Our Commitment to You

Our employees make us the leading producer of quality iron castings. With that in mind, we have designed a strong benefits program that recognizes the diverse needs of our employees. The Waupaca Foundry benefits program aims to Cast a Bright Future for our Family and also to:

- Provide competitive and comprehensive benefit options that allow you to design your own plan
- Maintain a program that balances your individual needs with affordability
- Offer long-term financial security for you and your family

Considering the future needs of you and your family is critical in choosing the right mix of benefits. We encourage you to take time to review the cost of your benefits, different plan options and voluntary coverage before making your selections for your benefits eligibility start date. Consider both health and financial benefits that will support you and your family's health and well-being for the upcoming year.

We are Waupaca. Meet your Benefits Team!

The Waupaca Foundry Benefits Team strives to provide a rewarding employee experience. As an employer of choice, you're proud of what you do and we're proud to support you.

Meet the team that works relentlessly to collaborate and take care of the Waupaca Foundry team!

Rachel Lockwood, BSN, RN

Health Services & Benefits Manager

Years of Service: 5

About Me: I have been a Registered Nurse for over 30 years. I am passionate about helping you maximize the benefits that Waupaca Foundry, Inc. offers us. I have worked for other organizations through the years and the benefits offered to us at Waupaca Foundry are the best I have ever had! I am here to help you understand them, navigate what to use when, and find ways to keep you healthy while keeping money in your pocket.

Tony Christensen

Benefits & Compensation Analyst

Years of Service: 16

About Me: I have been a proud member of the Waupaca Foundry team for nearly 16 years. Beginning as a production employee, I later transitioned into a customer service position, and currently I hold the role of Benefits and Compensation Analyst. My goal is to help employees and their families understand our benefit and retirement offerings. I am here to assist you with making the best decisions both now and in the future. I take pride in offering my time and expertise to provide you with the answers you seek in a timely manner.

Deandre Zimmerman

Total Rewards and Leave Management

Years of Service: 15

About Me: I have been a proud member of the Waupaca Foundry family for 15 years, beginning as a summer student in 2010 and joining Human Resources full-time in 2012. Raised in a foundry family — my dad retired from Waupaca Foundry after more than 30 years — I bring a deep appreciation for our people and culture. In my current role as HR Business Partner for Total Rewards and Leave Management, my goal is to empower employees through competitive rewards, meaningful benefits, and seamless leave experiences, ensuring every employee feels valued, supported, and positioned to thrive.

Benefit Basics

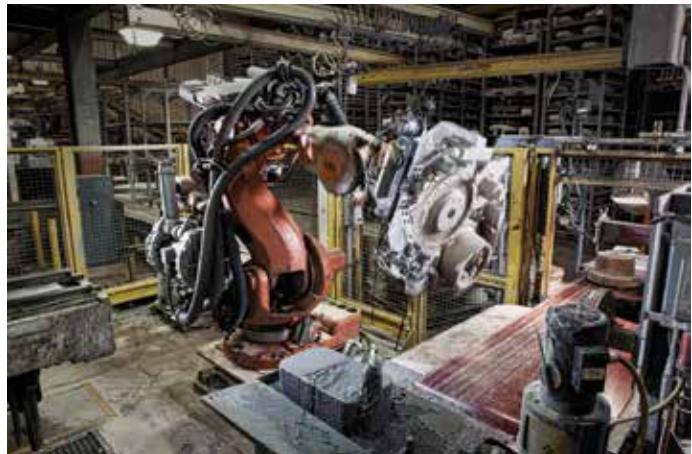

Eligibility

You and your dependents are eligible for the health and financial benefits described in this guide on your date of hire.

Your eligible dependents include:

- Your legally married spouse
- Children, stepchildren and adopted children up to age 26

You will be required to submit proof of Dependent verification within 30 days or they will lose coverage.

Qualified Life Events

The benefits you choose will be effective for the entire benefit plan year (May-April). Generally, you may only change your benefits once a year during Open Enrollment. However, you can change your benefits during the year if you experience a Life Event Change. These include:

- Marriage
- Divorce or legal separation
- Birth of your child
- Death of your spouse or dependent child
- Adoption of/placement for adoption of your child
- Change of employment status by you or your spouse
- Entitlement to Medicare or Medicaid

If you experience a Life Event Change, you must visit waupacafoundry.ehr.com to login within 60 days of the change. If you do not process your Life Event change within 60 days, you may have to wait until the next annual Open Enrollment period to make changes, unless you have another Life Event Change.

