Here are some frequently asked questions about Colonial Life's disability insurance:

Will my disability income payment be reduced if I have other insurance?

You're paid regardless of any other insurance you may have with other insurance companies, and the benefits are paid directly to you (unless you specify otherwise).

When am I considered totally disabled?

Totally disabled means you are:

- Unable to perform the material and substantial duties of your job;
- Not working at any job; and
- Under the regular and appropriate care of a doctor.

What if I want to return to work part-time after I am totally disabled?

You may be able to return to work part-time and still receive benefits. We call this "Partial Disability." This means you may be eligible for coverage if:

- you are unable to perform the material and substantial duties of your job for 20 hours or more per week;
- you are able to work at your job or your place of employment for less than 20 hours per week;
- your employer will allow you to return to your job or place of employment for less than 20 hours per week; and
- you are under the regular and appropriate care of a doctor.

The total disability benefit must have been paid for at least one full month immediately prior to your being partially disabled.

What if I change employers?

If you change jobs or leave your employer, you can take your coverage with you at no additional cost. Your coverage is guaranteed renewable to the policy anniversary date on or next following your 70th birthday.

EXCLUSIONS

We will not pay benefits for losses that are caused by or are the result of: alcoholism or drug addiction; felonies; having a pre-existing condition as defined and limited by the rider; psychiatric or psychological conditions; suicide or self-inflicted injuries; war or armed conflict.

For cost and complete details, see your Colonial Life benefits counselor. Applicable to rider form R-ASD-1.0-WA. This is not an insurance contract and only the actual policy provisions will control.

What is a pre-existing condition?

A pre-existing condition is when you have a condition for which medical advice or treatment was recommended by a doctor or received from a doctor within a 12 month period preceding the effective date of your rider.

If you become disabled because of a pre-existing condition, Colonial Life will not pay for any disability period if it begins during the first 12 months the rider is in force.

Can my premium change?

You may choose the amount of coverage to meet your needs (subject to your income). You can elect more or less coverage which will change your premium. Colonial Life can change your premium only if we change it on all riders of this kind in the state where your rider was issued.

What is a covered accident or a covered sickness?

A covered accident is an accident. A covered sickness means an illness, infection or disease that:

- Occurs on or after the effective date of the rider;
- Is of a type (Accident or Sickness) listed on the Rider Schedule;
- Occurs while the rider is in force; and
- Is not excluded by name or specific description in the rider.
