

Get answers to questions about transitioning to Medicare.

Included Health offers guidance for WellSky teammates who are or will soon be eligible for Medicare. Our Care Team can help you understand your options so you don't miss the enrollment window, face coverage gaps, or have to deal with taxes from HSA contributions.

Connect with the Care Team to:

- Learn about Medicare eligibility milestones and enrollment timing
- Get a general overview of Medicare Parts A, B, D, Advantage Plans, and Medigap
- Understand how Medicare enrollment affects HSA eligibility
- Find trusted resources to learn more about your options and what comes next

How to start the conversation:

1. Download or open the Included Health app.
2. Message a Care Advocate with your Medicare questions.
3. Get support from a team that's already part of your benefits.

Our team is also available by phone at 1-833-938-9793.