Once you have initiated your life event notification, you will have 30 days to provide supporting documentation, such as a birth certificate or marriage certificate.

Health Care Terms to Know

Knowing these health care terms can help you better understand how the plans work.

ANNUAL DEDUCTIBLE

Your annual deductible is the amount you pay for medical expenses, prescription drugs and other covered services before your plan begins sharing the cost.

CARRIER MOBILE APPS

Use all the available tools and resources to save health care dollars. Most carriers offer an easy-to-use mobile app to check claims, coverages, and funding dollars, etc.

COINSURANCE

A percentage you and your plan pay when you're sharing costs. Coinsurance kicks in after you meet your annual deductible.

COPAY

A fixed amount you pay for a covered health care service (e.g., primary care physician office visit or emergency room visit).

IN-NETWORK PROVIDER

Doctors, hospitals and services that contract with your plan are called in-network providers. You usually pay less when you use an in-network provider.

MEDICAL PREMIUMS (RATES)

The medical premium is the amount deducted from your paychecks to pay for your medical coverage. Your deductions come out of your paycheck before taxes.*

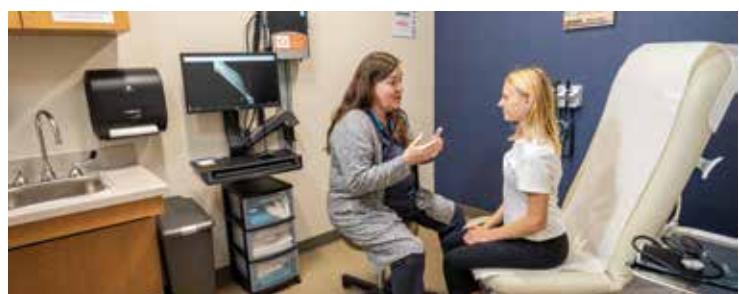

OUT-OF-POCKET MAXIMUM

The most an employee could pay during a coverage period (one benefit year) for his/her share of the costs of covered services, including copayments and coinsurance.

PREVENTIVE CARE

Regular preventive care has been proven to keep you healthy in the long-term and save you money. Most preventive care services are covered at 100 percent from in-network providers (age and eligibility rules may apply). Take advantage of your medical plan's preventive examinations.

Preventive services are paid at 100% and include services such as physicals, immunizations & screenings. For a listing of covered services please visit the website: <https://www.healthcare.gov/coverage/preventive-care-benefits/>.

