Specialty Prescriptions • Copay Assist Program

Specialty medications are managed through the RxAlly program. Members can reach their dedicated Patient Care Coordinator at **877-794-2218** for assistance with accessing specialty medications. Claim cost incurred by drugs included in the MedOne Copay Assist Program will NOT apply toward the annual deductible and out-of-pocket maximum, as most or all of the payment will be paid by the copay assistance program. If you have actual out-of-pocket costs after the copay assistance program has paid, you will pay no more than your full specialty copay.
