

How to register on Guardian Anytime

Follow these simple instructions to create an account and manage your Guardian coverage

Registering for a Guardian account

- 1 Go to guardianlife.com/login.
- 2 Select "Register" on the "Log in" screen and choose "Guardian Anytime".
- 3 Select "an employee" or "a member" for yourself or if your dependents (18 or older) want to register select "a child, spouse, or partner".
- 4 Complete the required information in the self-registration process.
- 5 Important: If you are asked to select a group ID number, select all listed for your company.
- 6 Create a user ID and password, then click "Submit registration" to finish.

Services available to you on Guardian Anytime

- View and manage benefits
- View and print ID Cards
- Find a provider
- Submit and track claims
- Update contact information

If you are unable to find what you need or have challenges registering for an account, call a Guardian service representative at 800-268-2525 between Monday and Friday, 8 am to 8 pm ET.