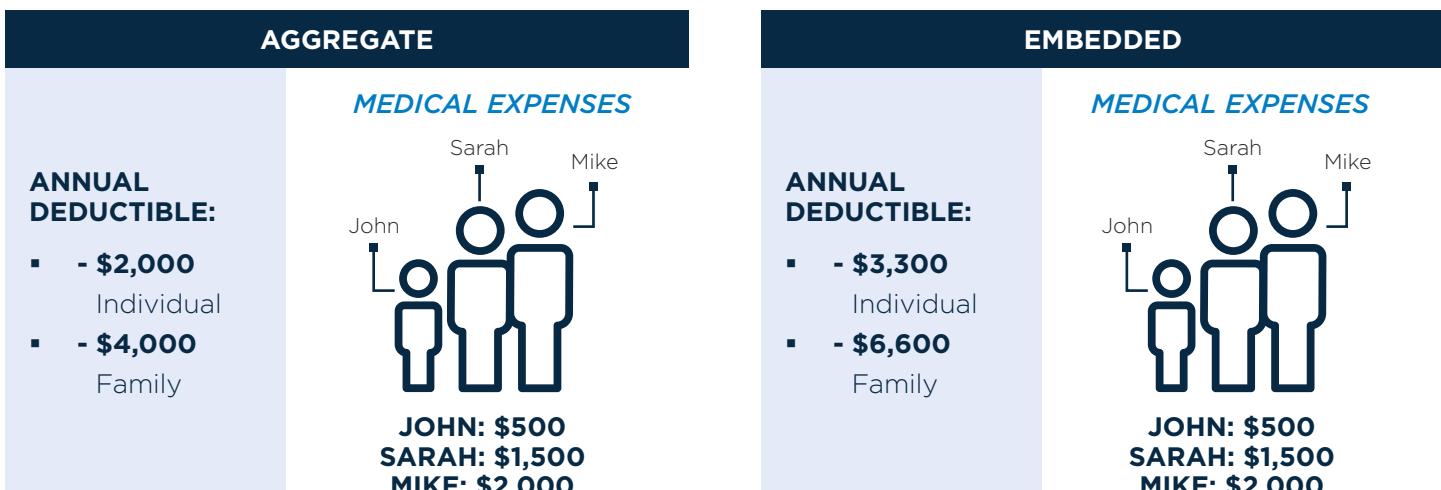

Understanding Aggregate vs. Embedded Deductibles

An aggregate deductible and an embedded deductible are two different ways of calculating the deductible for your medical plan. Here's a brief explanation of each:

Embedded Deductible: There are two deductible amounts within one plan; single and family. The single deductible is embedded in the family deductible, so no one family member can contribute more than the single amount toward the family deductible. Each person has their own deductible to meet, however, if two or more family members meet the individual deductibles, the family deductible is met for all remaining family members.

- When one person meets the individual deductible, the plan begins paying coinsurance for just that member. If deductible expenses for a combination of two or more family members reach the family amount, the plan begins paying coinsurance for all covered family members.
- When one person's expenses meet the individual out-of-pocket maximum, the plan will pay 100% of additional covered expenses for just that family member. If expenses for a combination of two or more family members reach the family out-of-pocket maximum amount, the plan will pay 100% of additional covered expenses for all covered family members for the rest of the plan year.

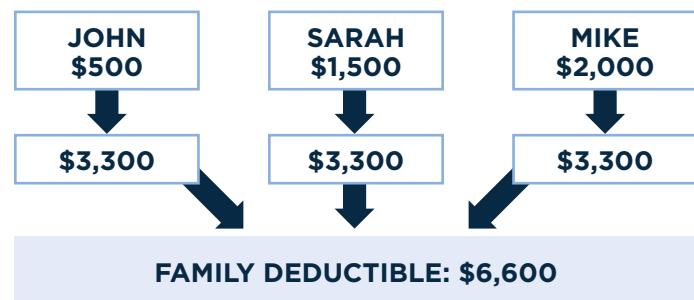

Aggregate Deductible: All covered family members contribute towards reaching the same deductible. Once the total amount of covered expenses for all individuals reaches the aggregate deductible, coinsurance begins. This means that the family deductible can be met by the expenses of one member or the combined expenses of multiple family members.

With an **aggregate family deductible**, all individuals collectively contribute towards reaching one family deductible.

With an **embedded deductible** each family member has their own separate deductible and out-of-pocket. However, the family collectively will pay no more than the stated family deductible and out-of-pocket.

Know Where to Go

When you or a family member needs medical care, the decisions you make can have a big effect on how much you pay. Before you head to the emergency room, consider a virtual visit, telemedicine or an urgent care center, which may offer faster, more cost-effective care. Look at all of your options now, so when you need care, you'll know where to go.

Prescription Drug Benefits

MAINTENANCE MEDICATION OPTIONS

Home Delivery makes it easy for you to fill prescriptions for your maintenance medications (those drugs you take regularly for ongoing conditions) at a lower cost. You also have an option to fill your maintenance medications at your Smart90 Preferred Pharmacy.

For Home Delivery, contact Express Scripts at 844-581-1740 or go to www.express-scripts.com/90day. Express Scripts will contact your doctor to get your new prescription started.

IMPORTANT! We want to make sure you get the most of your benefits. If you do not fill your 90-day ongoing maintenance medications through Express Scripts Home Delivery or a Smart90 Preferred Pharmacy, you will pay 100% (full cost for your prescription). This cost will not be applied towards your plan's deductible or out-of-pocket maximum.

