MATERNITY SUPPORT – BREASTFEEDING SUPPLIES

BREASTFEEDING SUPPLIES AND SUPPORT FOR NEW PARENTS

As part of your health plan benefits, you may be eligible to receive breastfeeding supplies and support — such as a breast pump and lactation support services — from network providers at no additional cost.

HOW TO GET A BREAST PUMP

1. Check the list of participating breast pump suppliers by calling the toll-free phone number on your health plan ID card. TTY users can dial 711 or sign in at myuhc.com®.
2. Contact one of the participating doctors or approved suppliers to request an electric breast pump up to 30 days before your delivery date.
3. Once your request is approved, a breast pump will be sent to you.
4. The provider or breast pump supplier will bill UnitedHealthcare for reimbursement.
