

## Give employees an **all-in-one repository** for all their benefits materials

Resource Centers provide employees, spouses, and new hires with **year-round access to benefits information, videos, and hosted files.** These mobile-responsive, easy-to-update microsites **save you and your employees lots of time and reduce the need for in-person meetings.** Employee engagement is tracked in real time and they can be easily distributed via email, text messages, weblinks or QR codes.

- Variety of templates and styles available
- Easy implementation: we handle the setup
- Estimated turnaround: two to four weeks\*