Each medical plan includes prescription drug coverage from Express Scripts. There are three types of drugs:

- **Generic drugs** contain the same active ingredients and come in the same strengths as the original brand-name drugs, but cost significantly less. You want the most for your family and yourself, especially when it comes to medications. You also want to spend your money well. This is one reason we have a Generics Preferred Program.
- **Brand Formulary drugs** (also called formulary) are medications selected by the medical plan on the basis of sound medical data, safety and cost. Discuss the preferred brand drug list with your doctor to see if a drug on the list would be an option for you.
- **Brand Non-Formulary drugs** are not included on the preferred drug list. You will pay a higher price for a non-formulary brand drug.

PRESCRIPTION DRUG PRICES VARY

Prescription drug prices fluctuate, and your cost can change each time you receive a refill. Be sure to shop around and ask questions about the cost of your prescriptions and less expensive alternatives that may be available.

COUPONS AND DISCOUNT PROGRAMS

Coupons help lower your copay/coinsurance but often are for brand and brand non-formulary medications and cannot be used with the Home Delivery Program. Once coupons are no longer available, you may be left with a high cost medication.

Discount Programs are intended for those who do not have insurance. The programs generally require a membership and the amount you pay does not count toward your deductible.

DIABETIC MEDICATION AND SUPPLIES

The Home Delivery and Smart90 Preferred Pharmacy also applies to diabetic medication. Insulin pumps and pump equipment are covered by your medical plan.

ACCREDO

Accredo is a specialty pharmacy that serves patients with complex and chronic health conditions such as cancer, multiple sclerosis and more. Specialty-trained pharmacists and nurses are available to provide you with personalized care.

NEW FOR 2026: Scripta

Scripta is your prescription savings benefit designed to help you and your family save on medications. With Scripta, you and your enrolled dependents can easily compare prescription prices, explore your options, and view all the ways to save.

Saving with Scripta is easy as 1-2-3

1. Download the app or visit members.scriptainsights.com.
2. Get your in-app exclusive savings or discuss a switch with your doctor or pharmacist.
3. Fill at your suggested pharmacy.

Centers of Excellence (COE) & Virtual Physical Therapy (PT)

Sword Digital Physical Therapy

Digital Physical Therapy (DPT) pairs a human Physical Therapist with Sword's Artificial Intelligence (AI) Digital Therapist. This combination delivers the highest-quality, personalized clinical physical recovery you can achieve anytime, anywhere. Sword is at no cost to you, regardless of which medical plan you are in. You and your dependents can utilize virtual physical therapy for an array of needs to include, but not limited to; back pain, knee pain, neck pain, pelvic floor issues, to name a few.

Transcarent and Surgery Care

Through Transcarent Surgery Care, you have access to the country's best surgical facilities that specialize in treating your specific condition.

For employees in the PPO Plan, surgery costs are covered at 100%, with no deductible or coinsurance. For employees in the High Deductible Health Plan (HDHP), surgery costs are covered at 100% after you meet your deductible, which is lower when using Transcarent services. **There is no coinsurance when you choose a Transcarent provider.**

SURGERY EXPENSES

Surgery costs paid through Transcarent include:

- Preoperative surgeon appointment
- Surgery (all facility, anesthesia, surgical staff, and surgeon charges)
- In-patient services, if a hospital stay is required
- Postoperative surgeon appointment

Medical expenses that occur before the preoperative surgeon appointment and after your postoperative appointment are covered by your health plan and subject to plan guidelines, deductible, and coinsurance.

Your Care Coordinator manages the entire surgery process so you don't have to – from answering your questions, handling paperwork, scheduling appointments, and all the logistics of your surgery, we've got you covered.

Center of Excellence is a facility and provider that have high quality (good outcomes, low infection rates, etc.) and lower cost (less co-insurance for you to pay). This is a provider/surgical center specializing in your condition or injury.

SURGICAL PROCEDURES

▪ Bariatric	▪ Neurological
▪ Orthopedic	▪ Spine
▪ General	▪ Women's
▪ Vascular	Health
▪ Cardiac	

Emergency, pediatric (under age 13), cancer, cosmetic, dental, diagnostic, vision and transplant procedures are not available through Transcarent Surgery Care.

