Imagine what you could do with the First American Bank Health Account Services Mobile App

Check Balances

Wondering whether you can pay for an elective procedure or a mounting bill? Do a quick account check to see your current balance. No need to wait for an answer – it's right at your fingertips.

Scan Expenses

How can you easily determine which products can be paid for using your account funds? With First American Bank Health Account Services mobile app you can simply scan a product bar code to help determine eligibility as a qualified medical expense. That's peace of mind with a touch of a button.

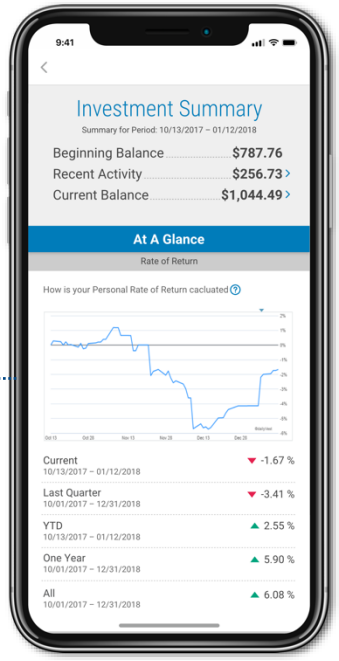

With a quick barcode scan, you'll know in an instant whether an item qualifies as an eligible expense.

Make Payments Quickly

Record a qualified medical expense and capture the receipt the moment the transaction happens. Easily add payees and pay bills from any account. And, if you pay out-of-pocket, file a claim with a receipt or request a distribution from your HSA -- right from your phone.

Manage HSA Investments[1]

Keep track of your HSA investment performance wherever you are. In addition to balance and activity details, a graphical snapshot shows the rate of return and performance over time. Analyze your asset mix and allocations with easy-to-read graphs to make informed decisions about your healthcare.

Check the activity of your HSA investments at any time, right from your mobile device.
