THE EDISON PATIENT PROCESS

1

Your Edison journey begins with a conversation with your designated Care Coordinator. At this time, you will be given paperwork to the best SmartCare Center for your needs.

2

Complete and submit your SmartCare Center paperwork to your Care Coordinator.

1

Your Coordinator will submit your referral to the SmartCare Center, who will then begin collecting records from your local providers.

2

Once all records are received, you are ready to be scheduled for your initial evaluation (either in-person or virtual).

1

Once your first appointment is set, you will work with your Coordinator to make all travel arrangements (if appointment is in-person).

2

Your Coordinator will book all travel arrangements, which are completely paid for by your employer through Edison.