TRAVEL

If a local surgeon isn't an option and travel over 100 miles (one way) from the patient's residence is required, Transcarent pays travel expenses for the patient and a companion, including:

- Fuel reimbursement when travel over 100 miles but less than 300 miles (one way) is required
- Airfare (coach unless first class is medically necessary) when travel over 300 miles (one way) is required
- Lodging (one double-occupancy room)
- Meals and incidentals allowance:
 - » \$50 per day for the patient when not admitted (days 1-14)
 - » \$50 per day for a companion (days 1-14)
 - » \$125 per week per person after 14 days (days 15+)

Airfare and lodging must be arranged by your Transcarent Care Coordinator for coverage. A travel companion is required and must be at least 18 years of age. You'll receive a pre-paid debit card for meals and incidentals a few days before your surgery.

YOUR TRANSCARENT MEMBERSHIP ALSO INCLUDES:

- **Personal Health Guide:** A real person, specific to you, available by phone, chat or email. The dedicated health and care support you deserve 24/7!
- **Orthopedic Consult:** Orthopedic specialists provide virtual evaluations to help determine appropriate treatment, including whether or not you are an appropriate candidate for surgery.
- **Expert Medical Opinion:** Need a second opinion on a diagnosis? Connect with one of 3,500 physician experts across 550+ advanced subspecialties to help you understand your treatment options.
- **Sword Virtual Physical Therapy:** Work virtually with a licensed physical therapist. You receive sensors and a tablet with a custom therapy plan to perform from the comfort of your home — all at no cost to you.

How It Works:

- » Get matched with a physical therapist who will design a custom program for you.
- » Receive your kit with tablet and motion sensors to track your exercises.
- » Connect with your therapist as your needs change and start feeling better!

Health Awareness Together Wellness Program

Your health and safety is important to Waupaca Foundry — as much as any member of our family. Waupaca Foundry recognizes lifestyle changes are difficult to make and a challenge for all of us in today's busy world. With the HAT Program, we offer the tools and support you need to be healthy and be your best.

Preventive care is one of the most important steps you can take to manage your health. Many of the top risk factors leading to illness and premature death are preventable. This type of care includes screenings, exams and tests that identify health problems early on so you can take action to keep them from becoming chronic conditions.

Screenings that consider your family history, age and gender will help your doctor spot problems early, and early detection often means a better outcome for you and lower health care costs.

All eligible employees and spouses enrolled in a Waupaca Foundry medical plan on January 1, 2026, have the opportunity to earn a Wellness Incentive up to a maximum of \$600 each by completing the steps of the annual HAT Wellness Program. The wellness incentive you and your spouse earn during the 2026 HAT Program year will be applied towards the cost of your 2027 medical plan premiums deducted from your paycheck.

HEALTH RISK ASSESSMENT (\$200)

BIOMETRIC SCREENING (\$200)

ANNUAL PREVENTIVE EXAM (\$200)

Includes one of the following: annual physical, mammogram, colonoscopy, and pap smear

DENTAL EXAM (2 VISITS AT \$100 EACH)

VISION EXAM (\$100)

**If you don't complete all steps,
you can earn partial credit.**

Waupaca Foundry, in partnership with the HAT Program, is proud to offer our employees and their families additional benefits to support your health and wellness goals:

- Wellness Allowance (up to \$50 single/\$100 family)
- Free Family Fitness Center Membership

See your Human Resources department for additional information.

Tax-Advantaged Accounts

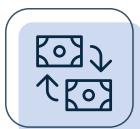

With the tax-advantaged accounts offered through Waupaca Foundry, you can use some of the money that usually goes to taxes to pay for qualified expenses. Each account has tax advantages but they have different ways of being funded and different ownership terms.

HEALTH SAVINGS ACCOUNT (HSA)

An HSA is a savings account that belongs to you, even if you leave the company. It allows you to make tax-free contributions to pay for current and future medical expenses for you and your dependents. An HSA is available if you enroll in any of Waupaca Foundry's medical plans with an HSA. The company also contributes to your account to provide additional financial support for healthcare needs.

HEALTH REIMBURSEMENT ARRANGEMENT (HRA)

An HRA is an employer-funded savings account to help you cover the cost of eligible medical expenses. This type of account is available to those enrolled in the medical plan with an HRA. The company funds the account to help you cover eligible medical expenses. You are not allowed to contribute any money yourself.

