Registration is easy.
Please visit
myempirxhealth.com

How To Register

1. Navigate to myempirxhealth.com
2. Click on **Create An Account**.
3. Enter your information and click **Next**.
4. Enter the RxGRP and your Member ID from your combined medical/EmpiRx Health or EmpiRx Health only ID card (if your Member ID contains a hyphen, disregard the hyphen and any digits after) and click **Next**.
5. Create a username. Enter your phone number and your email address. Click **Next**.
6. Click on **Send Verification Code**.
7. Check your email and enter the verification code.
8. Create and confirm your password.
9. Once entered, click **Create My Account**.

Each spouse and/or dependent over the age of 18 must create their own account in the portal and provide access to other family members in order for their Protected Health Information (PHI) to be shared.
