Invest in your future while paying your student loans

Planning for your future is exciting, but student loan debt can be challenging. Luckily, there is some good news to share! Your retirement plan provides access to Summer Save, a digital solution designed to provide student loan assistance. This service is available to you at no cost. By taking advantage of Summer Save, you can potentially save hundreds of dollars each month while also investing in your future.

Here's how the Summer Save Loan Optimization program can help:

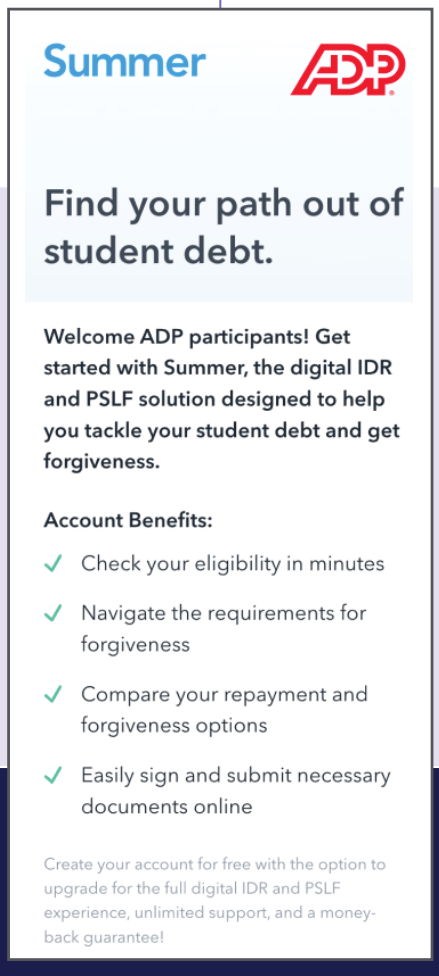

- Lower your payments with income-driven repayment plans
- Compare refinancing options
- Find Public Service Loan Forgiveness options
- Receive hands-on support
- Educational content and resources on student loans and saving for college

Summer Save is easy to use!

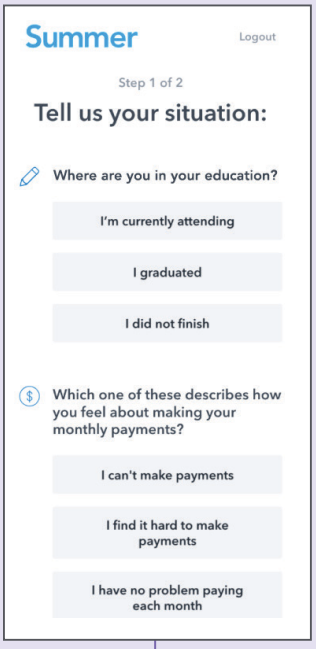

◀ First, sign in to My.ADP.com or the ADP Mobile Solutions App. Then, select **Retirement** and click on the **Student Loan Resources** tile.

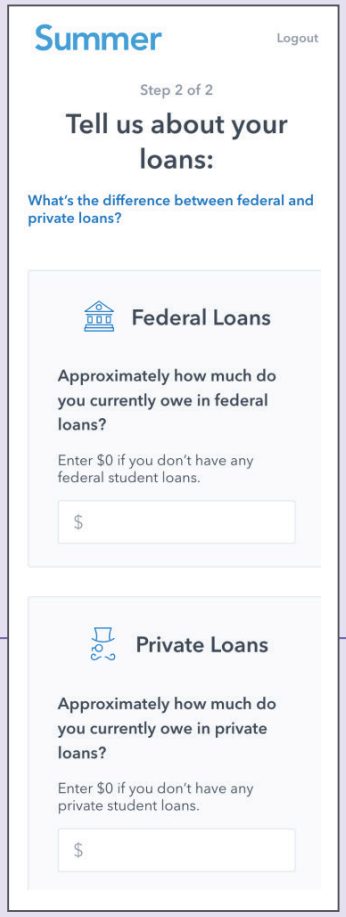

This will direct you to Summer's welcome page to create a free account and verify your email address. ▶

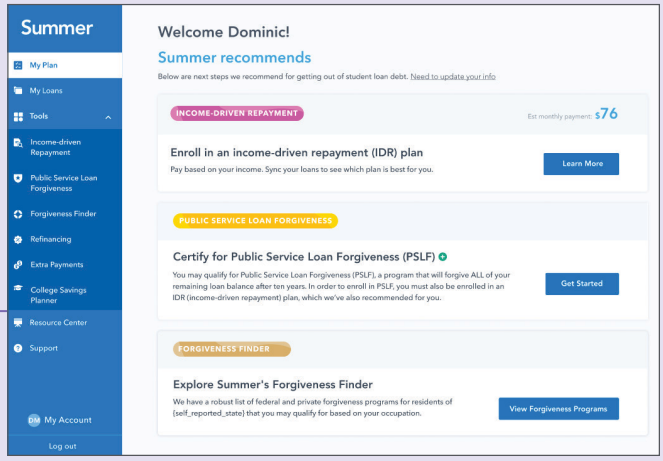

With Summer, the average borrower **saves $278 monthly.**[1]

After that, you will be asked to answer a few questions about yourself and your loans. Summer examines federal, state, and private options to help you save on your loans.

Summer then provides individualized recommendations based on your needs. Once you have found the right program, you can easily enroll online.

Explore Summer Save today!

Visit My.ADP.com or scan the QR code from your camera or QR code reader to sign into your account. Once you have signed into your account go to **Retirement > Student Loan Resources > Explore Summer.** You can also access this experience from your ADP Mobile Solutions App.

If you don't have an account yet, you must create one for My.ADP.com and another for Summer.