FLEXIBLE SPENDING ACCOUNT (FSA)

An FSA is an account that allows you to set aside tax-free dollars to help you pay for eligible health care and dependent care expenses for your medical, dental, and vision. Your options depend on your medical plan enrollment.

- **Medical FSA** — if you are not enrolled in an HSA plan you can use this account for medical, dental, vision and prescription expenses.
- **Limited FSA** — if you are enrolled in an HSA plan you can use this account to pay for dental and vision expenses only.
- **Dependent Care Account (DCA)** — Use for eligible day care and other childcare expenses for dependents under age 13 or elder care.

Reminder: Please keep your receipts for all eligible purchases for tax purposes and debit card substantiation. If purchases are not substantiated it could result in suspension of the debit card.

For a complete list of eligible expenses for each account, contact Via Benefits or visit www.irs.gov.

Using Your VIA Benefits Card

Use the Via Benefits debit card to pay for eligible services and products. Payments are automatically withdrawn from your HRA, HSA or FSA to make it easy to use your account.

Due to IRS regulations, certain card transactions need to be substantiated. Substantiating means validating a transaction to ensure the debit card was used for IRS-approved items/services within the allowed timeframe. If documentation is required for a transaction, you will receive a letter or email notification to login to your account to view receipt reminders. The receipt reminder will display the documentation required and your next steps.

Documentation Requirements

Documentation for medical expenses includes:

- **Best** - Explanation of Benefits (EOB) provided by your medical carrier
- Receipt/statement containing:
 - » Name of the provider
 - » Date(s) of service
 - » Service type(s)
 - » Amount (after insurance, if applicable)

Unacceptable forms of documentation include provider statements that only indicate the amount paid, balance forward or previous balance, credit card receipts, missing or vague medical practitioner's notes, and bills for prepaid dependent care/medical expenses where services have not yet occurred.

Documentation can be uploaded by logging in to your account at www.viabenefitsaccounts.com or by using the mobile app. If you choose to fax your documentation, also include the receipt reminder.

Waupaca Foundry has automatic claims feeds from the plan carriers to help you with claims substantiation; however, some claims may still need to be manually substantiated. Watch your mail and email for these requests.

Life and AD&D Insurance

Basic/Supplemental Life and Accidental Death and Dismemberment (AD&D) Insurance

It's important that your family have some financial security if you were to die or be seriously injured in an accident. Even if you are single, your beneficiary can use your life insurance to pay off your debts — like credit cards, mortgages and other final expenses. Accidental Death and Dismemberment (AD&D) insurance is designed to provide a benefit in the event you are injured or die as the result of an accident. Waupaca Foundry provides you a basic level of Life and AD&D insurance at no cost through New York Life.

BENEFIT	COVERAGE
Basic Life Insurance*	
You	2 times base salary, minimum of \$100,000 and maximum of \$650,000
Basic AD&D Insurance*	
You	2 times base salary, minimum of \$100,000 and maximum of \$650,000
Supplemental (Voluntary) Life Insurance – Elections Available at Open Enrollment	
You	Increments of \$20,000 to a max of \$500,000
Spouse	Increments of \$10,000 to a max of \$250,000; coverage cannot exceed 50% of the voluntary employee elected coverage
Dependent (unmarried child from live birth to 25 years old)	\$5,000 to \$10,000; coverage cannot exceed 50% of the voluntary employee elected coverage

*Provided at no cost to you by Waupaca Foundry.

Important Reminders

- Be sure to review and update your beneficiaries in the enrollment system.
- Your Voluntary Life election may be subject to Evidence of Insurability (EOI). You will be notified of your next steps if this is required.

Disability Benefits

We hope you never experience a disabling illness or injury. However, if you do, our disability benefits — Short-Term Disability and Long-Term Disability insurance — can replace some of your income if you are unable to work.

Short-Term Disability

You are provided a basic level of Short-Term Disability insurance at no cost (paid for by Waupaca Foundry). If you are unable to work for medical reasons for more than five consecutive days, you may qualify for Short-Term Disability benefits. The benefit is your regular salary, continued for 90 days following the onset of illness or injury. If you need to file a Short-Term Disability claim, please contact the Human Resource Department.

