood sugar, cholesterol (Total/LDL/HDL), height and weight, and exercise regimen. **Health Tracker** makes it easy to chart the results and share them with your doctor.

Getting the Most from Your HRA

You make decisions every day, from buying the family car to choosing the breakfast cereal. Make yourself a more educated health care consumer and you'll find that you, too, can make a difference in the health care services you receive and what you ultimately pay.

Fast Facts

If you choose to see a Cigna participating health care professional, the cost is based on discounted rates, so your costs will be lower. If you visit a health care professional or facility not in the network, you may still use your HRA to pay for the cost of those services, but you will pay a higher rate, and you may have to file claims.

If you need hospital care, there are several tools to help you make informed decisions about quality and cost.

- With the Hospital Comparison tool on www.myCigna.com, you can learn how hospitals rank by number of procedures performed, patients' average length of stay, and cost.
- Visit our healthcare professional directory for Cigna Centers of Excellence, providing hospital scores for specific procedures/conditions, such as cardiac care, hip and knee replacement, and bariatric surgery. Scores are based on cost and effectiveness in treating the procedure/condition, based on publicly available data.
- www.myCigna.com also includes a Healthcare Professional Excellence Recognition Directory. This directory includes information on:
 - Participating physicians who have achieved recognition from the National Committee for Quality Assurance (NCQA) for diabetes and/or heart and stroke care.
 - Hospitals that fully meet The Leapfrog Group patient safety standards.

If you're not sure where to begin, you have access to health advocates.

You now have access to health specialists, including individuals trained as nurses, coaches, nutritionists and

clinicians, who will listen, understand your needs and help you find solutions, even when you're not sure where to begin. Partner with a health coach and get help to maintain good eating and exercise habits; support and encouragement to set and reach health improvement goals; and guidance to better manage conditions, including coronary artery disease, low back pain, osteoarthritis, high blood pressure, high cholesterol and more. From quick answers to health questions to assistance with managing more serious health needs, call the toll-free number on your Cigna ID card or visit www.myCigna.com. See your benefits administrator for more details about all of the services you have access to through your plan.

Wherever you go in the U.S., you take the Cigna 24-Hour Health Information LineSM with you.

Whether it's late at night, and your child has a fever, or you're traveling and you're not sure where to get care, or you don't feel well and you're unsure about the symptoms, you can call the Cigna 24-Hour Health Information Line whenever you have a question. Call the toll-free number on your Cigna ID card and you will speak to a nurse who will help direct you to the appropriate care.

A little knowledge goes a long way.

Getting the facts about your care, such as treatment options and health risks is important to your health and well-being, and your pocketbook. For instance:

- Getting appropriate preventive care is key to staying healthy. Visit www.myCigna.com to learn more about proper preventive care and what's covered under your plan.
- When it comes to medications, talk to your doctor about whether generic drugs are right for you. The brand name drugs you are prescribed may have generic alternatives that could lower your costs. If a generic version of your brand name drug is not available, other generic drugs with the same treatment effect may meet your needs.
- Tools on www.myCigna.com can help you take control of your health and health care spending. You can learn about medical topics and wellness, and keep track of your personal health information. You can also print personalized reports to discuss with your doctor.
