

HOW TO SUBMIT AN ACCIDENT CLAIM

Although accidents can be unexpected and come without warning, you don't have to let an injury catch you off guard.

Items Needed to Submit a Claim

In the unfortunate event that an accident occurs, you must complete and submit the items below. Complete instructions are available on the Accident claim form.

1. **Accident claim form:** Complete as instructed on the form
2. **Supporting Documentation**, including but not limited to:
 - Detailed medical documentation supporting accident details
 - Accident Report — if applicable (ex.: police report)
 - Surgical Operative Report, if accident involved surgery
 - Follow Up Visit — receipts for follow up visits or physical therapy with dates
 - Chart Note to include admission and discharge paperwork, if there was a hospital stay

Your claim submission will be reviewed by a claims analyst. Be advised that further documentation might be necessary in the future to complete the claim process. If additional information is needed, a claims analyst will reach out to you.