Long-Term Disability Insurance

Long-Term Disability begins after Short-Term Disability insurance is exhausted (typically after 90 days of injury or illness) and you are unable to work for an extended period of time. This income protection is provided through New York Life at no cost to you by Waupaca Foundry. The benefit is paid at two-thirds of your current salary, up to \$10,000 per month to age 65, with the maximum duration of the benefit reducing after age 60 according to the schedule listed in the certificate of coverage.

Long-Term Disability is not an automatic continuation of benefits following the exhaustion of your Short-Term Disability benefits. You must submit your claim and be approved for Long-Term Disability benefits. Please see your local Human Resource Department for further details.

Voluntary Benefits

Group Hospital Indemnity Insurance

It's no secret that hospital stays aren't usually much fun and costs can add up quickly. The financial pressures can be overwhelming. That's where Hospital Indemnity Insurance comes in. It pays a daily benefit if you have a covered stay in a hospital, critical care unit or rehabilitation facility. The benefit amount is based on the type of facility and the number of days you stay. Depending on the plan you choose and the type of confinement, Hospital admission benefits range from \$600-\$2,200 and daily confinement benefits range from \$100-\$200 per day.

Group Critical Illness Insurance

"It can't happen to me..." We've all thought or said that phrase before. But even if you've never personally experienced a serious illness — such as a heart attack or stroke — you probably have seen a family member or coworker who has. And if you ask them about it, you're likely to hear about the negative financial impact it has on their lives.

Not only can a critical illness keep you from working for a long period of time, but the expenses can add up while you're recuperating. These can include home maintenance, travel to see specialists, day care for children while you're at medical appointments, and many other out-of-pocket expenses.

Critical Illness insurance can help, because it pays a one-time, lump sum benefit amount if you're diagnosed with a covered disease or illness. You can use this money for any purpose to help you while you are recovering from your illness. Critical illness benefits are paid as a lump sum and range from \$5,000-\$30,000 depending on the condition and the amount of benefit you choose.

Group Accident Insurance

By definition, accidents are unforeseen and unplanned. And that means they can happen to anyone at any time. While you can't plan for an accident, you can plan for what happens afterward.

An accidental injury — for example, a burn, broken bone or deep cut — might keep you from working. It could even keep you from doing simple things around the house (like cooking and cleaning) while you're recuperating. There may be out-of-pocket medical expenses to pay as well. That's when accident insurance can help.

This plan covers a wide variety of services, such as hospitalization, emergency room and doctors' office visits. The benefits you receive will depend on your specific accident or injury. Accident benefits are paid as a lump sum and are based on the condition and the plan you choose. You have the choice of a low or high plan.

Voya Wellness Benefit

The Wellness Benefit is included with your Accident and/or Critical Illness Insurance coverage. It provides an annual benefit payment for completion of an eligible health screening test. You may also receive a benefit payment for your spouse and/or children if they are covered under your plan coverage. Filing a claim is easy! Wellness Benefit claim forms are available by visiting the Voya Claims Center at voyacom/claims or in HR.

Retirement Benefits

Your financial future in retirement is just as important as the paycheck you take home today. Waupaca Foundry has helped mold countless current and former employee futures through its employer and employee funded retirement plans.

Employees' Retirement Plan

Waupaca Foundry makes discretionary annual contributions into a Retirement Plan account of 6% of your gross pay. You are 100% vested after six years of service. "Vested" means, if you were to leave Waupaca Foundry after six years, you can take 100% of the money in your Retirement Plan account with you.

The funds in the Employees' Retirement Plan are employer-directed investments. The investments are directed by Waupaca Foundry for you and you are not able to change investment allocations.

ELIGIBILITY

You will become a participant of the plan on January 1 following your date of hire.

You will qualify for retirement under the Plan upon reaching age 60 ("normal retirement age").

401(k) Savings Plan

The 401(k) Savings Plan administered by Principal makes saving for retirement easy.

ELIGIBILITY

You can start saving in the 401(k) Savings Plan today! All active employees are eligible to participate in the plan.

CONTRIBUTIONS

You may contribute up to 75% of your paycheck on a pretax and post-tax (Roth) basis up to the maximum IRS limit per calendar year. If you are age 50 or older, you may contribute additional amounts. Log on or call Principal to start saving, roll over an existing account or to make changes.

