

How the Curative Cash Card Works

Curative Cash Card: Quick + Easy Guide

The Curative Cash Card helps cover eligible medical services at **\$0 cost**.

Who Gets It + How Long It Lasts

- Available to Curative members age 18+
- Automatically active for your first **120 days**
- Complete your **Baseline Visit** within 120 days to keep it active all year

 *Baseline Visit = full-year access to Curative Cash.*

How to Access Your Card

- View your virtual card in the **Curative Member Portal**
- Request a physical card through Member Services (1-855-4-CURATIVE)
- Works like a prepaid medical card (no credit impact)

What You Can Use It For

- Primary care + office visits
- Any urgent care
- Behavioral health
- Hospital services, imaging, surgeries, monitoring

 **No prior authorizations needed** for eligible Cash Card services. Just say, *"I'll pay the cash rate,"* and present your card.

 **Not covered:** prescriptions (handled separately through your health plan)

Using Your Card at Appointments

- Urgent care: use it anywhere
- Other providers: nominate them in your Member Portal
- When scheduling/checking in:
 - Confirm they accept the Curative Cash Card
 - Tell the front desk you're paying the cash price
 - Show your card at the visit

 **Important for EPO Value Members** To use your Curative Cash Card at a Cash Card-eligible provider or facility, you **must** have an active **Care Pass** for that provider or location. No active pass = the card will not work.