VESTING OR OWNERSHIP

The money that you contribute from your paycheck and what it earns is always 100% yours.

For more information on planning your financial and retirement future, please go to principal.com or call 800-547-7754.

Important Notices

REMINDER OF AVAILABILITY OF PRIVACY NOTICE

This is to remind plan participants and beneficiaries of the Waupaca Foundry Health and Welfare Plan (the "Plan") that the Plan has issued a Health Plan Privacy Notice that describes how the plan uses and disclosed protected health information (PHI). You can obtain a copy of the Waupaca Foundry Health and Welfare Plan Privacy Notice upon your written request to the Benefits Department at the following address:

Waupaca Foundry, Inc.,
Benefits Department
1955 Brunner Drive
Waupaca, WI 54981

If you have any questions, please contact the Waupaca Foundry Benefits Department at 715-258-6611.

WOMEN'S HEALTH AND CANCER RIGHTS ACT NOTICES

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

If you would like more information on WHCRA benefits, contact your local Human Resources Department.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT DISCLOSURE

Group health plans and health insurance issuers generally may not, under Federal law, restrict for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following vaginal delivery, or less than 96 hours following a cesarean section.

However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

USERRA

Your right to continued participation in the Plan during leaves of absence for active military duty is protected by the Uniformed Services Employment and Reemployment Rights Act (USERRA). Accordingly, if you are absent from work due to a period of active duty in the military for less than 31 days, your Plan participation will not be interrupted. If the absence is for more than 31 days, and not more than 12 weeks, you may continue to maintain your coverage under the Plan by paying premiums.

If you do not elect to continue to participate in the Plan during an absence from military duty that is more than 31 days, or if you revoke a prior election to continue to participate for up to 12 weeks after your military leave began, you and your covered family members will have the opportunity to elect COBRA continuation Coverage only under the medical insurance policy for the 21-month period (18-month period if you elected coverage prior to December 10, 2004) that begins on the first day of your leave of absence. You must pay the premiums for Continuation Coverage with after-tax funds, subject to the rules that are set out in that plan.

SUMMARIES OF BENEFITS AND COVERAGE (SBCS)

As required by the Affordable Care Act, Summaries of Benefits and Coverage (SBCs) are available on the Waupaca Foundry Support Center at waupacafoundry.ehr.com. Waupaca Foundry is required to make SBCs available that summarize important features about health benefit plan options in a standard format, to help you compare across plans and make an informed choice. The health benefits available to you provide important protection for you and your family and choosing a health benefit option is an important decision. If you would like a paper copy of the SBCs (free of charge), you may also call the Waupaca Foundry Via Benefits Support Center at 855-451-2793 or see your local Human Resource Department.

IMPORTANT NOTICE FROM WAUPACA FOUNDRY, INC. ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Waupaca Foundry, Inc. and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. (If eligible) If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Waupaca Foundry, Inc. has determined that the prescription drug coverage offered by the Waupaca Foundry, Inc. Employee Medical and Prescription Drug Benefits Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?

If you decide to join a Medicare drug plan, your current Waupaca Foundry, Inc. coverage will not be affected. If you do decide to join a Medicare drug plan and drop your current Waupaca Foundry, Inc. Employee Medical and Prescription Drug Benefits Plan coverage, be aware that you and your dependents may not be able to get this coverage back.

WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?

You should also know that if you drop or lose your current coverage with Waupaca Foundry, Inc. and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

FOR MORE INFORMATION ABOUT THIS NOTICE OR YOUR CURRENT PRESCRIPTION DRUG COVERAGE...

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Waupaca Foundry, Inc. changes. You also may request a copy of this notice at any time.

FOR MORE INFORMATION ABOUT YOUR OPTIONS UNDER MEDICARE PRESCRIPTION DRUG COVERAGE...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

FOR MORE INFORMATION ABOUT MEDICARE PRESCRIPTION DRUG COVERAGE:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2025. Contact your State for more information on eligibility –

PAPERWORK REDUCTION ACT STATEMENT

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dot.gov and reference the OMB Control Number 1210-0137.

OMB Control Number 1210-0137 (expires 1/31/2026)
